Microcomputer Applications For Strategic Management In Education A Case Study Approach:

Microcomputer Applications for Strategic Management in Education Craig E. Richards,1988 **What Works in Computing for School Administrators** Gary Ivory,2001-11-19 School administrators want to be better leaders strategic planners and stewards of their time and resources Gary Ivory explains that technology rather than an end in itself is a powerful tool for administrators with these goals in mind The compilation of expert advice in his book will walk the reader through presentation software spreadsheets the Internet networks and system models all with an understanding of the very practical needs of administrators For the uninitiated to whom technology appears daunting and for those who simply want to hone their organizational and leadership skills this book is a ready reference guide **Books in Print** ,1991 Resources in Education ,1997 Fiscal Leadership for Schools David C. Thompson,R. Craig Wood,David Smith Honeyman,1994 Rethinking Effective Schools James R. Bliss,William A. Firestone,Craig Richards,Craig E. Richards,1991 This volume conveys the views of educational researchers on major research on what makes effective schools the effects of trying to put those research views into practice and the relationship between school effectiveness research and current trends controversial reform policies **Computers in the Schools** Anthony G. Picciano,1994 A textbook for pre service or in service courses on computer applications for school administrators Focuses on the long range planning and implementation of total technological systems rather than individual computers or other components Considers the basic concepts and foundation planning and implementation and issues and trends Annotation copyright by Book News Inc Portland OR Bibliographic Guide to Education ,1990 Proceedings Randolph Miller,1990 The National Guide to Educational Credit for Training Programs American Council on Education,2005 Highlights over 6 000 educational programs offered by business labor unions schools training suppliers professional and voluntary associations and government agencies **Exceptional Child Education Resources** ,1992 Financing Education in a Climate of Change Percy E. Burrup,Vern Brimley,Rulon R. Garfield,1993 In 1994 Congress passed the Improving America s Schools Act Thereafter came the AMERICA 2000 and GOALS 2000 plans and the President s ten point proposal A Call to Action recommending costly national tests And now we are witness to school vouchers a burgeoning number of charter schools and the privatization of school districts The common link among these educational policies recommendations and changes is finance This book explores the all important subject of educational finance through scrutiny of both the past and present This comprehensive book examines school finance encompassing the historical economic and legal perspectives An excellent reference guide the book is written simultaneously in both a scholarly and reader friendly manner Other topics covered include lotteries choice vouchers risk management business issues for principals and the equity issue as it relates to the individual school Educational administrators teachers school board members legislators and business administrators **Energy Research Abstracts** ,1986 **Unesco List of Documents and Publications** Unesco,1987 **Subject Guide to Books in Print** ,1993

TIMS/ORSA Bulletin Institute of Management Sciences,1989 Documentation Abstracts ,1998 *Current Index to Journals in Education* ,1989 *Microcomputer Applications in Qualitative Research* Bryan Pfaffenberger,1988-10

Microcomputer Applications in Qualitative Research critically surveys the many ways microcomputers and programmes can be used to further qualitative social research The author focuses on the liabilities and benefits of using this technology for research purposes and provides a generic conceptual approach rather than a how to guide to specific computers and programmes Underlying every chapter is the conviction that microcomputer technology can only be useful in qualitative studies if its limitations including its potentially negative or constraining impact are kept in mind The impact of microcomputer technology on qualitative research is considered in its relation to society as a whole Challenges of Information Technology Management in the 21st Century Information Resources Management Association. International Conference,2000 As the 21st century begins we are faced with opportunities and challenges of available technology as well as pressured to create strategic and tactical plans for future technology Worldwide IT professionals are sharing and trading concepts and ideas for effective IT management and this co operation is what leads to solid IT management practices This volume is a collection of papers that present IT management perspectives from professionals around the world The papers seek to offer new ideas refine old ones and pose interesting scenarios to help the reader develop company sensitive management strategies
