The Price You Pay Jim Fusilli, 2024-01-22 A crime thriller coming of age story and a family saga *The Price You Pay* unravels in mid 1970s Jersey City a crumbling town where violence and coercion reign Young Mickey Wright is thrust into a world controlled by a powerful Teamster local associated with the Genovese crime syndicate The man who puts him in jeopardy his father a free wheeling policeman well known to Jersey City's politicians and drug dealers When a Black trucker is murdered Mickey is forced to choose between loyalty to family and the Teamsters or to values he shares with Debbie Olsen the love of his young life who is the daughter of a solidly middle class family Memorable appearances by Mickey's sister who is broken by her father's foul will and memories of their late mother haunt the story The question of whether Mickey can stand tall break free and live a worthy life of his choosing isn't answered until a final shocking confrontation *The Price You Pay* is rich with vivid

details and the kind of propulsive yet compassion storytelling that defines Fusilli's career as one of today's most admired mystery writers. As in his novels *Narrows Gate* and *The Mayor of Polk Street* he proves once again that he knows how danger can explode when the mob, police and politics are intertwined. As for Mickey and Debbie there is a way out. Will they survive to take it? Critical Acclaim for *The Price You Pay*. Jim Fusilli has done a lot of good writing in his time but *The Price You Pay* is his best book. It's everything you want urban crime fiction to be: taut, seriously suspenseful, closely observed, wry and very knowing about the way the real world works. I started off admiring the precision of the writing and then found the pages flying. I was going to say George V Higgins, the author of *The Friends of Eddie Coyle* would have liked this novel. But then again he might have just been pissed that he didn't write it himself. Peter Blauner, author and screenwriter. With *The Price You Pay*, Jim Fusilli gives us a tough and heartfelt coming-of-age crime story, gritty, suspenseful, involving. The characters pop and ache and burn. Mickey Wright is memorable. Meg Gardiner, 1 New York Times bestselling author. Critical Acclaim for Jim Fusilli. Superior. This courageous and original writer works against the grain of expectations, looking to make our experience not easy but illuminative and true. Boston Globe. Fusilli writes with poetic intensity. Kirkus Reviews. Fusilli is a master of his craft, each line brimming with his sense of urban life and nail-biting suspense. His prose is diamond-bright and conjures up a realm you cannot forget. Providence Journal. *Disney and Philosophy*, 2019-12-04. Take a magic carpet ride through Disney's wonderful world of films and entertainment experiences and discover the wisdom within its most popular and enduring stories. Philosophy begins in wonder and there's no question that Disney's immersive worlds and iconic characters have enchanted generations of children and adults alike, inviting us to escape the mundane into a world of fantasy, imagination and infinite possibility. In *Disney and Philosophy*, essays from thirty-two deep-thinking Disneyphiles chart a course through the philosophical world of Disney, tapping into the minds of the great sages of the ages: Plato, Aristotle, Confucius, Descartes and Goofy, to explore universal questions of freedom, personal identity, morality, family and friendship. Can Sleeping Beauty know that she's not dreaming? Does turning our emotions and memories inside out tell us who we are? What can Toy Story and Wall-E teach us about being human? Is *hakuna matata* really such a problem-free philosophy? If you've ever asked who you are, what is right or what your purpose is, *Disney and Philosophy* will spark your curiosity and imagination with a whole new world of unexpected insight into the Magic Kingdom. *The Complete Book of Pickups & Vans*, Miles Schofield, 1972. **Mickey Mantle's Greatest Hits**, David S. Nuttall, 1998-03. This book takes you back to majestic Yankee Stadium and other classic ball parks of the fifties and sixties.
