

Parallel Lives

3 

Enchantment

If an effect would create one or more tokens under your control, it creates twice that many of those tokens instead.

“Brave Syr Armont mused: Was the elves’ true nature that of day’s civility or night’s savagery? Could such bestial rage be bestowed by curse alone?”

—Curse of the Werefox

Parallel Lives

Olivier Schrauwen

Parallel Lives:

Parallel Lives Phyllis Rose, 2010-09-22 In her study of the married couple as the smallest political unit Phyllis Rose uses the marriages of five Victorian writers who wrote about their own lives with unusual candor Charles Dickens John Ruskin Thomas Carlyle John Stuart Mill and George Eliot n e Marian Evans Parallel Lives Olivier Schrauwen, 2018-11-21 This collects six wildly inventive short comics stories that might collectively be dubbed speculative memoir Schrauwen s deadpan depictions of his and his offspring s upcoming lives include alien abduction dialogue with future agents and coded messages in envelopes at breakfast Two Treatises On Government John Locke, *The Complete Collection of Plutarch's Parallel Lives* Plutarch, 2014-12-05 Plutarch later named on his becoming a Roman citizen Lucius Mestrius Plutarchus c 46 120 AD was a Greek historian biographer essayist and Middle Platonist known primarily for his *Parallel Lives* and *Moralia* Plutarch lived most of his life at Chaeronea and his duties as the senior of the two priests of Apollo at the Oracle of Delphi where he was responsible for interpreting the auguries of the Pythia apparently occupied little of his time He led an active social and civic life while producing an extensive body of writing much of which survived By his writings and lectures Plutarch became a celebrity in the Roman Empire At his country estate guests from all over the empire congregated for serious conversation presided over by Plutarch in his marble chair Many of these dialogues were recorded and published and the 78 essays and other works which have survived are now known collectively as the *Moralia* Plutarch s best known work is the *Parallel Lives* a series of biographies of famous Greeks and Romans arranged in pairs to illuminate their common moral virtues and vices The surviving *Lives* contain 23 pairs each with one Greek Life and one Roman Life as well as four unpaired single *Lives* Some of the *Lives* such as those of Heracles Philip II of Macedon and Scipio Africanus no longer exist many of the remaining *Lives* are truncated contain obvious lacunae or have been tampered with by later writers Extant *Lives* include those on Aristides Pericles Pompey Julius Caesar Cicero Cato the Younger Mark Antony and Marcus Junius Brutus all of which are included here **Parallel Lives** Mo Gaffney, Kathy Najimy, 2006 THE STORY In the opening scene two Supreme Beings plan the beginning of the world with the relish of two slightly sadistic suburban wives decorating a living room Once they ve decided on the color scheme of the races a little concerned that whi **A Primer on Parallel Lives** Dan Gerber, 2012-12-04 Dan Gerber tenderly reels his readers through the beautiful movie he calls the passing of time on earth in a language completely unadorned and Zen like in its quietude The thing itself carries the weight of these poems which recall the deep imagery of Vallejo Neruda and Wright Rain Taxi Dan Gerber is a master of layered bittersweet imagery In his seventh book of poems he writes of childhood misgivings and fears the oak savannah landscape of California s central coast and a near mystical relationship with nature As novelist John Nichols once wrote of Gerber s poetry Dan Gerber has an exquisitely muted yet profound understanding of tragedy love family and the haunting vagaries of nature Some Distance I wanted to be a stone in the field simply that and then I wanted to be the grass around it and then the cattle grazing under the too blue sky and then

the blue which has of itself no substance and yet goes on and on and on Dan Gerber is the author of a dozen books of poetry fiction essays and memoir He has earned the Mark Twain Award Book of the Year honors from ForeWord Magazine and inclusion in The Best American Poetry He lives in Santa Ynez California **Parallel Lives** Karl Baughman,Brook Poston,2022-06-01 This book compares selected Romans of the late Republic with American Founders in the style of Plutarch encouraging readers to rethink how we view heroes and villains and their conceptions of republicanism Through entertaining yet informative short comparisons this volume demonstrates the humanity of heroes and villains from different times and places through their often idiosyncratic similarities and differences Readers gain not only a fuller understanding of the late Roman and early American Republics and their leaders but also an appreciation for comparative biography in its ability to make connections across the human experience The book provides a way to connect two different areas of study focusing on how republicanism shaped both Romans and American Founders and providing a previously unexplored contribution to a growing trend of broadening historical exposure In doing so Baughman and Poston demonstrate the continued need for connecting different fields of history while also helping students understand their connection to the ancient past This book is suitable for students and scholars interested in the late Roman and the early American Republics and also appeals to readers of varied interests across historical times and places particularly those studying the connections between the classical past and modern world *Parallel Lives* Michael Martins,Dennis A. Binette,2010 Shed s new light on the life of Lizzie Andrew Borden and at the same time provide a unique and previously neglected look at the social history of Fall River during the nineteenth and early twentieth centuries from publisher website Parallel Lives of Jesus Edward Adams,2011-11-11 In this highly readable introduction to the Gospels Edward Adams demonstrates how the four canonical Gospels function separately as unique accounts of Jesus life and as narrative renditions of a shared story the Fourfold Gospel Building on the premise that the Gospels are ancient biographies or lives of Jesus Adams examines parallel Gospel passages highlighting the similarities and differences between them He begins by approaching the four Gospels generally then looks at each of them individually and finally considers six key Gospel passages to further explore the unity and plurality of the Gospels in a more focused way Adams s lucid prose helps to make this text ideal for beginning students of the Gospels Nehru and Bose Rudrangshu Mukherjee,2015-09-15 Nobody has done more harm to me than Jawaharlal Nehru wrote Subhas Chandra Bose in 1939 Had relations between the two great nationalist leaders soured to the extent that Bose had begun to view Nehru as his enemy But then why did he name one of the regiments of the Indian National Army after Jawaharlal And what prompted Nehru to weep when he heard of Bose s untimely death in 1945 and to recount soon after I used to treat him as my younger brother Rudrangshu Mukherjee s fascinating book traces the contours of a friendship that did not quite blossom as political ideologies diverged and delineates the shadow that fell between them for Gandhi saw Nehru as his chosen heir and Bose as a prodigal son **Hitler and Stalin** Alan Bullock,2019-12-11 Forty years after his Hitler A Study in Tyranny set a standard

for scholarship of the Nazi era Lord Alan Bullock gives readers a breathtakingly accomplished dual biography that places Adolf Hitler's origins personality career and legacy alongside those of Joseph Stalin his implacable antagonist and moral mirror image

Plutarch's >Parallel Lives Chrysanthos S. Chrysanthou, 2018-02-19 In the *Parallel Lives* Plutarch does not absolve his readers of the need for moral reflection by offering any sort of hard and fast rules for their moral judgement Rather he uses strategies to elicit readers active engagement with the act of judging This book drawing on the insights of recent narrative theories especially narratology and reader response criticism examines Plutarch's narrative techniques in the *Parallel Lives* of drawing his readers into the process of moral evaluation and exposing them to the complexities entailed in it Subjects discussed include Plutarch's prefatory projection of himself and his readers and the interaction between the two Plutarch's presentation of the mental and emotional workings of historical agents which serves to re enact the participants experience at the time and thus arouse empathy in the readers Plutarch's closural strategies and their profound effects on the readers moral inquiry Plutarch's principles of historical criticism in *On the malice of Herodotus* in relation to his narrative strategies in the *Lives* Through illustrating Plutarch's narrative technique this book elucidates Plutarch's praise and blame rhetoric in the *Lives* as well as his sensibility to the challenges inherent in recounting reading about and evaluating the lives of the great men of history

Improbable Destinies Jonathan B. Losos, 2017-08-08 A major new book overturning our assumptions about how evolution works Earth's natural history is full of fascinating instances of convergence phenomena like eyes and wings and tree climbing lizards that have evolved independently multiple times But evolutionary biologists also point out many examples of contingency cases where the tiniest change a random mutation or an ancient butterfly sneeze caused evolution to take a completely different course What role does each force really play in the constantly changing natural world Are the plants and animals that exist today and we humans ourselves inevitabilities or

evolutionary flukes And what does that say about life on other planets Jonathan Losos reveals what the latest breakthroughs in evolutionary biology can tell us about one of the greatest ongoing debates in science He takes us around the globe to meet the researchers who are solving the deepest mysteries of life on Earth through their work in experimental evolutionary science Losos himself is one of the leaders in this exciting new field and he illustrates how experiments with guppies fruit flies bacteria foxes and field mice along with his own work with anole lizards on Caribbean islands are rewinding the tape of life to reveal just how rapid and predictable evolution can be Improbable Destinies will change the way we think and talk about evolution Losos's insights into natural selection and evolutionary change have far reaching applications for protecting ecosystems securing our food supply and fighting off harmful viruses and bacteria This compelling narrative offers a new understanding of ourselves and our role in the natural world and the cosmos Mickey and Willie Allen Barra,2014-04-01

Acclaimed sportswriter Allen Barra exposes the uncanny parallels and lifelong friendship between two of the greatest baseball players ever to take the field Culturally Mickey Mantle and Willie Mays were light years apart Yet they were nearly the same age and almost the same size and they came to New York at the same time They possessed virtually the same talents and played the same position They were both products of generations of baseball playing families for whom the game was the only escape from a lifetime of brutal manual labor Both were nearly crushed by the weight of the outsized expectations placed on them first by their families and later by America Both lived secret lives far different from those their fans knew What their fans also didn't know was that the two men shared a close personal friendship and that each was the only man who could truly understand the other's experience **Jesus and Muhammad** F. E. Peters,2010-11-11 Jesus and Muhammad are two of the best known and revered figures in history each with a billion or more global followers Now in this intriguing volume F E Peters offers a clear and compelling analysis of the parallel lives of Jesus and Muhammad the first such in depth comparison in print Like a detective Peters compiles dossiers of what we do and do not know about the lives and portraits of these towering figures drawing on the views of modern historians and the evidence of the Gospels and the Quran With erudition and wit the author nimbly leads the reader through drama and dogma to reveal surprising similarities between the two leaders and their messages Each had a public career as a semi successful preacher Both encountered opposition that threatened their lives and those of their followers Each left a body of teaching purported to be their very words with an urgent imperative that all must become believers in the face of the approaching apocalypse Both are symbols of hope on the one hand and of God's terrible judgment on the other They are bringers of peace and the sword There is however a fundamental difference Muslims revere Muhammad ibn Abdullah of Mecca as a mortal prophet Although known as a prophet in his day the Galilean Jew Jesus was and is believed by his followers to have been the promised Messiah indeed the son of God The Quran records revelations received by Muhammad as the messenger of God whereas the revelations of the Gospels focus on Jesus and the events of his life and death A lasting contribution to interfaith understanding Jesus and

Muhammad offers lucid intelligent answers to questions that underlie some of the world's most intractable conflicts

Plutarch's Lives Noreen Humble, 2010-12-31 Plutarch's Parallel Lives were written to compare famous Greeks and Romans. This most obvious aspect of their parallelism is frequently ignored in the drive to mine Plutarch for historical fact. However, the eleven contributors to the present volume, who include most of the world's leading commentators on Plutarch, together bring out many ways in which Plutarch invoked aspects of parallelism. They show how pervasive and how central the whole notion was to his thinking. With new analysis of the *synkriseis* with discussion of parallels within and across the Lives and in the *Moralia*, with an examination of why the basic parallel structure of the Lives lost its importance in the Renaissance, this volume presents fresh ideas on a neglected topic crucial to Plutarch's literary creation. **Parallel Lives** Jennifer Andrewes, 2018 Increasingly dissatisfied with the humdrum routine of corporate life, Jennifer Andrewes does what many of us can only dream about: when in 2014 she and her family pack up and spend two seasons living in a French village in the south-west region of France. But it's not just any region: as Jennifer discovers, the Aude region is on the 42nd parallel north. Wellington, her home city here in New Zealand, is on the 42nd parallel south and is the nearest thing the Aude has to an antipodal sister city. Was it a coincidence then that for so many years this long-time Francophile had a sense of living her life in parallel? On the one hand, very much present in the minutiae of her family's everyday lives in New Zealand, and yet always with half a mind thousands of kilometres away in the perfect French village. A family that shares a love of travel and a passion for language and culture, they find they enjoy the experience so much that they repeat it two years later. And then become dedicated to finding their very own long-term pied-à-terre. *Parallel Lives* tells the story of their time in a small town in the south of France, in the foothills of the Pyrenees, how they came to live there, the experiences gained and life lessons learned while living on two separate occasions on two sides of the same historic square. Back cover **Plutarch's Pragmatic Biographies** Susan G. Jacobs, 2017-10-10 In Plutarch's Pragmatic Biographies, Susan Jacobs argues for a major revision in how we interpret the Parallel Lives. She integrates the existing focus on moral issues into the much broader paradigm of effective leadership found in Plutarch's *Moralia*. There, in addition to moral virtue, the successful leader needed good critical judgment, persuasiveness, and facility in managing alliances and rivalries. The analysis of six sets of Lives shows how Plutarch carefully portrayed Greek and Roman leaders of the past, assessing situations and solving problems that paralleled those faced by his politically active audience. By linking victories and defeats to specific strategic insights and practical skills, Plutarch created pragmatic biographies that could instruct statesmen and generals of every era. *The Lawgivers* Plutarch, 2019-10-08 Volume 1 in a series of translations of Plutarch's Parallel Lives from the translators of Marcus Aurelius Meditations

Recognizing the pretentiousness ways to acquire this book **Parallel Lives** is additionally useful. You have remained in right site to begin getting this info. get the Parallel Lives associate that we pay for here and check out the link.
