Michigan Railroad Lines:

Michigan Railroad Lines Graydon M. Meints, 2005 Eighty years ago the Michigan Railroad Commission published a book detailing the construction of the state's railroads to that time Meints has now compiled the sequel to the 1919 edition including the development ownership and mileage of the state's rail system Michigan Railroad Lines covers each of Michigan's steam and electric railroads detailing every main and branch line of every railroad corporation that operated in the state by giving the stations and mileage of each This detail also includes a list of the owners of each line A chronology of the construction and abandonment of each line is included along with the changes in its mileage For each railroad company there is a summary of all of the construction and abandonment and changes of mileage throughout its corporate life The mileage of each company is brought together in a year by year table of railroad mileage in the state A set of maps for each county in the state as well as several more detailed city maps show the extent of Michigan's railroad network [Railroads for Michigan](#)

Graydon M. Meints, 2013 In this thoroughly researched history Graydon Meints tells the fascinating story of the railroad's arrival and development in Michigan The railroad would come to play a role in almost every critical event in Michigan's nineteenth and early twentieth century history before beginning to wane following the arrival of the automobile Looking ahead to the future of the railroad in the Great Lakes region Meints assesses the strengths and shortcomings of this revolutionary invention **Michigan Railroads & Railroad Companies** Graydon M. Meints, 1993-01-31 Michigan

Railroads and Railroad Companies is an invaluable reference manual for everyone interested in regional transportation history the history of railroading and Michigan history in general It contains complete cross referenced listings for every company formed to operate a railroad in the state of Michigan In addition to the comprehensive entries for major lines Graydon Meints has included details about the many small common carrier steam and electric companies logging roads and numerous other primitive and contemporary rail systems This encyclopedic reference guide also contains information on the so called paper railroads companies that were projected but which never laid a foot of track Michigan Railroads is divided into three parts One includes alphabetical entries for the actual and intended railroad companies themselves the date and purpose for their organization and a brief history from their origins to their dispositions Included in this portion of the work are a number of railroad family trees showing the corporate antecedents of the largest of the rail lines operating in the state today Another contains a chronology of significant corporate events it works as a useful finding aid for accessing source data contained in the first section A third contains a statewide county by county listing of railroads both paper and real *The*

Meints, 2018 The Lomax years 1849 1866 The Edgerton years 1866 1873 The completion to Petoskey 1869 73 The Continental Improvement Company The Hughart years part 1 1874 1883 The Hughart years part 2 1884 1895 The Pennsylvania years 1896 1920 Epilogue [The Underground Railroad in Michigan](#) Carol E. Mull, 2014-01-10 Though living far north of the Mason Dixon line many mid nineteenth century citizens of Michigan rose up to protest the

moral offense of slavery they published an abolitionist newspaper and founded an anti slavery society as well as a campaign for emancipation By the 1840s a prominent abolitionist from Illinois had crossed the state line to Michigan establishing new stations on the Underground Railroad This book is the first comprehensive exploration of abolitionism and the network of escape from slavery in the state First person accounts are interwoven with an expansive historical overview of national events to offer a fresh examination of Michigan s critical role in the movement to end American slavery

Copper Country Rail George E. Anderson, Richard E. Taylor, 2008 From the railroads beginnings in the early 1870s to the complex rail network of the 1900s the advance and decline of the copper industry in Michigan s Upper Peninsula was mirrored by the railroads that served it With the abandonment in 1976 of the Houghton tracks of the Soo Line formerly the Mineral Range Duluth South Shore and Atlantic Copper Country was once again without the railroad service that built it This book seeks to tell this rich story of Copper Country railroads through a collection of pictures from various archival sources including the authors personal collections the Houghton County Historical Society Keweenaw County Historical Society the Rudolf Maki collection the Chuck Pomazal collection the Michigan Technological University Van Pelt Library Archives and the National Park Service archives

A Railroad Atlas of the United States in 1946 Richard C. Carpenter, 2003 Little now remains of the vast network of passenger and freight railroad lines that once crisscrossed much of eastern and midwestern America but in 1946 the steam locomotive was king This is a record of a time when traveling out of town meant for most Americans taking the train

Michigan Railroad Plan, Annual Update Michigan. Department of Transportation, 1982

Detroit's Street Railways Kenneth Schramm, 2006 Detroit s Street Railways tells the story of public transportation in the Motor City Dating back to 1863 when horse drawn streetcars serviced the citizenry public transportation in Detroit has a proud and colorful history Early on a host of streetcar companies carried Detroiters about their daily business This period was followed by consolidation into one company the Detroit United Railway and later the establishment of the municipally owned Department of Street Railways The Department of Street Railways established May 15 1922 inherited a vast system of streetcar lines throughout Detroit the first city in the United States to establish municipally owned transit system It was a leader and innovator in the transit industry with continued streetcar service until April 8 1956 when the last streetcars on Woodward Avenue were replaced by buses When the Department of Street Railways began coach operations in 1925 the intent was to provide feeder service to the established streetcar lines as expansion costs were prohibitive Sadly the program implemented to complement the city s streetcar operations led to the demise of the streetcar as the principal mode of transportation in the Motor City

Colton's Common School Geography Joseph Hutchins Colton, 1878

Pere Marquette Graydon M. Meints, 2020 The Pere Marquette Railroad was formed in 1900 as the merger of three Michigan railroad companies This work considers the nineteenth century predecessors of the three companies the reason for building the parts of the system the success of the parts and their predecessors and eventual need of the companies to consolidate
