Jagger Unauthorized Christopher P. Andersen,1993 He is without question one of the dominant cultural figures of our time Swaggering strutting sometimes sinister always fascinating Mick Jagger boasts a career spanning four decades from the turbulent sixties and sybaritic seventies through the booming eighties to the cautious nineties His is the story of a generation With Elvis Presley and John Lennon gone he is arguably the last of the rock titans Yet Jagger jealously guarding the secrets of his life has always managed to remain the most enigmatic of icons As Jagger celebrates his fiftieth birthday in 1993 best selling author Christopher Andersen strips the mask from Jumpin Jack Flash in a no holds barred biography as shocking and uncompromising as Jagger himself The riveting portrait that emerges is based on years of research and countless interviews with friends teachers fellow musicians family members neighbors industry insiders and lovers Among the many startling

insights and revelations in Jagger Unauthorized Jagger's bisexual history and the full story of his bizarre relationships with David Bowie Rudolf Nureyev Andy Warhol and one of today's biggest male rock superstars Never before revealed details of his turbulent marriages to Bianca Jagger and Jerry Hall his affairs with Marianne Faithfull Carly Simon and Linda Ronstadt and his sexual escapades with numberless fans including Madonna The years awash in cocaine hashish LSD and speed the headline making drug trials and how long this harrowing substance abuse really went on A rare behind the scenes glimpse of Jagger's business dealings and why he is rightly considered a financial genius And of course all the scandal drama and genius that went into making the Rolling Stones the world's greatest rock and roll band the backstage maneuverings to oust Stones cofounder Brian Jones and Jones's mysterious early death Jagger's strangely erotic love hate affair with Keith Richards that continues today the bloodbath at Altamont the countless hits and record smashing tours the Steel Wheels triumph and much more Jagger Unauthorized is like its subject explosive and compelling the definitive biography of a man whose very name defines an era Rolling Stones, 1972* **Ain't It Time We Said Goodbye** Robert Greenfield, 2014-05-13 For ten days in March 1971 the Rolling Stones traveled by train and bus to play two shows a night in many of the small theaters and town halls where their careers began No backstage passes No security No sound checks or rehearsals And only one journalist allowed That journalist now delivers a full length account of this landmark event which marked the end of the first chapter of the Stones extraordinary career Ain't It Time We Said Goodbye is also the story of two artists on the precipice of mega stardom power and destruction For Mick and Keith and all those who traveled with them the farewell tour of England was the end of the innocence Based on Robert Greenfield's first hand account and new interviews with many of the key players this is a vibrant thrilling look at the way it once was for the Rolling Stones and their fans and the way it would never be again

Sympathy for the Drummer Mike Edison, 2019-11-05 Sympathy for the Drummer Why Charlie Watts Matters is both a gonzo rush capturing the bristling energy of the Rolling Stones and the times in which they lived and a wide eyed reflection on why the Greatest Rock n Roll Band in the World needed the world's greatest rock n roll drummer Across five decades Rolling Stones drummer Charlie Watts has had the best seat in the house Charlie Watts the anti rock star an urbane jazz fan with a dry wit and little taste for the limelight was witness to the most savage years in rock history and emerged a hero a warrior poet With his easy swing and often loping uneven fills he found nuance in a music that often had little room for it and along with his greatest ally Keith Richards he gave the Stones their swaggering beat While others battled their drums Charlie played his modest kit with finesse and humility and yet his relentless grooves on the nastiest hard rock numbers of the era Gimme Shelter Street Fighting Man Brown Sugar Jumpin Jack Flash etc delivered a dangerous authenticity to a band that on their best nights should have been put in jail Author Mike Edison himself a notorious raconteur and accomplished drummer tells a tale of respect and satisfaction that goes far beyond drums drumming and the Rolling Stones ripping apart the history of rock n roll and celebrating sixty years of cultural upheaval He tears the sheets off of the myths of music making shredding

the phonies and the frauds and unifies the frayed edges of disco punk blues country soul jazz and R B the soundtrack of our lives Highly opinionated fearless and often hilarious Sympathy is an unexpected treat for music fans and pop culture mavens as edgy and ribald as the Rolling Stones at their finest never losing sight of the sex and magic that puts the roll in the rock the beat that crazy beat and the man who drove the band their true engine the utterly irreplaceable Charlie Watts **Harry Styles and Mick Jagger** Tim Cooke,2024-08-01 Harry Styles is a big fan of Mick Jagger From music to fashion to breaking down social barriers Styles takes inspiration from Jagger Discover more about the music and lives of these two iconic musicians in this colorful and detailed title *Real Life* Marsha Hunt,1986 She is best known as the mother of Mick Jagger s daughter Marsha Hunt s autobiography focuses not only on that aspect of her life but also on the turbulence of the sixties and the impact of those years on the decade and a half since **Mick Jagger** Davin Seay,1993 A veteran of the music business presents a biography of the public and private life of one of rock s most controversial superstars **Stones From the Inside: Rare and Unseen Images** Bill Wyman,2020-02-28 As soon as Bill Wyman was given a camera as a young boy he quickly developed a passion for photography After joining what would become the world s greatest rock n roll band Wyman continued his hobby When he didn t have his bass he had his camera The result is an arresting insightful and often poignant collection of photographs showing his exclusive inside view of the band From traveling to relaxing backstage and on Stones From the Inside is a unique view captured by a man who was there every step of the way Along with the images of the band at work and play Wyman includes remarkable images of those along for the ride from John Lennon Eric Clapton David Bowie and Iggy Pop to John Belushi and Dan Aykroyd To accompany his photographs Wyman offers up wonderful insights anecdotes and behind the photo stories giving all us a front row seat and backstage pass to what it was like to be there as music history was made as a member of The Rolling Stones Mick Jagger Jamake Highwater,J.
