Lodes, 2008 **Paul Robeson and the Cold War Performance Complex** Tony Perucci, 2012-04-18 Actor and singer Paul Robeson s performances in *Othello* *Show Boat* and *The Emperor Jones* made him famous but his midcentury appearances in support of causes ranging from labor and civil rights to antilynching and American warmongering made him notorious When Robeson announced at the 1949 Paris Peace Conference that it was unthinkable for blacks to go to war against the Soviet Union the mainstream American press declared him insane Notions of Communism blackness and insanity were interchangeably deployed during the Cold War to discount activism such as Robeson s just a part of an array of social and cultural practices that author Tony Perucci calls the Cold War performance complex Focusing on two key Robeson performances the concerts in Peekskill New York in 1949 and his appearance before the House Committee on Un American Activities in 1956 Perucci demonstrates how these performances and the government s response to them are central to understanding the history of Cold War culture in the United States His book provides a transformative new perspective on how the struggle over the politics of performance in the 1950s was also a domestic struggle over freedom and equality The book closely examines both of these performance events as well as artifacts from Cold War culture including congressional documents FBI files foreign policy papers the popular literature on mental illness and government propaganda films to study the operation of power and activism in American Cold War culture **The Ultimate Book of March Madness** Tom Hager, 2012-10-21 Every March millions of Americans have their minds fixated on one thing the NCAA men s basketball tournament From bracket pools in offices worldwide to students on campuses in all corners of the nation March Madness takes the country by storm From the First Four to the Final Four collegiate heavyweights such as Duke and North Carolina Kansas and Kentucky Indiana and Michigan Texas and UCLA mix it up with Cinderella underdogs such as VCU George Mason and Penn reminding the world that anything is possible The magic of the tournament and the purity of the amateur game keep fans coming back year after year From the birth of the tournament in 1939 to the most recent on court

Madness Marya Hornbacher, 2009-04-01 In the vein of An Unquiet Mind comes a storm of a memoir that will take you deep inside bipolar disorder and change everything you know When Marya Hornbacher published her first book Wasted A Memoir of Anorexia and Bulimia she did not yet have the piece of shattering knowledge that would finally make sense of the chaos of her life At age twenty-four Hornbacher was diagnosed with Type I rapid cycle bipolar the most severe form of bipolar disorder In Madness in her trademark wry and utterly self-revealing voice Hornbacher tells her new story Through scenes of astonishing visceral and emotional power she takes us inside her own desperate attempts to counteract violently careening mood swings by self-starvation substance abuse numbing sex and self-mutilation How Hornbacher fights her way up from a madness that all but destroys her and what it is like to live in a difficult and sometimes beautiful life and marriage where bipolar always beckons is at the center of this brave and heart-stopping memoir Madness delivers the revelation that Hornbacher is not alone millions of people in America today are struggling with a variety of disorders that may disguise their bipolar disease And Hornbacher's fiercely self-aware portrait of her own bipolar as early as age four will powerfully change too the current debate on whether bipolar in children actually exists New York Times Humorous articulate and self-aware A story that is almost impossible to put down With the same intimately revelatory and shocking emotional power that marked Wasted Hornbacher guides us through her labyrinth of psychological demons Elle
