Parallel Commentary On The New Testament:

Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century *Four Views on the Book of Revelation* explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ s reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion The IVP Bible Background Commentary: New Testament Craig S. Keener, 2014-01-03 In this award winning commentary Craig Keener presents in verse by verse format the cultural background you need for responsible and richer Bible study This revised edition of the standard reference work in its field has been expanded throughout to now provide even more up to date information by one of the leading New Testament scholars on Jewish Greek and Roman culture **1 Peter** Wayne A. Grudem, 2024-08-27 Current burial practices in the West fail to confront us with the reality of death and make it harder to grieve properly Burreson and Hoeltke argue that natural burial offers a more accurate picture of Christian hope and resurrection This immensely practical guide is also an application of the hope of the resurrection to those grieving *Fortress Commentary on the Bible* Margaret P. Aymer, Cynthia Briggs Kittredge, David Arthur Sánchez, 2014 *Fortress commentary on the Bible The New Testament* by Margaret P Aymer 2014 Hellenistic Commentary to the New Testament M. Eugene Boring, Klaus Berger, Carsten Colpe, 1995 The Hellenistic Commentary to the New Testament the product of collaboration between German and American New Testament scholarship is the most complete collection of Hellenistic texts correlated to the New Testament available in English Translations of 976 texts compared with 626 in the German edition are cited that directly illustrate the religious world into which early Christianity was born Many of the texts are extensive enough to give a thorough sampling of how for instance miracle stories and birth stories of quasi divine beings were told in the Hellenistic world and how revelatory or conversion experiences were

expressed in Greco Roman religions The texts are arranged according to the canonical order of New Testament books Thorough cross references and indexes make it easy to locate texts relevant to the interpretation of any New Testament text or theme Each text is provided with annotations suggesting ways in which it might illuminate the New Testament text Furthermore the new introduction to the English edition specifies ways in which the treasures of these texts might be unlocked as well as pointing to dangers in their superficial use The original German introduction provides helpful categories for the application of these texts to New Testament interpretation BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Revelation* Grant R.
