

Parents Mentally Handicapped Children

**United States. Congress. Senate.
Labor and Public Welfare**

Parents Mentally Handicapped Children:

Parenting Matters National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Supporting the Parents of Young Children, 2016-11-21 Decades of research have demonstrated that the parent child dyad and the environment of the family which includes all primary caregivers are at the foundation of children's well being and healthy development From birth children are learning and rely on parents and the other caregivers in their lives to protect and care for them The impact of parents may never be greater than during the earliest years of life when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment Parents help children build and refine their knowledge and skills charting a trajectory for their health and well being during childhood and beyond The experience of parenting also impacts parents themselves For instance parenting can enrich and give focus to parents lives generate stress or calm and create any number of emotions including feelings of happiness sadness fulfillment and anger Parenting of young children today takes place in the context of significant ongoing developments These include a rapidly growing body of science on early childhood increases in funding for programs and services for families changing demographics of the U S population and greater diversity of family structure Additionally parenting is increasingly being shaped by technology and increased access to information about parenting Parenting Matters identifies parenting knowledge attitudes and practices associated with positive developmental outcomes in children ages 0-8 universal preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge attitudes and practices and barriers to and facilitators for parents use of practices that lead to healthy child outcomes as well as their participation in effective programs and services This report makes recommendations directed at an array of stakeholders for promoting the wide scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice It is meant to serve as a roadmap for the future of parenting policy research and practice in the United States

Parents and Young Mentally Handicapped Children Helen McConachie, 2016-01-08 First published in 1986 this book reviews research on the role parents play in fostering the early development of children with mental handicaps Professionals and parents must work together to give such children the chance of living as ordinary lives as possible and here the author develops a broadly based conceptual framework for the involvement of parents as teachers of their young handicapped children McConachie identifies characteristics of parents which seem of particular relevance to the design and success of intervention programmes Although written in the 1980s this book discusses topics that are still important today

Special Children, Challenged Parents Robert A. Naseef, 2001 When a child is born family life changes forever If that child has special needs the changes can seem overwhelming What are the daily blessings and challenges that await parents when their child is not who they expected How can they deal with their

complex emotions build a relationship with their special child and maintain family unity Dr Robert A Naseef a professional psychologist and father of a son with autism answers these critical questions with keen insight and honesty **Special Children Challenged Parents** is both a father's intensely personal journey and an invaluable professional guide for parents of children with disabilities Parents will get Naseef's perspective on Acknowledging and managing difficult emotions like grief fear anger and shame Recognising differences in the way fathers and mothers deal with a child's disability Tuning in to their child's individual traits and temperament Coping with challenging behaviour through positive methods Understanding the ongoing impact of a child's disability on siblings and parents Communicating effectively with the professionals caring for their child

My Parent's Keeper Eva Marian Brown,1989 Many adult children of mentally ill parents share similar problems of guilt over having left home poor self esteem lack of confidence and inability to express emotions This guide helps you to cope with guilt bolster self esteem and deepen intimacy

The Child who Never Grew Pearl Sydenstricker Buck,1992 An account of the sorrow and the spiritual rewards the author experienced as the mother of a retarded child

Special Kids Need Special Parents Judith Loseff Lavin,2001-03 Parents of children with special needs face unique emotional and practical challenges that are seldom addressed by the medical community In **Special Kids Need Special Parents** Judith Loseff Lavin herself the parent of a child with special needs draws on interviews with health care professionals nationally recognized authorities and other parents to give readers the answers advice and comfort they crave Coping with chronic pain sleep problems and frequent hospitalizations Dealing with feelings of grief and anger Choosing a therapist Finding suitable reliable childcare How to cope with teasing The impact a special needs child can have on a marriage siblings and grandparents Finding cosmetic prosthetic and orthotic help and more

Dictionary of Mental Handicap Mary P. Lindsey,2002-03-11 Over recent years the policy of isolating and institutionalizing mentally handicapped people has gradually been dismantled and a major shift to community care has taken place But integration within the general community and access to special services has greatly increased the number of people with a need to know about mental handicap Each profession or discipline has its own terminology nowadays one must be conversant with all of them In this comprehensive dictionary Mary Lindsey has brought together terms and concepts from a wide variety of fields Approximately 2 400 entries are included ranging in length from concise explanations to encyclopaedic essays but always expressed in clear simple language Where appropriate suggestions for further reading are made and possible sources of further information given An extensive system of cross references leads the interested reader further and makes valuable connections between entries The medical aspects of mental handicap its causes prognoses and treatments are of course covered in detail But although the cause of mental handicap may be medical subsequent interventions may be sociological psychological educational medical paramedical or psychiatric This is reflected in the choice of entries making the Dictionary an invaluable source of reference for all those involved with mentally handicapped people in any capacity whatsoever

Mental Handicap Simon Dyson,2002-11-01 First

Published in 2004 In academic popular and official literature a great deal has been written about parent professional relationships They are often represented as being fundamentally important and valuable for all the parties involved The author of this book is concerned with the unequal power relations between parents and professionals and that professionals assumptions and practices should be viewed as questionable from a parental perspective This study concerns the parents of mentally handicapped children and to a lesser extent the various professionals including academics who impinge on their lives

Selected Reading Suggestions for Parents of Mentally Retarded Children Kathryn Gorham Morton, Cory Moore, United States. Office of Child Development, 1970 *Library of Congress Subject Headings* Library of Congress, 1991

Library of Congress Subject Headings Library of Congress. Office for Subject Cataloging Policy, 1991 Who's Fit to be a Parent? Mukti Jain Campion, 1995 In recent years the notion of parenting and parenthood have increasingly come under examination from the media and professionals and in particular government and politicians More and more parents are being held to account by society for their failure to deliver the sort of citizens it wants But what are parents supposed to be doing Are there some people that are inherently unfit to be parents and does there exist a body of knowledge that defines fit parenting Who's fit to be a parent covers this highly topical and important subject in a stimulating and accessible way that cuts across numerous professional disciplines and opens up the boundaries between professional and personal expertise on parenting It is essential reading for any professional or student of social work and social policy those working in the voluntary services concerned with the family social policy makers and for anyone interested in understanding what it means to be a parent today What I Would Tell You Julie Keon, 2015-04 *Working with Families of Children with Special Needs* Naomi Dale, 2008-03-07 The importance of partnerships between professionals and the parents of children with special needs disability is well established in childcare legislation But is it reflected in practice Written for practitioners and those in training this book recognises that forming partnerships can be a fraught process involving dissent as well as cooperation Naomi Dale draws on case histories from her own experience to examine key partnership issues such as consent confidentiality and diagnosis delivery She combines up to date theory and research with practice to provide a wealth of suggestions and ideas for effective family work *Working with Families of Children with Special Needs* features useful exercises with each chapter making it an excellent resource book and practice manual for multidisciplinary professionals

Caring for the Mentally Handicapped Child David Wilkin, 2016-01-08 First published in 1979 this book concerns itself primarily with the mothers of mentally handicapped children It discusses the problems of assistance that they may have experienced from their families the community or the available services Whilst arguing for far more support for mothers when they are the main carer this book also suggests reasons why some families are more easily able to cope with the problems of caring for severely handicapped children This study is based on research that was conducted for and funded by the Department of Health and Social Security between 1973 and 1976 **Library of Congress Subject Headings** Library

of Congress. Cataloging Policy and Support Office,2000 **Physically Handicapped Children's Education Act of 1950**
United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Education of Physically
Handicapped Children,1950 Considers 81 S 3102 **Children's Rights and the Developing Law** Jane Fortin,2003-04 This
text considers the developing law in England and Wales as it applies to the burgeoning and confusing subject of the rights of
children It examines the extent to which the emerging legal principles can be harnessed to fulfil those rights **Physically**
Handicapped Children's Education Act of 1950, Hearings...on S. 3102 United States. Congress. Senate. Labor and
Public Welfare,1950 When Parents Have Problems Susan Beth Miller,1995
