Michelangelo His Life His Times His Era

Antonio Forcellino

Michelangelo His Life His Times His Era:

Michelangelo Martin Gayford,2013-11-07 At thirty one Michelangelo was considered the finest artist in Italy perhaps the world long before he died at almost 90 he was widely believed to be the greatest sculptor or painter who had ever lived and by his enemies to be an arrogant uncouth swindling miser For decade after decade he worked near the dynamic centre of events the vortex at which European history was changing from Renaissance to Counter Reformation Few of his works including the huge frescoes of the Sistine Chapel Ceiling the marble giant David and the Last Judgment were small or easy to accomplish Like a hero of classical mythology such as Hercules whose statue he carved in his youth he was subject to constant trials and labours In Michelangelo Martin Gayford describes what it felt like to be Michelangelo Buonarroti and how he transformed forever our notion of what an artist could be

Michelangelo Miles J. Unger,2015-07-21 Among the immortals Leonardo Rembrandt Picasso Michelangelo stands alone as a master of painting sculpture and architecture He was not only the greatest artist in an age of giants but a man who reinvented the practice of art itself Throughout his long career he clashed with patrons by insisting that he had no master but his own demanding muse and promoting the novel idea that it was the artist rather than the lord who paid for it who was creative force behind the work This is the life of perhaps the most famous most revolutionary artist in history told through the stories of six of his magnificent masterpieces The Life of Michelangelo David Hemsoll,2018-04-03 The fame and influence of Michelangelo Buonarroti 1475 1564 were as immediate as they were unprecedented It is not surprising therefore that he was the only living artist Giorgio Vasari included in the first edition of Lives of the Most Excellent Painters Sculptors and Architects published in 1550 Revised and expanded in 1568 Vasari s monumental work comprises more than two hundred biographies for centuries it has been recognized as a seminal text in art history and one of the most important sources on the Italian Renaissance Vasari s biography of Michelangelo the longest in his Lives presents Michelangelo s oeuvre as the culminating achievement of Renaissance painting sculpture and architecture He tells the grand story of the artist s expansive career profiling his working habits describing the creation of countless masterpieces from the David to the Sistine Chapel ceiling and illuminating his relationships with popes and other illustrious patrons A lifelong friend Vasari also quotes generously from the correspondence between the two men the narrative is further enhanced by an abundance of colorful anecdotes The volume s forty two illustrations convey the range and richness of Michelangelo s art An introduction by the scholar David Hemsoll traces the textual development of Vasari s Lives and situates his biography of Michelangelo in the broader context of Renaissance art history **Oil and Marble** Stephanie Storey,2016-03-01 From 1501 to 1505 Leonardo da Vinci and Michelangelo Buonarroti both lived and worked in Florence Leonardo was a charming handsome fifty year old at the peak of his career Michelangelo was a temperamental sculptor in his mid twenties desperate to make a name for himself The two despise each other Front jacket flap Michelangelo, God's Architect William E. Wallace,2021-04-06 As he entered his

seventies the great Italian Renaissance artist Michelangelo despaired that his productive years were past Anguished by the death of friends and discouraged by the loss of commissions to younger artists this supreme painter and sculptor began carving his own tomb It was at this unlikely moment that fate intervened to task Michelangelo with the most ambitious and daunting project of his long creative life Michelangelo God's Architect is the first book to tell the full story of Michelangelo's final two decades when the peerless artist refashioned himself into the master architect of St Peter's Basilica and other major buildings When the Pope handed Michelangelo control of the St Peter's project in 1546 it was a study in architectural mismanagement plagued by flawed design and faulty engineering Assessing the situation with his uncompromising eye and razor sharp intellect Michelangelo overcame the furious resistance of Church officials to persuade the Pope that it was time to start over In this richly illustrated book leading Michelangelo expert William Wallace sheds new light on this least familiar part of Michelangelo's biography revealing a creative genius who was also a skilled engineer and enterprising businessman The challenge of building St Peter's deepened Michelangelo's faith Wallace shows Fighting the intrigues of Church politics and his own declining health Michelangelo became convinced that he was destined to build the largest and most magnificent church ever conceived And he was determined to live long enough that no other architect could alter his design Provided by publisher

Michelangelo Antonio Forcellino, 2023-07-17 This major new biography recounts the extraordinary life of one of the most creative figures in Western culture weaving together the multiple threads of Michelangelo's life and times with a brilliant analysis of his greatest works The author retraces Michelangelo's journey from Rome to Florence explores his changing religious views and examines the complicated politics of patronage in Renaissance Italy The psychological portrait of Michelangelo is constantly foregrounded depicting with great conviction a tormented man solitary and avaricious burdened with repressed homosexuality and a surplus of creative enthusiasm Michelangelo's acts of self representation and his pivotal role in constructing his own myth are compellingly unveiled Antonio Forcellino is one of the world's leading authorities on Michelangelo and an expert art historian and restorer He has been involved in the restoration of numerous masterpieces including Michelangelo's Moses He combines his firsthand knowledge of Michelangelo's work with a lively literary style to draw the reader into the very heart of Michelangelo's genius

Michelangelo in Print Bernadine Barnes, 2017-07-05 In seeing printed reproductions as a form of response to Michelangelo's work Bernadine Barnes focuses on the choices that printmakers and publishers made as they selected which works would be reproduced and how they would be presented to various audiences Six essays set the reproductions in historical context and consider the challenges presented by works in various media and with varying degrees of accessibility while a seventh considers how published verbal descriptions competed with visual reproductions Rather than concentrating on the intentions of the artist Barnes treats the prints as important indicators of the use of and public reaction to Michelangelo's works Emphasizing reception and the construction of history her approach adds to the growing body of scholarship on print culture in the Renaissance The

volume includes a comprehensive checklist organized by the work reproduced The Sonnets of Michelangelo Michelangelo Buonarroti, 2002 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **Michelangelo** Georg Brandes, 1963 The first English translation of a famed biography by the Danish scholar based on the German edition **Michelangelo** Carmen C. Bambach, Claire Barry, Francesco Caglioti, Caroline Elam, Marcella Marongiu, Mauro Mussolin, 2017-11-05 Consummate painter draftsman sculptor and architect Michelangelo Buonarroti 1475 1564 was celebrated for his disegno a term that embraces both drawing and conceptual design which was considered in the Renaissance to be the foundation of all artistic disciplines To his contemporary Giorgio Vasari Michelangelo was the divine draftsman and designer whose work embodied the unity of the arts Beautifully illustrated with more than 350 drawings paintings sculptures and architectural views this book establishes the centrality of disegno to Michelangelo's work Carmen C Bambach presents a comprehensive and engaging narrative of the artist's long career in Florence and Rome beginning with his training under the painter Domenico Ghirlandaio and the sculptor Bertoldo and ending with his seventeen year appointment as chief architect of Saint Peter's Basilica at the Vatican The chapters relate Michelangelo's compositional drawings sketches life studies and full scale cartoons to his major commissions such as the ceiling frescoes and the Last Judgment in the Sistine Chapel the church of San Lorenzo and its New Sacristy Medici Chapel in Florence and Saint Peter's offering fresh insights into his creative process Also explored are Michelangelo's influential role as a master and teacher of disegno his literary and spiritual interests and the virtuoso drawings he made as gifts for intimate friends such as the nobleman Tommaso de Cavalieri and Vittoria Colonna the marchesa of Pescara Complementing Bambach's text are thematic essays by leading authorities on the art of Michelangelo Meticulously researched compellingly argued and richly illustrated this book is a major contribution to our understanding of this timeless artist **Michelangelo** Philip Wilkinson, 2006 An illustrated biography of Michelangelo the Italian Renaissance painter and sculptor The Yellow House Martin Gayford, 2009-10-14 This chronicle of the two months in 1888 when Paul Gauguin shared a house in France with Vincent Van Gogh describes not only how these two hallowed artists painted and exchanged ideas but also the texture of their everyday lives Includes 60 B W reproductions of the artists paintings and drawings from the period The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Michelangelo and the Sistine Chapel Andrew Graham-Dixon, 2009-01-01 The story behind the timeless Renaissance revealed

Young Michelangelo John T. Spike, 2012-08-01 In this biography the author of the acclaimed Caravaggio examines the relationships that shaped Michelangelo's first thirty years. In this compelling account renowned art historian John Spike paints a vivid portrait of one of the world's greatest artists and the places and people Lorenzo de' Medici, Leonardo Machiavelli that inspired and defined his early life and career. Spike's masterful text probes the thinking, evolution and desires of a young man whose awareness of his exceptional talent never wavered. Michelangelo's complex personality is revealed through lively examinations of the Pietà, the David and all other major works. Drawing on a rich background of Italian Renaissance politics and culture, Spike deftly navigates the fiery Florentine master's struggle to surpass da Vinci's artistic mastery and his troubled relationships with Julius II and other key figures of the era. Praise for Young Michelangelo: Spike, an art historian, curator and critic, has done some impressive research to flesh out the early years of the artist's life right up until his return to Rome in 1508 to focus on a commission in the Sistine Chapel. The young sculptor's daunting talent and quest to earn as much money as possible are woven into the story of the Italian Renaissance and the outsized figures of the age. The Washington Post: Spike crystallizes historical detail into vivid, memorable imagery. Alternating between accounts of the turbulent political atmosphere and details of Michelangelo's most private moments in the sculpture studio, Spike creates a rich narrative that promises more intrigue than the best adventure novel. Publishers Weekly: Such a comprehensive account of the master's early life and rise to fame amid the political upheaval in the Papal States and Florentine Republic. Art Auction

The Life Of Michelagnolo Bvonnarroti Ascanio Condivi, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Michelangelo, 1963 **Michelangelo, Life, Letters, and Poetry** George Bull, 1999 The poems have been rendered into vigorous contemporary English. A selection of Michelangelo's letters, many of them to important contemporaries such as Vasari and Duke Cosimo, is accompanied by the Life of the great artist written by his pupil Ascanio Condivi.

Michelangelo and His Drawings Michael Hirst, 1988 Michelangelo's Poetry Glauco Cambon, 2014-07-14 Glauco Cambon asserts the independent significance of Michelangelo's poetry vis-à-vis his overwhelming contribution to the visual arts while also investigating the formal and thematic relations of his writing to his sculpture and paintings. Originally published in 1986, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the

original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
