Grosz,Kirsten Grosz,2001 The Kindertransport Quilts are a form of folk art which allows multiple artists each with their own artistic expression to produce a work with a unifying theme Each square expresses its creator s view of the Kindertransport experience pictures of the past fears and nightmares memorials to lost family They express traumatic childhood experiences as recalled with the perspective of maturity We are grateful to Kirsten Grosz for having produced these quilts touching and artistic reminders of the Holocaust p 7      *Shores Beyond Shores* Irene Hasenberg Butter,John D Bidwell,Kris Holloway,2019-09-17 Irene s first person Holocaust memoir *Shores Beyond Shores* is an account of how the heart keeps its common humanity in the most inhumane and turbulent of times Irene s childhood is cut short when she and her family are deported to Nazi controlled prison camps and finally Bergen Belsen where she is a fellow prisoner with Anne Frank Later forbidden from speaking about her experiences by the American relatives who cared for her Irene is now making up for lost time Irene has shared the stage with peacemakers such as the Dalai Lama Desmond Tutu and Elie Wiesel and she considers it her duty to tell her story now and on behalf of the six million other Jews who have been permanently silenced Book long description Irene Butter s memoir of her experiences before during and after the Holocaust is not a recounting of misery and tragedy rather it is the genuine story of a girl coming to terms with a terrible event and choosing to view herself as a survivor instead of a victim When the Dutch police knock on their door Irene and her family are forced to leave their home and board trains meant for cattle They are taken to Nazi controlled prison camps and finally to Bergen Belsen where Irene is a fellow prisoner with Anne Frank With limited access to food shelter and warm clothing Irene s family needs nothing short of a miracle to survive Irene s memoir tells the story of her experiences as a young girl before during and after the Holocaust highlighting how her family came to terms with the catastrophe and how she over time came to view herself as a survivor rather than a victim Throughout the book her first person account celebrates the love and empathy that can persist even in the most inhumane conditions Irene s words send a poignant message against hate at a time when anti Semitic fascist and xenophobic movements around the globe are experiencing a resurgence Irene through her book reminds us of the impact one
