The City of the Discreet Pío Baroja, 2022-09-16 In *The City of the Discreet* Pío Baroja weaves a narrative that scrutinizes the intricacies of human nature within the microcosm of societal norms. Baroja's prose encapsulates the early 20th century existentialist movement yet it remains distinctly grounded in the Spanish tradition delving into the conflicts between individual desire and social expectation. His keen observational detail and psychological depth offer insight into a multitude of well drawn characters casting light on the subtleties of moral and intellectual hypocrisy. This edition by DigiCat Publishing revives Baroja's masterpiece with an attentive reproduction suitable for both dedicated scholars and new readers of Spanish literary classics. Pío Baroja, a member of the esteemed Generation of 98, was a Spanish writer who masterfully chronicled the turmoil and changes in Spain following its loss of empire. His works often reflect his own disaffection and skepticism mirroring his disenchantment with the Spanish bourgeoisie and exploring themes of individualism versus collectivism. It is likely that his medical background and his perceptive observations of society significantly influenced *The City of the Discreet*, imbuing it with its characteristic authenticity and intellectual rigor. *The City of the Discreet* stands as an indispensable gem for those captivated by examinations of societal facades and the human condition. This DigiCat Publishing edition honors Baroja's intention to question and provoke, making it an essential addition to the libraries of readers who cherish introspection and challenge the world's discreet silences. It is especially recommended for admirers of existential questionings and those with an appreciation for Spanish literature's rich panorama.

The Quest Pío Baroja, 2022-08-15 DigiCat Publishing presents to you this special edition of *The Quest* by Pío Baroja. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Progressive Picture Compositions** Donn Byrne, 1967 Seven One-act Plays Donn Byrne, 1997 Starseeker Tim Bowler, 2011-11-03 Luke is in trouble. Skin and the gang have a job for him. They want him to break into Mrs Little's house and steal the jewellery box. They want him to prove that he's got what it takes. That he's part of the gang. But Luke finds more than just a jewellery box in the house. He finds something so unexpected it will change his life forever. This is a wonderful rich novel written with lyricism, drama and power. Tackling issues of loss, love and healing and filled with the sense of a universe bursting with music, it is unputdownable from the first page to the last.
