## Instead of that, Say this.

Simple phrases and ideas for diffusing tough situations with your child.

**What were you thinking?!?!**

Instead say:  
I'm going to help you with this.

**How many times do I have to tell you?**

Instead say:  
I'm going to do (\_\_) so that it will be easier for you.

**Stop it! You are embarrassing me!**

Instead say:  
Let's go to a quieter place to get this sorted out.

**If you don't stop that, no Xbox for a week!**

Instead say:  
I can see this is tricky for you. We are going to solve this later. Let's get a drink of water.

**Go to your room!**

Instead say:  
**Come here.**  
I've got you.

**No stars on the star chart for you!**

Instead say:  
Let's figure out a better way for next time.

**Stop. That. Right. NOW!**

Instead say:  
If you need to get your mad out - then go ahead. It's okay. I've got you.

**\*Silent eye-roll and frustrated sigh\***

Instead do:  
**\*Kindness in your eyes and a compassionate hair tousle\***

**You are IMPOSSIBLE!**

Instead say:  
We will get this figured out. I can handle ALL of you. It's all good.

## **Parent Talk A Unique Parenting Resource The Importance Of Reality Discipline:**

**Parenting Matters** National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Supporting the Parents of Young Children, 2016-11-21 Decades of research have demonstrated that the parent child dyad and the environment of the family which includes all primary caregivers are at the foundation of children's well being and healthy development From birth children are learning and rely on parents and the other caregivers in their lives to protect and care for them The impact of parents may never be greater than during the earliest years of life when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment Parents help children build and refine their knowledge and skills charting a trajectory for their health and well being during childhood and beyond The experience of parenting also impacts parents themselves For instance parenting can enrich and give focus to parents lives generate stress or calm and create any number of emotions including feelings of happiness sadness fulfillment and anger Parenting of young children today takes place in the context of significant ongoing developments These include a rapidly growing body of science on early childhood increases in funding for programs and services for families changing demographics of the U S population and greater diversity of family structure Additionally parenting is increasingly being shaped by technology and increased access to information about parenting Parenting Matters identifies parenting knowledge attitudes and practices associated with positive developmental outcomes in children ages 0-8 universal preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge attitudes and practices and barriers to and facilitators for parents use of practices that lead to healthy child outcomes as well as their participation in effective programs and services This report makes recommendations directed at an array of stakeholders for promoting the wide scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice It is meant to serve as a roadmap for the future of parenting policy research and practice in the United States *A House United* Nicholeen Peck, 2013-08-24 This book shows parents the communication skills they need to teach their children to govern themselves With the proper family environment and understanding of childhood behaviors homes can become happier *Becoming the Parent God Wants You to Be* Kevin Leman, 1998 My First Message introduces children ages 4-8 to God's Word through text lively illustrations and short lessons Mom Set Free Jeannie Cunnion, 2017-08-29 Moms are under so much pressure Pressure that weighs us down and threatens to wipe us out Are you ready for relief Mom Set Free will empower you to parent in the confidence of God's grace and to experience the freedom you were created for We moms are told that we have to get it all right so our kids turn out right We're told that their entire futures are riding on our ability to perfectly orchestrate their lives And we're told that the strength of their faith hinges on ours And we begin to believe that if we just try hard enough we can actually be enough

These impossible standards leave us stuck in worry anger guilt comparison and shame Jeannie Cunnion gets it And in Mom Set Free she reveals how the Good News of the Gospel empowers us to live and parent in the freedom for which Christ has set us free Jeannie invites us to journey alongside her as we learn to Lay down what God has not asked us to carry so we can thrive in what He has Embrace our significance in our children s lives in light of God s sovereignty Trust God with the children He has entrusted to us Receive God s grace so we can reflect God s heart to our kids It s time to breathe deeper walk lighter and reclaim the wonder and adventure of parenting *Differently Wired* Deborah Reber,2018-06-12 It s time to say NO to trying to fit square peg kids into round holes and YES to raising them from a place of acceptance and joy Today millions of kids are stuck in a world that doesn t embrace who they really are They are the one in five differently wired children with ADHD dyslexia giftedness autism anxiety or other neurodifferences and their challenges are many And for the parents who love them the challenges are just as numerous as they struggle to find the right school the right support the right path But now there s hope Differently Wired is a revolutionary book weaving together personal stories and a tool kit of expert advice from author Deborah Reber it s a how to a manifesto and a reassuring companion for parents who can so often feel that they have no place to turn At the heart of Differently Wired are 18 paradigm shifting ideas what the author calls tilts which include how to accept and lean in to your role as a parent 2 Get Out of Isolation and Connect Deal with the challenges of parenting a differently wired child 5 Parent from a Place of Possibility Instead of Fear Support yourself 11 Let Go of Your Impossible Expectations for Who You Should Be as a Parent And seek community 18 If It Doesn t Exist Create It Taken together it s a lifesaving program to shift our thinking and actions in a way that not only improves the family dynamic but also allows children to fully realize their best selves In this generous and urgent book Deborah Reber lets the light in She helps parents see that they re not alone and even better delivers a positive action plan that will change lives Seth Godin author of Linchpin Differently Wired will help parents of children who think differently to accept their child for who they are and facilitate their successful development Temple Grandin author of Thinking in Pictures and The Autistic Brain **The Bottom Line for Baby** Tina Payne Bryson,2020-09-01 Apply the best science to all your parenting decisions with this essential A Z guide for your biggest questions and concerns from the New York Times bestselling co author of The Whole Brain Child and No Drama Discipline Every baby and toddler care decision sends parents scrambling to do the right thing and often down into the rabbit hole of conflicting advice Dr Tina Payne Bryson has sifted through the reliable research including about all those old wives tales and will help you make a manageable molehill out of the mountain of information and answer more than sixty common concerns and dilemmas including Breast or bottle Or breast and bottle Will that cause nipple confusion What s the latest recommendation for introducing solids in light of potential allergies Should I sign us up for music and early language classes What s the evidence for and against circumcision When is the right time to wean my baby off her pacifier How do I get this child to sleep through the night Dr Bryson boils things down with authority demystifying the

issues in three distinct sections an objective summary of the schools of thought on the topic including commonly held pros and cons a clear and concise primer on What the Science Says and a Bottom Line conclusion When the science doesn't point clearly in one direction she guides you to assess and apply the information in a way that's consistent with your family's principles and meets your child's unique needs Full of warmth expert wisdom and blessedly bite-sized explanations The Bottom Line for Baby will help you prioritize what you really need to know and do during the first year of precious life

*Running on Empty* Jonice Webb, 2012-10-01 A large segment of the population struggles with feelings of being detached from themselves and their loved ones They feel flawed and blame themselves Running on Empty will help them realize that they're suffering not because of something that happened to them in childhood but because of something that didn't happen It's the white space in their family picture the background rather than the foreground This will be the first self-help book to bring this invisible force to light educate people about it and teach them how to overcome it **Lost and Found** Ross W.

Greene, 2016-03-28 Implement a more constructive approach to difficult students Lost and Found is a follow-up to Dr Ross Greene's landmark works The Explosive Child and Lost at School providing educators with highly practical explicit guidance on implementing his Collaborative Proactive Solutions CPS Problem Solving model with behaviorally challenging students While the first two books described Dr Greene's positive constructive approach and described implementation on a macro level this useful guide provides the details of hands-on CPS implementation by those who interact with these children every day Readers will learn how to incorporate students' input in understanding the factors making it difficult for them to meet expectations and in generating mutually satisfactory solutions Specific strategies sample dialogues and time-tested advice help educators implement these techniques immediately The groundbreaking CPS approach has been a revelation for parents and educators of behaviorally challenging children This book gives educators the concrete guidance they need to immediately begin working more effectively with these students Implement CPS one-on-one or with an entire class Work collaboratively with students to solve problems Study sample dialogues of CPS in action Change the way difficult students are treated The discipline systems used in K-12 schools are obsolete and aren't working for the kids to whom they're most often applied those with behavioral challenges Lost and Found provides a roadmap to a different paradigm helping educators radically transform the way they go about helping their most challenging students *The Nurturing Parenting Programs*

Stephen J. Bavolek, 2000 Transforming the Workforce for Children Birth Through Age 8 National Research Council, Institute of Medicine, Board on Children, Youth, and Families, Committee on the Science of Children Birth to Age 8: Deepening and Broadening the Foundation for Success, 2015-07-23 Children are already learning at birth and they develop and learn at a rapid pace in their early years This provides a critical foundation for lifelong progress and the adults who provide for the care and the education of young children bear a great responsibility for their health development and learning Despite the fact that they share the same objective to nurture young children and secure their future success the

various practitioners who contribute to the care and the education of children from birth through age 8 are not acknowledged as a workforce unified by the common knowledge and competencies needed to do their jobs well Transforming the Workforce for Children Birth Through Age 8 explores the science of child development particularly looking at implications for the professionals who work with children This report examines the current capacities and practices of the workforce the settings in which they work the policies and infrastructure that set qualifications and provide professional learning and the government agencies and other funders who support and oversee these systems This book then makes recommendations to improve the quality of professional practice and the practice environment for care and education professionals These detailed recommendations create a blueprint for action that builds on a unifying foundation of child development and early learning shared knowledge and competencies for care and education professionals and principles for effective professional learning Young children thrive and learn best when they have secure positive relationships with adults who are knowledgeable about how to support their development and learning and are responsive to their individual progress Transforming the Workforce for Children Birth Through Age 8 offers guidance on system changes to improve the quality of professional practice specific actions to improve professional learning systems and workforce development and research to continue to build the knowledge base in ways that will directly advance and inform future actions The recommendations of this book provide an opportunity to improve the quality of the care and the education that children receive and ultimately improve outcomes for children

The Invisible Toolbox Kim Jocelyn Dickson, 2020-04-14 In The Invisible Toolbox parents will learn about the ten priceless tools that will fill their child's toolbox when they read aloud to their child from birth they'll also learn about the tools they can give themselves to foster these gifts in their children Practical tips for how and what to read aloud to children through their developmental stages along with Do's and Don'ts and recommended resources round out all the practical tools a parent will need to prepare their child for kindergarten and beyond

**ParentSpeak** Jennifer Lehr, 2017-01-10 A smart funny provocative guide to the hidden dangers of parentspeak those seemingly innocent phrases parents use when speaking to their young children from Good job to Can you say thank you that advocates for a more conscious approach to parenting based on respect and love for the child as an individual

**Discipline Without Distress** Judy Arnall, 2012-09-21 Discipline that you and your child will feel good about Spanking and time outs do NOT work At last a positive discipline book that is full of practical tips strategies skills and ideas for parents of babies through teenagers and tells you EXACTLY what to do in the moment for every type of behaviour from whining to web surfing Includes 50 pages of handy charts of the most common behaviour problems and the tools to handle them respectfully Parents and children today face very different challenges from the previous generation Today's children play not only in the sandbox down the street but also in the world wide web which is too big and complex for parents to control and supervise As young as aged four your child can contact the world and the world can contact them A strong bond between you and your child is critical in order for

your child to regard you as their trusted advisor Traditional discipline methods no longer work with today s children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline You need new discipline tools     **Resources in Education** ,2001     Discipline That Connects With Your Child's Heart Jim Jackson,Lynne

Jackson,2016-09-20 A Powerful Approach to Bringing God s Grace to Kids Did you know that the way we deal or don t deal with our kids misbehavior shapes their beliefs about themselves the world and God Therefore it s vital to connect with their hearts not just their minds amid the daily behavior battles With warmth and grace Jim and Lynne Jackson founders of Connected Families offer four tried and true keys to handling any behavioral issues with love truth and authority You will learn practical ways to communicate messages of grace and truth how to discipline in a way that motivates your child and how to keep your relationship strong not antagonistic Discipline is more than just a short term attempt to modify your child s actions it s a long term investment to help them build faith wisdom and character for life When you discover a better path to discipline you ll find a more well behaved and well believed kid     Shepherding a Child's Heart Tedd Tripp,2005-07-01

Shepherding a Child s Heart is about how to speak to the heart of your child The things your child does and says flow from the heart Luke 6 45 puts it this way out of the overflow of the heart the mouth speaks Written for parents with children of any age this insightful book provides perspectives and procedures for shepherding your child s heart into the paths of life In this revised edition of Shepherding a Child s Heart Dr Tedd Tripp not only draws on his thirty years experience as a pastor counselor school administrator and father but he also shares insights gained in many years of teaching this material in conferences worldwide providing more valuable help for parents     **The A-Z of Therapeutic Parenting** Sarah

Naish,2018-04-16 Parents of children with attachment difficulties or who have experienced childhood trauma need to parent differently to meet their child s specific needs and help them start to make sense of the world This book is everything you need in order to therapeutically parent with the brand new P A R E N T S model and an A Z of practical advice     **Positive**

**Discipline** Jane Nelsen, Ed.D.,2006-05-30 For twenty five years Positive Discipline has been the gold standard reference for grown ups working with children Now Jane Nelsen distinguished psychologist educator and mother of seven has written a revised and expanded edition The key to positive discipline is not punishment she tells us but mutual respect Nelsen coaches parents and teachers to be both firm and kind so that any child from a three year old toddler to a rebellious teenager can learn creative cooperation and self discipline with no loss of dignity Inside you ll discover how to bridge communication gaps defuse power struggles avoid the dangers of praise enforce your message of love build on strengths not weaknesses hold children accountable with their self respect intact teach children not what to think but how to think win cooperation at home and at school meet the special challenge of teen misbehavior It is not easy to improve a classic book but Jane Nelson has done so in this revised edition Packed with updated examples that are clear and specific Positive Discipline shows parents exactly how to focus on solutions while being kind and firm If you want to enrich your relationship with your children this is

the book for you Sal Severe author of How to Behave So Your Children Will Too Millions of children have already benefited from the counsel in this wise and warmhearted book which features dozens of true stories of positive discipline in action Give your child the tools he or she needs for a well adjusted life with this proven treasure trove of practical advice **Whispers Through Time** L. R. Knost,2013-06 Communication is the key to peaceful effective interactions between parents and children When normal childhood behavior is viewed as normal instead of something to be corrected and controlled communication creates the bridge to developmentally appropriate growth maturity and independence Written by best selling parenting and children s book author and mother of six L R Knost Whispers Through Time Communication Through the Ages and Stages of Childhood is a rethinking of mainstream parenting s perception of normal childhood behaviors coupled with simple practical approaches to parent child communication at each stage of development from tots to teens **Deep Listening** Oscar Trimboli,2017-06-10 Over 55% of your day is spent listening yet only 2% of us have been trained in how to listen What is poor listening costing you Do you rush from meeting to meeting your head buried in the last conversation you had without time to think of the next Or feel frustrated with unproductive discussions where the loudest in the room adds limited insight and drowns out everyone else We usually think of these situations as communication problems that we have not spoken our needs correctly or clearly Yet conflict chaos and confusion are the costs of not listening Many communication and listening books say the most important person in a conversation is the speaker not true This pocket sized guide will help you to reconnect with your innate gift of deep listening to create the right space to listen to yourself before you listen to others You ll learn to listen beyond the words that are spoken to add context and meaning and listen in to what s not being said Deep Listening will help you move from confusion and conflict to thoughtful insightful and powerful discussions that will transform not just your work but your whole life
