Michelle My Chelle:

Michelle, My Chelle Robert D. Stueart, 1987-07-01 Once Upon a Summer Day Dennis L. McKiernan, 2006-04-04 The acclaimed author of the Mithgar novels Dennis L McKiernan enchanted fans and critics alike with the bestselling *Once Upon a Winter's Night* Now this gifted author presents us with a delightfully new version of an age old tale that fires the imagination and touches the heart *Once upon a summer day* Prince Borel of the Winterwood falls asleep and a beautiful golden haired maiden with a shadowy band across her eyes comes to him in his dreams and pleads for aid She returns time after time and the prince is certain that she is real and in deadly peril Yet he knows not who she is nor where she is imprisoned Opposed by witches and trolls and goblins and beings even more dreadful and aided by a field sprite Borel begins a desperate quest through the wonders and hazards of Faery seeking a mysterious masked demoiselle guarded by perilous blades And though time touches not this land of legend time is running out Superb charming and magical McKiernan escorts fantasy lovers into an enchanted place that deserves more tales Midwest Book Review *Nativities* Zoe Cooper, 2012-02-01 *Nativities* is a darkly comic new play set in the wasteland of petty office politics designated smoking areas and personal alienation Excited about her new job as administrative assistant at a call centre Stella is eager to fit in with her workmates and they seem to like her too especially when they find out how much they all have in common It's really like a family at Scion Communications so when they discover that Stella is pregnant they're all delighted for her However as her pregnancy progresses their certainties about love relationships and parenthood are questioned and their lives both at work and at home begin to unravel Set somewhere between an Orwellian dystopian vision and an all too familiar contemporary reality Cooper's writing turns a lens on everyday office life and how personalities are warped in its liminal space Within the repeating motifs of the anonymity of the corporate existence recurrent unvaried routines and ominously authoritative performance targets the core of the play focuses on the sheer isolation and loneliness of the characters The dialogue is overlapping misunderstood and disconnected and the characters are unable to communicate in spite of spending the majority of their waking lives together This kaleidoscopic dialogue and the slippery shifting ground between the characters effectively creates a new language for the stage which is startlingly original This is writing which is innovative relevant chilling and blackly funny
