[The Disneyization of Society](#) Alan Bryman, 2004-05-18 Alan Bryman has expanded on his internationally well known work on Disney theme parks and Disneyization to create a fascinating and highly readable book It should prove of interest to beginning students in a number of different courses and fields as well as to scholars interested in culture and consumption There is no question that the model created by Disney and emulated in whole or in part by many organizations and in many settings will continue to influence social structure and culture well into the future This is an important book about a significant social process And it manages to be a fun read as well George Ritzer author of McDonaldization and Professor of Sociology University of Maryland Bryman's analysis of contemporary consumption is full of detail and provides a host of examples ranging from restaurants and hotels to theme parks zoos and sports stadia Without doubt students will find it an accessible text one that should allow them to think about consumption familiar consumer products settings and activities

sociologically Barry Smart Professor of Sociology University of Portsmouth Bryman's dissection of Disneyization is a timely and significant contribution to the growing literature on Disney In fact his excellent analysis of the extension of Disneyization throughout society explains why we should care about the Disney phenomenon at all This is not only an important book for Disney scholars but for any one interested in the future of modern society Janet Wasko Professor of Communication Studies University of Oregon This is an agenda setting new work in the sociology of culture and modern society It argues that the contemporary world is increasingly converging towards the characteristics of the Disney theme parks This process of convergence is revealed in the growing influence of themed environments in settings like restaurants shops hotels tourism and zoos the growing trend towards social environments that are driven by combinations of forms of consumption shopping eating out gambling visiting the cinema watching sports the growth in cachet awarded to brands based on licensed merchandise and the increased prominence of work that is a performance in which the employees have to display certain emotions and generally convey impressions as though working in a theatrical event This insightful book demonstrates the importance of control and surveillance in consumer culture Of interest to a wide variety of students studying in business sociology cultural studies media studies and leisure studies courses this will also be of interest to anybody interested in understanding the intricacies of modern society

Why? Because We Still Like You Jennifer Armstrong, 2010-10-29 From the New York Times bestselling author of *Seinfeldia* a behind the scenes history of Walt Disney's classic television show Full of nostalgia this book gives you the never before told story of how The Mickey Mouse Club paved the way for all that came after from its humble beginnings as a marketing ploy through its short but mesmerizing run to the numerous resurrections that made it one of television's first true cult hits all through the recollections of those regular kids turned stars who made it a phenomenon It will reveal for the first time ever the stories of Annette Darlene and her famous rivalry with Annette Cubby and Karen Bobby and the rest of the beloved cast It will explore through the reminiscences of former fans who grew up to be some of television's finest minds what made the show so special Finally it will examine why the formula the creators of the show invented is more relevant than ever and whether we'll ever see yet another Club for a new generation Take a trip down memory lane with the original Mickey Mouse Club cast and creators through drama and unexpected fame to see how a television institution came into being Armstrong tracks down most of the original Mouseketeers and some also rans who share with us a behind the scenes look as to what it was really like to go from ordinary to idolized in a matter of weeks The Florida Times Union An oral history of the TV show that helped shape the Baby Boomers a captivating cautionary tale

Booklist [The Walt Disney Film Archives. the Animated Movies 1921-1968](#) Daniel Kothenschulte, 2021-07 In TASCHEN's first volume of one of the most expansive illustrated publications on Disney animation 1 500 images take us to the beating heart of the studio's Golden Age of Animation Derived from the XXL book this new edition again includes behind the scenes photos story sketches and cel setups of famous film scenes It spans each of the
