Shank, 2006-02-20 It all started back in 1995 shortly before Christmas I felt inspired to write a Christmas story so I did In all truthfulness it tore me up to write it because my vision was not limited to my words It made me remember what Christmas was really all about At that time I decided to write a story each year for Christmas and give copies out as gifts Each year the recipients of my stories would encourage me to publish them ten years later I now have enough stories and lack reasons not to So I offer a collection of what I call for lack of a better title Holiday Stories They carry a decided Christian slant and hopefully give reason to be thankful Hopefully they bring as much joy as sadness and a lot of thought moments It's difficult to say the least to try to describe this mixed bag of stories especially when you know it's only through the help of the Lord that the ideas and stories came into being There is a similar central theme to many of the stories There is that common thread of spirituality in the message of each story The stories all are to bring a remembrance of Jesus Christ and what he did for sinful humankind The stories are to illustrate a higher and purer love in sacrificial action in a world that we are all too familiar with I hope you will enjoy these stories as much as I enjoyed writing them And I pray the Lord that my words will convey the vision that I was granted when I wrote them **New York Magazine** ,1995-11-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Bookseller & Stationer and Office Equipment Journal* ,1921 *New York Magazine* ,1995-12-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Boys' Life** ,1946-05 Boys Life is the
