John Gierach, a serious fisherman with a wry sense of humor, shows us just how much more with his fishing stories and a unique look at the fly fishing lifestyle. *Trout Bum* is really about why people fish as much as it is about how they fish, and it is ultimately about enduring values and about living in a harmony with our environment. Few books have had the impact on an entire generation that *Trout Bum* has had on the fly fishing world. The wit, warmth and the easy familiarity that John Gierach brings to us in *Trout Bum* is as fresh and engaging now as when it was first published twenty-five years ago. There's no telling how many anglers have quit their jobs and headed west after reading the first edition of this classic collection of fly fishing essays.
