Swiss culture A natural and brilliant teacher Nexhi then uses her hard won knowledge to help other displaced women learn the language in turn bolstering their confidence and emboldening them to start over and make new lives for themselves and their families Reflecting on the lessons of her childhood and the wonderful example set before her Angela is inspired by her mother s efforts to bridge the divide between cultures a lifetime of work that will have a lasting legacy and by her abiding belief in love despite being married three times twice to the same man As much a tribute to the author s beloved mother as it is a personal memoir Love Hope Light is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity My mother s life experiences have shown me that I must not cower before the unknown Being fearless means seizing opportunities wherever they exist Being fearless means never allowing people or circumstances to get in the way of your goals Being fearless means loving like you ve never been hurt before Being fearless means forging a path through darkness to arrive at the light
