A Primer on Parallel Lives Dan Gerber, 2012-12-04 Dan Gerber tenderly reels his readers through the beautiful movie he calls the passing of time on earth in a language completely unadorned and Zen like in its quietude The thing itself carries the weight of these poems which recall the deep imagery of Vallejo Neruda and Wright Rain Taxi Dan Gerber is a master of layered bittersweet imagery In his seventh book of poems he writes of childhood misgivings and fears the oak savannah landscape of California s central coast and a near mystical relationship with nature As novelist John Nichols once wrote of Gerber s poetry Dan Gerber has an exquisitely muted yet profound understanding of tragedy love family and the haunting vagaries of nature Some Distance I wanted to be a stone in the field simply that and then I wanted to be the grass around it and then the cattle grazing under the too blue sky and then the blue which has of itself no substance and yet goes on and on and on Dan Gerber is the author of a dozen books of poetry fiction essays and memoir He has earned the Mark Twain Award Book of the Year honors from ForeWord Magazine and inclusion in The Best American Poetry He lives in Santa Ynez California

Jesus and Muhammad F. E. Peters, 2010-11-11 Jesus and Muhammad are two of the best known and revered figures in history each with a billion or more global followers Now in this intriguing volume F. E. Peters offers a clear and compelling analysis of the parallel lives of Jesus and Muhammad the first such in depth comparison in print Like a detective Peters compiles dossiers of what we do and do not know about the lives and portraits of these towering figures drawing on the views of modern historians and the evidence of the Gospels and the Quran With erudition and wit the author nimbly leads the reader through drama and dogma to reveal surprising similarities between the two leaders and their messages Each had a public career as a semi successful preacher Both encountered opposition that threatened their lives and those of their followers Each left a body of teaching purported to be their very words with an urgent imperative that all must become believers in the face of the approaching apocalypse Both are symbols of hope on the one hand and of God's terrible judgment on the other

They are bringers of peace and the sword There is however a fundamental difference Muslims revere Muhammad ibn Abdullah of Mecca as a mortal prophet Although known as a prophet in his day the Galilean Jew Jesus was and is believed by his followers to have been the promised Messiah indeed the son of God The Quran records revelations received by Muhammad as the messenger of God whereas the revelations of the Gospels focus on Jesus and the events of his life and death A lasting contribution to interfaith understanding Jesus and Muhammad offers lucid intelligent answers to questions that underlie some of the world's most intractable conflicts *Plutarch's >Parallel Lives* Chrysanthos S.

Chrysanthou,2018-02-19 In the *Parallel Lives* Plutarch does not absolve his readers of the need for moral reflection by offering any sort of hard and fast rules for their moral judgement Rather he uses strategies to elicit readers active engagement with the act of judging This book drawing on the insights of recent narrative theories especially narratology and reader response criticism examines Plutarch's narrative techniques in the *Parallel Lives* of drawing his readers into the process of moral evaluation and exposing them to the complexities entailed in it Subjects discussed include Plutarch's prefatory projection of himself and his readers and the interaction between the two Plutarch's presentation of the mental and emotional workings of historical agents which serves to re enact the participants experience at the time and thus arouse empathy in the readers Plutarch's closural strategies and their profound effects on the readers moral inquiry Plutarch's principles of historical criticism in *On the malice of Herodotus* in relation to his narrative strategies in the *Lives* Through illustrating Plutarch's narrative technique this book elucidates Plutarch's praise and blame rhetoric in the *Lives* as well as his sensibility to the challenges inherent in recounting reading about and evaluating the lives of the great men of history **A**
