Microcomputers For Library Decision Making:

Microcomputers for Library Decision Making Peter Hernon, Charles R. McClure, 1986 **Microcomputers and Libraries** Thomas L. Kilpatrick, 1990 This supplement to *Microcomputers and libraries* a bibliographic sourcebook 1987 surveys the literature of library microcomputing from 1986 through 1989 Some 5 300 entries cover microcomputer selection implementation applications management software and hardware for libraries Many new topic **Information Management Technology** Paul F. Burton, J. Howard Petrie, 2013-11-11 Once again the wide ranging and rapid developments in microcomputer technology of the last few years have meant that a detailed revision of *The librarian's guide to microcomputers for information management* was required if it was to fulfil its objectives of providing a single source of information on the process of automating with a microcomputer For this new edition we have taken into account not only the developments in hardware but also the growing sophistication and power of software and the growing sophistication of library and information service managers The latter are more and more familiar with the use or at least the principles of microcomputers and it no longer seems necessary to spell out certain details We have where relevant indicated sources of more detailed information particularly of practical applications and so we hope that the changes we have made will ensure that this book remains of value to practitioner and student alike **ACKNOWLEDGEMENTS** We remain as always grateful to those who have written or spoken about their experiences with microcomputers and have described applications We would also like to thank the referees who commented of the book and provided useful suggestions and on a first draft amendments Mandy and Lindsey once again patiently accepted our absence during the writing of this edition **Microcomputer Management & Maintenance for Libraries** Elizabeth Lane Lawley, 1990 *Microcomputers in the Libraries*, 1984
