## **Mickey Mantle An Appreciation:**

**Mickey Mantle** Mickey Herskowitz,1995 He was larger than life on a ball field and as it turned out larger than death when he touched a nation's heart in the face of his fatal illness This was Mickey Mantle described by many as the last great player on baseball's last great team the New York Yankees of the 1950s and early 1960s He was cheered and imitated and loved in a way that no player may be again a country kid out of Oklahoma who began his career with good legs and made it to the Hall of Fame on two gimpy ones Had he stayed healthy there's no telling what level of baseball greatness he could have achieved As it was he hit 536 home runs set records won games with a dramatic flair and became a legend Mantle and the Yankees went to the World Series in twelve of his first fourteen seasons a feat that isn't likely to be repeated In a series of vignettes and anecdotes that are touching and funny and genuine is a portrait of Mickey Mantle that captures the two sides of him the hero who was human the icon with a touch of Peck's Bad Boy **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Mickey and Willie** Allen Barra,2014-04-01 Acclaimed sportswriter Allen Barra exposes the uncanny parallels and lifelong friendship between two of the greatest baseball players ever to take the field Culturally Mickey Mantle and Willie Mays were light years apart Yet they were nearly the same age and almost the same size and they came to New York at the same time They possessed virtually the same talents and played the same position They were both products of generations of baseball playing families for whom the game was the only escape from a lifetime of brutal manual labor Both were nearly crushed by the weight of the outsized expectations placed on them first by their families and later by America Both lived secret lives far different from those their fans knew What their fans also didn't know was that the two men shared a close personal friendship and that each was the only man who could truly understand the other's experience **Mickey Mantle, the American Dream Comes to Life** Mickey Mantle,Lewis Early,2002

Jennison,2012-06-15 Renowned artist Andy Jurinko believed the golden age of baseball was 1946-1960 an era that not coincidentally coincided with his childhood It was a time that welcomed such legendary stars as Willie Mays Mickey Mantle Jackie Robinson Ted Williams and Henry Aaron into the national consciousness a fifteen year stretch marked by Robinson's breaking of the color barrier in 1947 and by ten Yankee championships Jurinko spent twenty years creating more than 600 portraits of the colorful characters and stadiums that typify this era all collected here for the first time in Golden Boys With illuminating text by sportswriter Christopher Jennison Golden Boys is the definitive artistic portrait of a remarkable time in American sports history     **Perfect, Once Removed** Phillip Hoose,2009-05-26 In the winter of 1956 Phillip Hoose was a

gawky uncoordinated 9 year old boy just moved to a new town Speedway Indiana and trying to fit into a new school and circle of friends Baseball was his passion even though he was terrible at it and constantly shamed by his lack of ability But he had one thing going for him that his classmates could never have his second cousin was a pitcher for the New York Yankees Don Larsen wasn't a star but he was in the Yankees rotation And on October 8 1956 he pitched perhaps the greatest game that has ever been pitched a perfect game 27 batters up 27 out against the Brooklyn Dodgers in the World Series It forever changed Phil's life Perfect Once Removed recalls with pitch perfect clarity the angst and jubilation of Phil Hoose's 9th year To be published on the 50th anniversary of The Perfect Game it will be one of the best baseball books of 2006     **Impact**

**Player** Bobby Richardson,2012-08-17 Former Yankee Bobby Richardson played alongside Mickey Mantle Roger Maris Whitey Ford Joe Pepitone and Yogi Berra during one of the most prolific dynasties in baseball history and he remains to this day the only player from the losing team ever to be named World Series MVP In Impact Player Bobby shares his life story including never before told tales from the Yankee clubhouse during the historic 55-65 pennant runs and World Series appearances The book also features the unlikely friendship Richardson a devout and outspoken Christian shared with Yankee legend and renowned drinker and womanizer Mickey Mantle The perfect combination of faith and baseball Impact Player offers a rare glimpse into one of the most celebrated dynasties in the history of the game and it paints a fascinating portrait of a life well lived and the lasting rewards that come from knowing and loving God     *Clemente* The Clemente Family,2013-09-24

Baseball great family man humanitarian the life and enduring legacy of Roberto Clemente as told by his family With a swift bat and fierce athleticism Roberto Clemente intimidated major league pitchers for eighteen seasons compiling three thousand hits His legs were among the quickest of his era His throwing arm was one of the strongest gunning down base

runners from right field with incredible frequency He would spend a career fighting for respect and finally achieve it after a historic World Series performance and a second half of a career that would have him mentioned with greats like Jackie Robinson Hank Aaron Willie Mays and Mickey Mantle But what Roberto Clemente did off the field made him an equally great humanitarian One of the first athletes who understood how the power of sports could be used to transform not just a handful of lives but many thousands of them he would die following his heart and conscience by helping others Clemente was on an aircraft loaded with supplies for an earthquake stricken Nicaragua when the plane crashed in the Atlantic Ocean Forty years after that tragic day the widow and sons of this regal athlete and consummate humanitarian open up for the first time about the husband and father they lost Featuring an extensive array of rare and never before seen photos of Clemente on the field and off this powerful memoir tells his inspiring story from the voices of those who knew him best INCLUDES PHOTOS

**My 1961** Andy Strasberg, 2021-04-26 What Would Dad Say? John Nitti, 2021-09-24

What Would Dad Say provides motivation and advice supported by stories relating to family friendship love marriage athletics education health fitness career planning money religion and death Rules of life were developed by author John Nitti based on years of experience in a multitude of settings from growing up in a diverse town on Long Island to Yale University His background also includes time in the NFL and on Wall Street He utilized his knowledge and experience to raise four successful children with his wife Pat and is now sharing that in this book Lessons learned from college professors to high powered business executives from well known sports figures and team owners to entertainers from ancient Greek philosophers to political leaders and from the very rich to the homeless are all shared Evidence relating to everything from formulas for success to avoiding the pitfalls associated with regrettable failures provide helpful practical examples Life experiences and crossroads are shared in order to help others optimize their success and happiness The original target audience was solely John's four children he wanted them to understand his outlook on life and some keys to success and happiness just in case anything happened to him His thoughts of mortality were reinforced after the death of a friend and then crystalized when his brother in law firefighter Brian McAleese died in the World Trade Center during the terrorist attacks on September 11 2001 As Father Mychal Judge the New York City Firefighters chaplain who died when the World Trade Center collapsed said right before the attack If you want to make God laugh tell him what you're going to do tomorrow While many of the rules are based on proven experiences scientific evidence or specific facts are not provided in detail There is plenty of research material that can always be referenced There are also many books that are dedicated entirely to almost every subject that is addressed in only a single rule within these pages But What Would Day Say is purposely simple and broad in order to cover a wide range of subjects and be memorable It captures thoughts in the same way that one would be forced to answer on the spur of the moment delivered in a casual conversational style One may lead a good life by following these simple rules Some of the rules are obvious but we all need to be reminded Others are more intuitive Still others would perhaps cause quite a debate regarding their validity But they have worked And just as children listen to some guidance and disregard the rest so will anyone who reads this book adhere only to some of these rules and forget the others For in the end it's their choice and their life We can't tell people what to do but we can help them learn from experience and foresee the

consequences of their actions It is hoped What Would Dad Say will provide that for you
