Motherland Elissa Altman, 2020-09-08 I'm reading this book right now and loving it. Cheryl Strayed, 1. New York Times bestselling author of *Wild*, How can a mother and daughter who love but don't always like each other coexist without driving each other crazy? Vibrating with emotion, this deeply honest account strikes a chord. People A wry and moving meditation on aging and the different kinds of love between women. O The Oprah Magazine. After surviving a traumatic childhood in nineteen seventies New York and young adulthood living in the shadow of her flamboyant mother, Rita, a makeup addicted former television singer, Elissa Altman has managed to build a very different life settling in Connecticut with her wife of nearly twenty years. After much time, therapy and wine, Elissa is at last in a healthy place, still orbiting around her mother but keeping far enough away to preserve the stable, independent world she has built as a writer and editor. Then Elissa is confronted with the unthinkable: Rita, whose days are spent as a florist, traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale's and back again, suffers an incapacitating fall, leaving her completely dependent upon her daughter. Now Elissa is forced to finally confront their profound differences: Rita's yearning for beauty and glamour, her view of the world through her days in the spotlight and the money that has mysteriously disappeared in the name of preserving youth. To sustain their fragile mother-daughter bond, Elissa must navigate the turbulent waters of their shared lives, the practical challenges of caregiving for someone who refuses to accept it, the tentacles of narcissism and the mutual frenetic obsession that has defined their relationship. *Motherland* is a story that touches every home and every life, mapping the ferocity of maternal love, moral obligation, the choices women make about motherhood and the possibility of healing. Filled

with tenderness wry irreverence and unforgettable characters it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again Praise for Motherland Rarely has a mother daughter relationship been excavated with such honesty Elissa Altman is a beautiful big hearted writer who mines her most central subject her gorgeous tempestuous difficult mother and the terrain of their shared life The result is a testament to the power of love and family Dani Shapiro author of Inheritance *We Need to Talk About Kevin* Lionel Shriver, 2011-05-01 The inspiration for the film starring Tilda Swinton and John C Reilly this resonant story of a mother s unsettling quest to understand her teenage son s deadly violence her own ambivalence toward motherhood and the explosive link between them remains terrifyingly prescient Eva never really wanted to be a mother And certainly not the mother of a boy who murdered seven of his fellow high school students a cafeteria worker and a much adored teacher in a school shooting two days before his sixteenth birthday Neither nature nor nurture exclusively shapes a child s character But Eva was always uneasy with the sacrifices and social demotion of motherhood Did her internalized dislike for her own son shape him into the killer he s become How much is her fault Now two years later it is time for her to come to terms with Kevin s horrific rampage all in a series of startlingly direct correspondences with her estranged husband Franklin A piercing unforgettable and penetrating exploration of violence and responsibility a book that the Boston Globe describes as impossible to put down is a stunning examination of how tragedy affects a town a marriage and a family
