The Founding Mothers of Mackinac Island Theresa L. Weller, 2021-08-01 Drawing on a wide array of historical sources Theresa L Weller provides a comprehensive history of the lineage of the seventy four members of the Agatha Biddle band in 1870 A highly unusual Native and Métis community the band included just eight men but sixty six women Agatha Biddle was a member of the band from its first enumeration in 1837 and became its chief in the early 1860s Also unlike most other bands which were typically made up of family members this one began as a small handful of unrelated Indian women joined by the fact that the US government owed them payments in the form of annuities in exchange for land given up in the 1836 Treaty of Washington DC In this volume the author unveils the genealogies for all the families who belonged to the band under Agatha Biddle's leadership and in doing so offers the reader fascinating insights into Mackinac Island life in the nineteenth century *The Detroit Almanac* Peter Gavrilovich, Bill McGraw, 2006

Women Philosophers Volume II Dorothy G. Rogers, 2021-04-08 Tackling the intellectual histories of the first twenty women to earn a PhD in philosophy in the United States this book traces their career development and influence on American intellectual life The case studies include Eliza Ritchie Marietta Kies Julia Gulliver Anna Alice Cutler Eliza Sunderland and many more Author Dorothy Rogers looks at the factors that led these women to pursue careers in academic philosophy examines the ideas they developed and evaluates the impact they had on the academic and social worlds they inhabited Many of these women were

active in professional academic circles published in academic journals and contributed to important philosophical discussions of the day the question of free will the nature of God in relation to self and how to establish a just society The most successful women earned their degrees at women friendly institutions yet a handful of them achieved professional distinction at institutions that refused to recognize their achievements at the time John Hopkins and Harvard are notable examples The women who did not develop careers in academic philosophy often moved to careers in social welfare or education Thus whilst looking at the academic success of some this book also examines the policies and practices that made it difficult or impossible for others to succeed
