Mathisen, Danuta Shanzer, 2012-07-04 This volume highlights the heretofore largely neglected Battle of Vouill in 507 CE when the Frankish King Clovis defeated Alaric II the King of the Visigoths Clovis victory proved a crucial step in the expulsion of the Visigoths from Francia into Spain thereby leaving Gaul largely to the Franks It was arguably in the wake of Vouill that Gaul became Francia and that France began The editors have united an international team of experts on Late Antiquity and the Merovingian Kingdoms to reexamine the battle from multiple as well as interdisciplinary perspectives The contributions address questions of military strategy geographical location archaeological footprint political background religious propaganda consequences both in Francia and in Italy and significance There is a strong focus on the close reading of primary source material both textual and material secular and theological **The Beast in the Boudoir** Kathleen Kete, 2023-11-15 Kathleen Kete s wise and witty examination of petkeeping in nineteenth century Paris provides a unique window through which to view the lives of ordinary French people She demonstrates how that cliché of modern life the family dog reveals the tensions that modernity created for the Parisian bourgeoisie Kete s study draws on a range of literary and archival sources from dog care books to veterinarians s records to Dumas s musings on his cat The fad for aquariums attitudes toward vivisection the dread of rabies the development of dog breeding all are shown to reflect the ways middle class people thought about their lives Petkeeping says Kete was a way to imagine a better more manageable version of the world it relieved the pressures of contemporary life and improvised solutions to the intractable mesh that was post Enlightenment France The faithful affectionate family dog became a counterpoint to the isolation of individualism and lack of community in urban life By century s end however animals no longer represented the human condition with such potency and even the irascible autonomous cat had been rehabilitated into a creature of fidelity and affection Full of fascinating details
