**Parallel Lies** Ridley Pearson, 2001-10-15 Penzler Pick June 2001 Ridley Pearson who has written 14 previous books many of them featuring his Seattle cop Lou Boldt ups the ante in his latest thriller Northern Union Railroad has been experiencing a series of accidents with their freight trains but it is not until they find a freight car covered with blood that they call in outside help Peter Tyler used to be a cop until he nearly beat a black man to death and lost his badge When he gets a second chance via an old friend at the National Transportation Safety Board he drives a convertible through a snowstorm with the top down he suffers from claustrophobia to view the freight car He arrives at the scene to discover that he will have to deal with Northern Union's own security officer Nell Priest a black woman who already knows Tyler's history Meanwhile Umberto Alvarez the train wrecker is systematically working his way towards his ultimate wreck Northern's F A S T train due to make its maiden run from New York to Washington D C Alvarez lost his wife and children when their car stalled between the gates at a crossing and were crushed by one of Northern's trains Although Northern Union was cleared of all responsibility and Alvarez's wife was found negligent he doesn't think that's so As Peter Tyler's investigation proceeds he begins to come to the same conclusion Closing in on Alvarez he tries to interview the crossing guard who was on duty the day the wreck occurred On arriving at the man's apartment he finds the man bludgeoned to death with the same stick with which Tyler beat the black man all that time ago It's time to get paranoid Who at Northern is covering up and what role does Nell play in all this As always in a Ridley Pearson thriller the action doesn't stop until the final page Otto Penzler

## **Thicker than Water**

Georgia Rose, 2015-09-18 A woman beginning a new life An assassin with a highly personal target Will her unpleasant past lead to a fatal conclusion Emma Grayson is loving married life on the Melton Estate Even though the manor's secret relationship with MI5 prevents the quiet day to day routine she'd prefer she wouldn't trade what she has with Trent for the world But when a joyful surprise collides with a staggering discovery old wounds threaten to rip her happy existence apart As she tries to cope with her new reality British intelligence agents deliver frightening news someone is out to kill her Can Emma use her newfound strength to defeat a determined assassin or will her tragic past stamp out her bright future Thicker than Water is the thrilling conclusion to the Grayson Trilogy a dark romantic suspense series If you like engaging characters dark twists and heroic finales you'll love this captivating climax

## **Parallel Myths** J.F. Bierlein, 2010-06-16 Unusually

accessible and useful An eye opener to readers into the universality and importance of myth in human history and culture William E Paden Chair Department of Religion University of Vermont For as long as human beings have had language they have had myths Mythology is our earliest form of literary expression and the foundation of all history and morality Now in Parallel Myths classical scholar J F Bierlein gathers the key myths from all of the world's major traditions and reveals their common themes images and meanings Parallel Myths introduces us to the star players in the world's great myths not only the twelve Olympians of Greek mythology but the stern Norse Pantheon the mysterious gods of India the Egyptian Ennead

and the powerful deities of Native Americans the Chinese and the various cultures of Africa and Oceania Juxtaposing the most potent stories and symbols from each tradition Bierlein explores the parallels in such key topics as creation myths flood myths tales of love morality myths underworld myths and visions of the Apocalypse Drawing on the work of Joseph Campbell Mircea Eliade Carl Jung Karl Jaspers Claude Lévi Strauss and others Bierlein also contemplates what myths mean how to identify and interpret the parallels in myths and how mythology has influenced twentieth century psychology philosophy anthropology and literary studies A first class introduction to mythology Written with great clarity and sensitivity John G Selby Associate Professor Roanoke College

**Parallel Programming** Thomas Rauber, Gudula R Nger, 2010-03-10  
Innovations in hardware architecture like hyper threading or multicore processors mean that parallel computing resources are available for inexpensive desktop computers In only a few years many standard software products will be based on concepts of parallel programming implemented on such hardware and the range of applications will be much broader than that of scientific computing up to now the main application area for parallel computing Rauber and R nger take up these recent developments in processor architecture by giving detailed descriptions of parallel programming techniques that are necessary for developing efficient programs for multicore processors as well as for parallel cluster systems and supercomputers Their book is structured in three main parts covering all areas of parallel computing the architecture of parallel systems parallel programming models and environments and the implementation of efficient application algorithms The emphasis lies on parallel programming techniques needed for different architectures The main goal of the book is to present parallel programming techniques that can be used in many situations for many application areas and which enable the reader to develop correct and efficient parallel programs Many examples and exercises are provided to show how to apply the techniques The book can be used as both a textbook for students and a reference book for professionals The presented material has been used for courses in parallel programming at different universities for many years
