

Marriage

In the Sacrament of Marriage, God unites His love with the love of a man and a woman. Together, they make an eternal promise to love and sacrifice for each other and raise children according to God's teaching.

Matter (the physical materials & signs)

The man and woman physically join their lives, wedding rings.

Form (the words & gestures spoken)

The "I do" exchange of vows, and mutual consent.

Why do we need Marriage?

Man and woman were created for one another. God created humans out of love, and so He also calls everyone to love. The mutual love between a married man and woman reflects God's infinite love for humanity.

Bible Touchstone

"That is why a man leaves his father and his mother and unites to his wife, and they become one flesh."
(Genesis 2:21-24)

Catechism of the Catholic Church #1631-1666

Did you know?

The exchanging of rings between a man and woman symbolises their devotion to each other. It is a reminder of their pledge to remain faithful until death.

Parenthood Bishops' Committee for Pastoral Research,1990 On Marriage and Concupiscence Saint Augustine,Saint Augustine of Hippo,2015-06-08 Augustine the man with upturned eye with pen in the left hand and a burning heart in the right as he is usually represented is a philosophical and theological genius of the first order towering like a pyramid above his age and looking down commandingly upon succeeding centuries He had a mind uncommonly fertile and deep bold and soaring and with it what is better a heart full of Christian love and humility He stands of right by the side of the greatest philosophers of antiquity and of modern times We meet him alike on the broad highways and the narrow footpaths on the giddy Alpine heights and in the awful depths of speculation wherever philosophical thinkers before him or after him have trod As a theologian he is facile princeps at least surpassed by no church father schoolman or reformer With royal munificence he scattered ideas in passing which have set in mighty motion other lands and later times He combined the creative power of Tertullian with the churchly spirit of Cyprian the speculative intellect of the Greek church with the practical tact of the Latin He was a Christian philosopher and a philosophical theologian to the full Then Comes Baby Gregory K. My Catholic Worship! John Paul Thomas,My Catholic Life!,2015-08-19 With Nihil Obstat Imprimatur You are called to love the Lord your God with all your heart with all your soul and with all your mind This is not an option if we want to be a Christian It s a command of love from God and is an invitation to share in His divine life We should hear those words and soak them up desiring to fulfill them in our daily life How do we do this How do we love God with everything we are To say with all your heart mind and soul means everything It means all that we are Our whole being So loving God in the way we are called to requires a very radical commitment on our part It requires that we are all in so to speak So again how do we do this The key is worship To worship God is to love God in the way we are called to love To worship God means that He is indeed the God of our life and nothing else gets in the way It means we allow our heart soul and mind to become immersed in God and filled with His presence This is worship And it s our calling in life Worship is prayer It s true prayer But it s not only a prayer we offer at church or at a specific prayer time Rather we are called to worship God 24 7 in all that we do and all that we are We cannot set specific times of worship and times when we do not worship It s a calling to constantly be in God s presence surrendering all to Him This book is about Worship of the Triune God There is nothing more important in life than what is presented here in these pages Not because of this book itself but because of the truths this book shares There are

two main sections of this book The first section is about prayer as it is lived in the Sacraments of our Church The Sacraments can seem at times to be dry dull and repetitive They can at times feel like empty rituals that we are obliged to do out of obedience But when understood and entered into correctly the Sacraments become the greatest source of our intimacy with our God They become personal They become My Catholic Worship The second section of this book deals with all other forms of prayer It highlights various methods as well as the meaning of prayer So jump into this book with an open heart and know that God wants to draw you more closely to Himself in all forms of worship He wants you to know and love Him with your whole heart soul and strength And the way to do just that is prayer About this Series The My Catholic Life series is a three volume series written as a complete summary of our glorious Catholic faith The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way We need to know who we are and what life is all about And we need to know who God is and what He has spoke to us through the ages Volume One My Catholic Faith is a summary of the Apostles and Nicene Creed This volume looks at everything from the creation of the world to God s eternal plan of salvation Other topics include Afterlife saints God faith and the Church It is a summary of the teaching of the Catechism of the Catholic Church 1 1065 Volume Two My Catholic Worship is a summary of the life of grace found in prayer and the Sacraments So often the Sacraments can be seen as dry and empty rituals But they are in reality the greatest treasures we have They are God s true presence among us It is a summary of the Catechism of the Catholic Church 1066 1684 and 2558 2865 Volume Three My Catholic Morals is a summary of the morality itself knowing how we choose right from wrong as well as a summary of all the moral teachings of our faith It is a summary of the Catechism of the Catholic Church 1691 2557 Nihil Obstat Imprimatur granted for three volume series

O'Reilly, 2010 Conjugal Chastity in Pope Wojtyla explains how Karol Wojtyla philosopher theologian and Pope tried to show how the sexual act within the context of marriage is an expression of love After explaining how love as goodwill is the foundation of conjugal love the correct relationship between love and justice is clarified The negative dimension of the personalistic norm of Wojtyla is then critically examined Conjugal love is explained in terms of conjugal beneficence based on conjugal benevolence This love leads to total self giving in each conjugal act The procreative meaning of the conjugal act seems to be its most formal element the soul of the act so to speak the unitive element is described as an essential property of this act something which necessarily flows from the conjugal act which is open to life Chastity is the virtue that allows sexuality to be integrated into a love which is truly personal and reflects Trinitarian Love **The Booklist Books**, 1926 Contains general literature fiction children s books technical books **Problems of To-morrow** Fred Abijah Rees, 1918 **An Introduction to Canon Law** James A. Bristow, 1997 Many of today s moral conflicts concerning family values and medical ethics have their basis in different conceptions of man and the nature and purpose of human life Fr Bristow argues that contemporary utilitarianism and the various forms of permissive morality are insufficient for dealing with these matters and that only a natural law morality is adequate to the needs and dignity of the human person He goes on to apply its principles to the issues that derive from advancing technology such as genetic engineering in vitro fertilization embryo research drugs
