Parallels Of Moses Jesus And Joseph Smith:

Parallels of Moses, Jesus and Joseph Smith Almon Fackrell, 1996 **The Book of Giants** , 2015-08 Take a journey with the artist and writer Petar Meseldzija who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of giants A year in the making this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered going back to ancient times He shares stories of new discoveries that free giants from the murky abyss of myth and a forgotten past Told in three stages The Book of Giants includes the illustrated stories The Giants Are Coming recounting a dynamic clash that lasted one hundred years The Little Kingdom where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders The Northern Giants who embrace the warrior spirit through countless battles Giant Velles the story of ignorance and how the strength of goodness perseveres and The Great Forest wherein the author discovers little creatures called the keppetzs and relates his experiences spent with ogres while on his quest to meet the Golden One and to determine the purpose of his journey Through the strength of his own power he discovers his blessings his limitations and finally his personal myth Furthermore you will discover why giants made a push into the underground followed by their exodus and deliverance to a new land You'll also learn why the myth of giants is still alive why their time spent with humans remains elusive and why giants prefer to remain hidden in their world Join Petar Meseldzija on his journey of discovery **The Lost 116 Pages: Reconstructing the Book of Mormon's Missing Stories** Don Bradley, 2019-11-21 On a summer day in 1828 Book of Mormon scribe and witness Martin Harris was emptying drawers upending furniture and ripping apart mattresses as he desperately looked for a stack of papers he had sworn to God to protect Those pages containing the only copy of the first three months of the Joseph Smith's translation of the golden plates were forever lost and the detailed stories they held forgotten over the ensuing years until now In this highly anticipated work author Don Bradley presents over a decade of historical and scriptural research to not only tell the story of the lost pages but to reconstruct many of the detailed stories written on them Questions explored and answered include Was the lost manuscript actually 116 pages How did Mormon's abridgment of this period differ from the accounts in Nephi's small plates Where did the brass plates and Laban's sword come from How did Lehi's family and their descendants live the Law of Moses without the temple and Aaronic priesthood How did the Liahona operate Why is Joseph of Egypt emphasized so much in the Book of Mormon How were the first Nephites similar to the very last What message did God write on the temple wall for Aminadi to translate How did the Jaredite interpreters come into the hands of the Nephite kings Why was King Benjamin so beloved by his people Despite the likely demise of those pages to the sands of time the answers to these questions and many more are now available for the first time in nearly two centuries in *The Lost 116 Pages Reconstructing the Book of Mormon's Missing Stories* **Cold-case Christianity** J. Warner Wallace, 2013 Do you believe about the claims of Christianity but aren't sure you believe in them J Warner Wallace knows what that's like For the first

thirty five years of his life he was a devout atheist But when he decided to apply his skills as a detective to the claims of the New Testament he came to a startling realization the case for Christianity was as convincing as any case he d ever worked as a detective A unique apologetic Cold Case Christianity will give you new confidence in Christ and a renewed passion for articulating the case for Christianity

View of the Hebrews Ethan Smith,2021-11-03 In the nineteenth century it was a common belief that Native Americans were the descendants of the Ten Lost Tribes of Israel Ethan Smith wrote on this topic and in so doing challenged the dismissal of the Indigenous Americans by European settlers Smith used biblical scripture similarities in the Hebrew and Native American languages and their name for God and other points of evidence to prove the connection between Israel and the First Nations From there he showed how the reunited Hebrew tribes would be restored to Zion before the end of the world Perhaps the most fascinating aspect of Smith s book is that it is said to have influenced the Book of Mormon which was published about seven years after later As a child Smith moved away from religion after his parents died but found his way back before he turned 20 and worked in the ministry until his death Smith wrote several books while serving in the ministry in which he explored prophecies and baptism among other subjects But this book remains one of the most controversial of all his publications
