Paranormal Ireland Dara de Faoite, 2015-01-08 Reports on sightings of UFOs over County Roscommon in 1997 set in train a passionate interest in the paranormal and inspired Dara deFaoite to write this probing and scholarly book *Paranormal Ireland* goes beyond recounting stories of ghosts haunting strange creatures in woods and poltergeists to reveal a rare insight into what science has failed to explain Superbly readable *Paranormal Ireland* recreates from interviews and notes the appearance of big cats in Tipperary sightings of UFOs over Roscommon the harrowing experiences of a family in Galway at the hands of a poltergeist amongst other mysterious tales DeFaoite has produced a book with all the feeling and depth of fiction but more shocking because it s true It also includes a Travel Guide to the Paranormal in Ireland **Paranormal Ireland** Dara DeFaoite, 2004 *The Lively Ghosts of Ireland* Hans Holzer, 2020-10-04 Ireland is known as the Emerald Isle a land of history and mystery beauty and enchantment But there s much more to this jewel of the North Atlantic than meets the eye Hans Holzer is a renowned ghost hunter who has traveled the world trailing the elusive spirits of souls anxious to be sent beyond the Veil Here he recounts his fascinating journey across this island in search of its soul and its spirits There is an 18th century swordsman who defends the hidden treasure of Ballyheigue Castle a proud house now gutted by fire Princess Orloff originally known as Angelica Parrott who returned home to haunt a jealous sister Lilith a young inhabitant of eerie Skryne Castle who was strangled with foxglove fronds in 1740 Mary Masters a young girl who refuses to forget her horrible death and continues to haunt Dublin s Shelbourne Hotel the ghost at Number 118 Summerhill Dublin who sends workmen into a panic and many more *The Ashgate Research Companion to Paranormal Cultures* Olu Jenzen, Sally R. Munt, 2016-03-23 Despite the much vaunted end of religion and the growth of secularism people are engaging like never before in their own spiritualities of life Across the West paranormal belief is on the rise *The Ashgate Research Companion to Paranormal Cultures* brings together the work of international scholars across the social sciences and humanities to question how and why people are seeking meaning in the realm of the paranormal a heretofore subjugated knowledge With contributions from the UK and other European countries the USA Australia and Canada this ground breaking book attends to the paranormal as a position from which to critique dominant forms of knowledge production and spirituality A rich exploration of everyday life practices textual engagements and discourses relating to the paranormal as well as the mediation technology and art of paranormal activity this book explores themes such as subcultures and mainstreaming as well as epistemological methodological and phenomenological questions and the role of the paranormal in social change *The Ashgate Research Companion to Paranormal Cultures* constitutes an essential resource for those interested in the academic study of cultural engagements with paranormality it will appeal to scholars of cultural and media studies popular culture sociology cultural geography literature film and music *Spirit Voices* Mark L. Cowden, 2011 Mark L Cowden is the audio visual technician who recorded what is believed to be the first ever documented case of a live two way conversation with the spirit

world In early 2010 at an apparently haunted hotel in Northern Ireland Mark was part of a small team of people who were filming a television documentary series about ghost stories when something incredible happened While a medium and a psychic investigator sat on a bed in the next room and attempted to contact the spirit of a ghost in the hotel Mark was able to record not only the medium s side of the conversation and her report of the responses she was receiving from the spirit but the spirit s replies directly as well With camera s rolling an independent television crew documented the whole process Not only is this believed to be the first time anybody has ever managed to record a whole conversation between this world and the next it was also a first for television SPIRIT VOICES documents Mark s work in the field of paranormal forensics and details the technology and methods he developed to achieve such groundbreaking results **The Child Sex Scandal and**

Modern Irish Literature Joseph Valente, Margot Gayle Backus, 2020 Even though the Irish child sex abuse scandals in the Catholic Church have appeared steadily in the media many children remain in peril In The Child Sex Scandal and Modern Irish Literature Joseph Valente and Margot Gayle Backus examine modern cultural responses to child sex abuse in Ireland Using descriptions of these scandals found in newspapers historiographical analysis and 20th and 21st century literature Valente and Backus expose a public sphere ardently committed to Irish children s souls and piously oblivious to their physical welfare They offer historically contextualized and psychoanalytically informed readings of scandal narratives by nine notable modern Irish authors who actively pointedly and persistently question Ireland s responsibilities regarding its children Through close critical readings a more nuanced and troubling account emerges of how Ireland s postcolonial heritage has served to enable such abuse The Child Sex Scandal and Modern Irish Literature refines the debates on why so many Irish children were lost by offering insight into the lived experience of both the children and those who failed them **The**

Rising of Haunted Ireland GhostEire, 2016-01-01 Join Ghost ire paranormal research team as they travel around various regions in Ireland investigating plausible hauntings Experience what they have encountered and their reasons for unexplainable happenings Step into the world of whispering lighthouses misty islands mind bending gaols vanished forts and spirits in public houses Enjoy tales of sailors smugglers pirates Irish rebels Vikings and spies at places you wouldn t expect Come to your own conclusion as to the world that is Ghost ire A riveting read best enjoyed with the bed covers pulled right up to your ears Better have Ghost ire s phone number on speed dial though This is spine chilling stuff Alan Jacques Limerick Post **The Study of Religions in Ireland** Brendan McNamara, Hazel O'Brien, 2022-06-02 This book provides a

comprehensive and field defining examination of the study of religions in Ireland By bringing together some of the foremost experts on religions in an Irish context it critically traces the development of an important field of study and evaluates the thematic threads that have emerged as significant It thereby offers an assessment of contemporary religions in Ireland and their relationships to society culture economics politics and the State Contributors make connections between topics as diverse as Ireland s Revolutionary Period the formation of the Irish State the decline of Catholicism the rise of migrant

religions and New Religious Movements and the effects of secularisation on religions and society This book emphasizes the interdisciplinary nature of the study of religions whilst illustrating the coherent themes that have shaped the development of the field in Ireland making it unique **True Irish Ghost Stories** St John D. Seymour, Harry L Neligan, 2023-11-23 This book is a compilation of different ghost and supernatural phenomena retold to the authors of this book and collected by them in different parts of Ireland Yet the authors of this book remain objective so it doesn't have any additional literary tricks employed to make the reader feel like fiction Once the British Isles characterized by a huge number of ghost stories and ghost lore is one of local peculiarities the accounts in the book are perceived and presented like real For example there is even a story about a legal case regarding a haunted house where the court ruled that the damages of the house should be perceived as such that are caused by a ghost A truly interesting read for anyone who fancies supernatural and blood chilling stories

Between the Pigeonholes Alison Falby,2020-12-15 Aldous Huxley described Gerald Heard as that rare being a learned man who made his mental home on the vacant spaces between the pigeonholes Heard s off beat interests made him a cultural and intellectual pioneer on both sides of the Atlantic in the middle decades of the twentieth century Despite accolades from such figures as E M Forster who characterized him as one of the most penetrating minds in England and Christopher Isherwood who described him upon his death as one of the few great magic mythmakers and revealers of life s

wonder Heard is largely unknown today *Between the Pigeonholes* is the first published full length study of Gerald Heard Alison Falby examines Heard s ideas and contexts in interwar Britain and postwar America demonstrating his significance in several important twentieth century movements These movements include popular science and psychology psychical research Eastern spirituality pacifism cooperativism and Californian counter culture All of Heard s involvements expressed his desire to convey religious ideas in the modern languages of biological social and physical science Falby also traces Heard s shifting political leanings from left liberal in the early 1930s to libertarian in the early 1960s She finds that his modernist theological approach conventionally associated with liberal religion and politics provided spiritual fodder for those on both the Left and the Right Isherwood and W H Auden on the one hand and Clare Boothe Luce and *Spiritual Mobilization* on the other Using Heard as a prism through which to examine popular ideas Falby shows that the twentieth century contained much political and religious heterogeneity This heterogeneity illustrates the diverse and overlapping roots of both liberal religion and conservative politics in the twenty first century *Andrew M.
