Michigan Folklife Reader

Simon J Bronner

Michigan Folklife Reader:

Michigan Folklife Reader C. Kurt Dewhurst, 1988-08-01 *Michigan Folklife Reader* C. Kurt Dewhurst, Yvonne R. Lockwood, 1987 In what has become a bible for the business world the successful CEO of Herman Miller Inc explores how executives and managers can learn the leadership skills that build a better more profitable organization From the Trade Paperback edition *Trends* United States. National Park Service, 1994 **Encyclopedia of American Folklife** Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research **A Passion for Polka** Victor Greene, 2023-12-22 Not so long ago songs by the Andrews Sisters and Lawrence Welk blasted from phonographs lilted over the radio and dazzled television viewers across the country Lending star quality to the ethnic music of Poles Italians Slovaks Jews and Scandinavians luminaries like Frankie Yankovic the Polka King and Whoopee John Wilfart became household names to millions of Americans In this vivid and engaging book Victor Greene uncovers a wonderful corner of American social history as he traces the popularization of old time ethnic music from the turn of the century to the 1960s Drawing on newspaper clippings private collections ethnic societies photographs recordings and interviews with musicians and promoters Greene chronicles the emergence of a new mass culture that drew heavily on the vivid color music and dance of ethnic communities In this story of American ethnic music with its countless entertainers performing never forgotten tunes in hundreds of small cities around the country Greene revises our notion of how many Americans experienced cultural life In the polka belt extending from Connecticut to Nebraska and from Texas up to Minnesota and the Dakotas not only were polkas laendlers schottisches and waltzes a musical passion but they shone a scintillating new light on the American cultural landscape Greene follows the fortunes of groups like the Gold Chain Bohemians illuminating the development of an important segment of American popular music that fed the craze for international dance music And even though old time music declined in the 1960s

overtaken by rock and roll a new Grammy for the polka was initiated in 1986 In its ebullience and vitality the genre endures Not so long ago songs by the Andrews Sisters and Lawrence Welk blasted from phonographs lilted over the radio and dazzled television viewers across the country Lending star quality to the ethnic music of Poles Italians Slovaks Jews and Scandinavia

Strangers and Sojourners Arthur W. Thurner,1994 Arthur Thurner tells of the enormous struggle of the diverse immigrants who built and sustained energetic towns and communities creating a lively civilization in what was essentially a forest wilderness Their story is one of incredible economic success and grim tragedy in which mine workers daily risked their lives By highlighting the roles women African Americans and Native Americans played in the growth of the Keweenaw community Thurner details a neglected and ignored past The history of Keweenaw Peninsula for the past one hundred and fifty years reflects contemporary American culture a multicultural pluralistic democratic welfare state still undergoing evolution Strangers and Sojourners with its integration of social and economic history for the first time tells the complete story of the people from the Keweenaw Peninsula s Baraga Houghton Keweenaw and Ontonagon counties

American Folklore Jan Harold Brunvand,2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries accompanied by up to date bibliographies Edited by America s best known folklore authority

Polkabilly James Leary,2010-11-18 While the Goose Island Ramblers are a remarkable group they are entirely representative of the many bands who from the 1920s through the 90s have synthesized an array of foreign American folk popular and hillbilly musical strains to entertain rural small town working class audiences throughout the Midwest Based on more than twenty years of field research this study of the Goose Island Ramblers alters our perception of what American folk music really is The music of the Ramblers decidedly upper Midwest multicultural and inescapably American argues for a most inclusive fluid notion of American folk music one that exchanges ethnic hierarchy for egalitarianism that stresses process over pedigree and that emphasizes the pluralism of American musical culture Rootsy constantly evolving and wildly eclectic the polkabilly music of the Ramblers constitutes the American folk music norm redefining in the process our understanding of American folk traditions

North Country Jon K. Lauck,Gleaves Whitney,2023-05-04 Travel north from the upper Midwest s metropolises and before long you re Up North a region that s hard to define but unmistakable to any resident or tourist Crops give way to forests mines or their remains mark the landscape and lakes multiply becoming ever clearer until you reach the vastness of the Great Lakes How to characterize this region as distinct from the agrarian Midwest is the question North Country seeks to

answer as a congenial group of scholars journalists and public intellectuals explores the distinctive landscape culture and history that define the northern margins of the American Midwest From the glacial past to the present day these essays range across the histories of the Dakota and Ojibwe people colonial imperial rivalries and immigration and conflicts between the economic imperatives of resource extraction and the stewardship of nature The book also considers literary treatments of the area and arguably makes its own contributions to that literature as some of the authors search for the North Country through personal essays while others highlight individuals who are identified with the area like Sigurd Olson John Barlow Martin and Russell Kirk From the fur trade to tourism fisheries to supper clubs Finnish settlers to Native treaty rights the nature of the North Country emerges here in all its variety and particularity as clearly distinct from the greater Midwest as it is part of the American heartland The American Midwest Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination **American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology Intimate Heritage Nathan Light, 2008 Over the past 50 years the Sufi poetry of the Uyghur muqam song tradition has been transformed into a cultural canon used to represent the Uyghur ethnic group within China and on world stages This book compares the cultural materials skills and contexts of traditional muqam performance with those of the modern repertoire **Subcultural Sounds** Mark Slobin, 1993-04 A fascinating study of subcultural musics and their cultural identities **Building Environments** Kenneth A. Breisch, Alison K. Hoagland, 2005 Selected articles originally presented at the Vernacular Architecture Forum conference in Duluth Minnesota 2002 and Newport Rhode Island 2001 The Carver's Art Simon J. Bronner, 2021-11-21 Chains carved from a single block of wood cages whittled with wooden balls rattling inside all made with just a pocketknife are among our most enduring folk designs Who makes them and why what is their history what do they mean for their makers for their viewers for our society Simon J Bronner portrays four wood carvers in southern Indiana men who had been transplanted from the

rural landscapes of their youth to industrial towns After retiring they took up a skill they remembered from childhood Bronner discusses how creativity helped these men adjust to change and how viewers responses to carving reflect their own backgrounds By recording the narratives of these men s lives the stories and anecdotes that laced their conversation Bronner finds new insight into the functions and symbolism of traditional craft Including anew illustrated afterword in which the author discusses recent developments in the carver s art this new edition will appeal to carvers scholars and anyone interested in traditional woodworking *Publications of the American Folklife Center* ,1977 The Michiana Potters Meredith A. E. McGriff,2020-08-03 A new pottery tradition has been developing along the border of northern Indiana and southern Michigan Despite the fact that this region is not yet an established destination for pottery collectors Michiana potters are committed to pursuing their craft thanks to the presence of a community of like minded artists The Michiana Potters an ethnographic exploration of the lives and art of these potters examines the communal traditions and aesthetics that have developed in this region Author Meredith A E McGriff identifies several shared methods and styles such as a preference for wood fired wares glossy glaze surfaces cooler colors the dripping or layering of glazes on ceramics that are not wood fired the handcrafting of useful wares as opposed to sculptural work and a tendency to borrow forms and decorative effects from other regional artists In addition to demonstrating a methodology that can be applied to studies of other emergent regional traditions McGriff concludes that these styles and methods form a communal bond that inextricably links the processes of creating and sharing pottery in Michiana The Oxford Handbook of American Folklore and Folklife Studies Simon J. Bronner,2019-08-06 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters delve into significant themes and methods of folklore and folklife study established expressions and activities spheres and locations of folkloric action and shared cultures and common identities Beyond the longstanding arenas of academic focus developed throughout the 350 year legacy of folklore and folklife study contributors at the forefront of the field also explore exciting new areas of attention that have emerged in the twenty first century such as the Internet bodylore folklore of organizations and networks sexual orientation neurodiverse identities and disability groups Encompassing a wide range of cultural traditions in the United States from bits of slang in private conversations to massive public demonstrations ancient beliefs to contemporary viral memes and a simple handshake greeting to group festivals these chapters consider the meanings in oral social and material genres of dance ritual drama play speech song and story while drawing attention to tradition centered communities such as the Amish and Hasidim occupational groups and their workaday worlds and children and other age groups Weaving together such varied and manifest traditions this handbook pays significant attention to the cultural diversity and changing national boundaries that have always been distinctive in the American experience reflecting on the relative youth of the nation global connections of

customs brought by immigrants mobility of residents and their relation to an indigenous urbanized and racialized population and a varied landscape and settlement pattern Edited by leading folklore scholar Simon J Bronner this handbook celebrates the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice Arab Detroit Nabeel Abraham,2000-08-01 Metropolitan Detroit is home to one of the largest most diverse Arab communities outside the Middle East yet the complex world Arabic speaking immigrants have created there is barely visible on the landscape of ethnic America In this volume Nabeel Abraham and Andrew Shryock bring together the work of twenty five contributors to create a richly detailed portrait of Arab Detroit The book goes behind the bulletproof glass in Iraqi Chaldean liquor stores It explores the role of women in a Sunni mosque and the place of nationalist politics in a Coptic church It follows the careers of wedding singers Arabic calligraphers restaurant owners and pastry chefs It examines the agendas of Shia Muslim activists and Washington based lobbyists and looks at the intimate politics of marriage family honor and adolescent rebellion Memoirs and poems by Lebanese Chaldean Yemeni and Palestinian writers anchor the book in personal experience while over fifty photographs provide a backdrop of vivid often unexpected images In their efforts to represent an ethnic immigrant community that is flourishing on the margins of pluralist discourse the contributors to this book break new ground in the study of identity politics transnationalism and diaspora cultures **Midwestern Folklore** ,2003

Adopting the Track of Phrase: An Mental Symphony within **Michigan Folklife Reader**

In a world eaten by screens and the ceaseless chatter of instant connection, the melodic elegance and mental symphony developed by the published word usually diminish in to the back ground, eclipsed by the persistent noise and disruptions that permeate our lives. Nevertheless, set within the pages of **Michigan Folklife Reader** a wonderful literary treasure brimming with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this fascinating masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed songs and profound affect resonating within each cautiously crafted phrase. Within the depths of this emotional assessment, we shall discover the book is central harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
