Animated Personalities David McGowan asserts that iconic American theatrical short cartoon characters should be legitimately regarded as stars equal to their live action counterparts not only because they have enjoyed long careers but also because their star personas have been created and marketed in ways also used for cinematic celebrities Drawing on detailed archival research McGowan analyzes how Hollywood studios constructed and manipulated the star personas of the animated characters they owned He shows how cartoon actors frequently kept pace with their human counterparts granting interviews allowing candid photographs endorsing products and generally behaving as actual actors did for example Donald Duck served his country during World War II and Mickey Mouse was even embroiled in scandal Challenging the notion that studios needed actors with physical bodies and real off screen lives to create stars McGowan demonstrates that media texts have successfully articulated an off screen existence for animated characters Following cartoon stars from silent movies to contemporary film and television this groundbreaking book broadens the scope of star studies to include animation concluding with provocative questions about the nature of stardom in an age of digitally enhanced filmmaking technologies

Four stories about a coward and racist man throughout different events in some period of his life The events unfortunate are put in a comedic fashion to tell the story **My Life As A Spy** Leslie Woodhead,2012-12-13 An award winning and highly distinguished documentary film maker Leslie Woodhead has written a funny sad and highly atmospheric memoir of what it was like to be hurled into maturity amidst the peculiar circumstances of the Cold War In the spring of 1956 like two million other men of his generation the eighteen year old Leslie Woodhead received a summons to serve Her Majesty Charting his progress from the austerity of post war Halifax via comically bleak RAF training camps and the grim isolated Joint Services School for Linguistics My Life As A Spy takes us finally to Berlin and the front line of the Cold War In the ruins of a city gripped by espionage and paranoia Leslie Woodhead discovered adulthood and his vocation as an observer and documenter of people A slice of Cold War history and a poignant tale of how our lives can be formed by events and experiences we barely comprehend at the time a delightfully irreverent memoir Woodhead s memories exude a wonderful sense of nostalgia for a world of lost innocence that to anyone over 60 is instantly recognisable Sunday Times [My Life Is His Testimony](#) Coria Brock,2021-01-13 In this world you will have trouble But take heart I have overcome the world John 16 33b NIV I could not understand the cruelty of this world or why I even needed to endure it until I came to know Christ and my understanding was changed Before I knew Him I grew up in an abusive environment believed in Buddhism was an alcoholic was a single parent but worst of all I thought I was nothing more than a piece of rubbish I made countless wrong decisions endured terrible relationships and I thought I could change my life with my own hands But in the end I had to accept that I was hopeless But then Jesus came and met me just as He came to the woman at the well John 4 He showed Himself to me and in His power He healed me in a miraculous way In one second the damage that I had brought to my body was fixed as though I were brand new Jesus has continuously shown me His glory giving me an understanding of life and carrying me through mountains and seas As I have walked along the path toward Christ He has proved through my life that the word of God is true and never fails He has proved that God is love and He is alive Now I no longer believe that I am rubbish or that I am unworthy unloved or hopeless Instead I know that I have been reborn into a new creation and I know that I am made to be His rose and His pearl This may be my life story but it
