Don Revie Andrew Mourant,2012-05-25 Don Revie was the football man about whom few were neutral The Leeds United team he created was possibly the finest in the history of English league football one of legendary endurance it characters strong and unyeilding Yet is remained unpopular for many felt its voracious pursuit of honours was hallmarked by cynicism and ruthlessness This fascinating study of Revie one of English football s most complex and controversial figures examines the factors and influences that moulded him In interviews with team mates the footballers he managed and others who worked alongside him Andrew Mourant reflects on the many seemingly paradoxical aspects of Revie s nature After depicting Revie s childhood living on the breadline in Middlesbrough from which the game was his great escape Mourant traces his development through playing days with five league clubs to management of Leeds

United England and beyond He also considers the legacy Revie left Leeds a craving for a return to the days of glory and triumph he engineered It is a turbulent story of success and failure The tragic nature of Revie s untimely death in 1989 through motor neurone disease served only to sharpen memories of his achievements He continues to cast a shadow over Elland Road and remains the yardstick against whom all successors are judged Amid the triumphs near misses and traumas his reign brought Leeds United an era of unparalleled prosperity and stability The story of Revie s career is one of intense dedication willpower and pursuit of the near impossible For some it was an inspiration while for others its darker elements tainted the success he brought to Elland Road and all he strove to achieve for England **Manchester United One Brief**

Honeyeaters' Tree Andy Gibb, 2010 A quest for this quintessentially antipodean family of birds uncovers the tree of life and the landscapes of Australia and New Zealand From the UK and a Singapore stopover the traveller journeys to a week around Perth Then two months in a campervan from Adelaide to Cairns Queensland He learns how the tree of life connects the whole globe The route also skirts floods and cyclones A fortnight in Tasmania and Victoria with its fatal fires concludes this far from straightforward quest for the 73 honeyeaters Finally New Zealand offers a coda with its own branch of the family It s not just about birds it s a last chance to witness other survivors from the Triassic as they struggle against the latest mass extinction Railways cities and culture shock also play cameo roles England in the World Cup Tony Matthews, 2014-04-15 An in depth study of England s World Cup appearances 1950 2014 *Money Can't Buy Us Love* Gavin Buckland, 2019-08-08 In 1960 the wealthy owner of the Merseyside based Littlewoods corporation John Moores took control of Everton Football Club setting in motion a chain of events that still affect the game in this country today Everton had enjoyed success before Moores s takeover but things would never be the same again from the moment he walked through Goodison s doors Although big clubs

had spent money before none had done so with such naked short term ambition and a ruthlessness to succeed that sent shockwaves through the previously stagnant world of English football The new owner s ruthless streak was personified by his first major move sacking the popular Johnny Carey in the back of a London taxi in April 1961 Everton would finish that 1960 61 season in fifth place their highest position since World War Two but the Irishman s affable nature cost him his job In his place Moores wanted a man in his own image to lead the club forward and he soon found him Harry Catterick Catterick was little over 40 years old and had been an Everton player himself only ten years before But as a boss he exuded an aura that demanded respect and obedience from his players It was a characteristic that won him few fans but plenty of trophies and across the decade Everton reasserted themselves as one of English football s powerhouses winning two league titles and an FA Cup Catterick s ability to nurture young products of the club s youth set up such as Colin Harvey and Joe Royle was trumped only by his mastery of the transfer market allowing him to sign the great Howard Kendall from Preston North End and World Cup winner Alan Ball from under his rivals noses Harvey Kendall and Ball would soon form the club s greatest midfield trio and their brilliance would underpin the 1969 70 title win a victory for free flowing football in an era of cynicism That trophy would be Everton s last major honour for 14 years In *Money Can t Buy Us Love* Everton s official statistician Gavin Buckland tells the tale of how Moores and manager Harry Catterick took the so called Mersey Millionaires to the summit of English football in the context of the major cultural changes of the time The book provides a forensic character study of both Catterick and Moores and also delves into the archives to provide a definitive account of the incidents that rocked the club in a fruitful but turbulent decade including allegations of doping in the 1962 63 campaign the 1964 match fixing scandal which signalled the end of Tony Kay s career and the shock sale of Alan Ball *Money Can t Buy Us Love* offers fascinating insight into how strong personalities can take a team to the very top but can also cause in its ultimate downfall
