The Terroir of Whiskey Rob Arnold, 2020-12-22 Look at the back label of a bottle of wine and you may well see a reference to its terroir the total local environment of the vineyard that grew the grapes from its soil to the climate Winemakers universally accept that where a grape is grown influences its chemistry which in turn changes the flavor of the wine A detailed system has codified the idea that place matters to wine So why don't we feel the same way about whiskey In this book the master distiller Rob Arnold reveals how innovative whiskey producers are recapturing a sense of place to create distinctive nuanced flavors He takes readers on a world tour of whiskey and the science of flavor stopping along the way at distilleries in Kentucky New York Texas Ireland and Scotland Arnold puts the spotlight on a new generation of distillers plant breeders and local farmers who are bringing back long forgotten grain flavors and creating new ones in pursuit of terroir In the twentieth century we inadvertently bred distinctive tastes out of grains in favor of high yields but today's artisans have teamed up to remove

themselves from the commodity grain system resurrect heirloom cereals bring new varieties to life and recapture the flavors of specific local ingredients The Terroir of Whiskey makes the scientific and cultural cases that terroir is as important in whiskey as it is in wine *European Elites and Ideas of Empire, 1917-1957* Dina Gusejnova, 2016-06-16 Explores European civilisation as a concept of twentieth century political practice and the project of a transnational network of European elites This title is available as Open Access *The Making and Circulation of Nordic Models, Ideas and Images* Haldor Byrkjeflot, Lars Mjøset, Mads Mordhorst, Klaus Petersen, 2021-10-19 This critical and empirically based volume examines the multiple existing Nordic models providing analytically innovative attention to the multitude of circulating ideas images and experiences referred to as Nordic It addresses related paradoxes as well as patterns of circulation claims about the exceptionality of Nordic models and the diffusion and impact of Nordic experiences and ideas Providing original case studies the book further examines how the Nordic models have been constructed transformed and circulated in time and in space It investigates the actors and channels that have been involved in circulating models journalists and media bureaucrats and policy makers international organizations national politicians and institutions scholars public diplomats and analyses where and why models have travelled Finally the book shows that Nordic models perspectives or ideas do not always originate in the Nordic region nor do they always develop as deliberate efforts to promote Nordic interests This book will be of key interest to Nordic and Scandinavian studies European studies and more broadly to history sociology political science marketing social policy organizational theory and public management The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *The Return of Traditional Food* Patricia Lysaght, 2013 [The 'Made in Germany' Champion Brands](#) Ugesh A.
