Parallel Life And Other Stories:

A Parallel Life and Other Stories Robin Beeman, 2014-04-08 The acclaimed author of *The Lost Art of Desire* explores grief and longing in the face of illness in this delicate atmospheric story collection Kirkus In the ten spare yet surprising stories in this collection Robin Beeman delves into the inner lives of ordinary women revealing their passions and frustrations with the limitations of life In *Life Signs* a dying woman spends her final days camping on a beach with her husband A man facing the death of his dog relives the traumatic loss of his father in *Secrets* And in the title novella a married librarian gets romantically involved with an insurance salesman whose wife is struggling with cancer **Parallel Lives** Phyllis

Rose, 2010-09-22 In her study of the married couple as the smallest political unit Phyllis Rose uses the marriages of five Victorian writers who wrote about their own lives with unusual candor Charles Dickens John Ruskin Thomas Carlyle John Stuart Mill and George Eliot n e Marian Evans *Parallel Lives* Olivier Schrauwen, 2018-11-21 This collects six wildly

inventive short comics stories that might collectively be dubbed speculative memoir Schrauwen s deadpan depictions of his and his offspring s upcoming lives include alien abduction dialogue with future agents and coded messages in envelopes at breakfast **Parallel Stories** Péter Nádas, 2011-11-10 In 1989 the memorable year when the Wall came down a university student in Berlin on his early morning run finds a corpse lying on a park bench and alerts the authorities This classic police

procedural scene opens an extraordinary novel a masterwork that traces the fate of myriad Europeans Hungarians Jews Germans Gypsies across the treacherous years of the mid twentieth century The social and political circumstances of their lives may vary richly their sexual and spiritual longings may seem to each of them entirely unique yet Peter N das s magnificent tapestry unveils uncanny reverberating parallels that link them across time and space Three unusual men are at the heart of *Parallel Stories* Hans von Wolkenstein whose German mother is linked to dark secrets of fascist Nazi collaboration during the 1940s Gost Lippay Lehr whose influential father has served Hungary s different political regimes for decades and Andras Rott who has his own dark record of dark activities abroad They are friends in Budapest when we eventually meet them in the spring of 1961 a pivotal time in the postwar epoch and in their clandestine careers But the richly detailed dramatic memories and actions of these men like those of their friends lovers and family members range from Berlin and Moscow to Switzerland and Holland from the Mediterranean to the North Sea and of course across Hungary The ever daring ever original episodes of *Parallel Lives* explore the most intimate most difficult human experiences in a prose glowing with uncommon clarity and also with mysterious uncertainty as is characteristic of Nádas s subtle spirited art The web of extended dramas in *Parallel Stories* reaches not just forward to the transformative year of 1989 but back to the spring of 1939 with Europe trembling on the edge of war to the bestial times of 1944 45 when Budapest was besieged the final solution devastated Hungary s Jews and the war came to an end and to the cataclysmic Hungarian Revolution of October 1956 But there is much more to *Parallel Stories* than that it is a daring demanding and very moving exploration of humanity
