Twelve Ordinary Men John F. MacArthur, 2006-05-08 Discover how God used ordinary men Jesus s twelve chosen disciples to change the world and how He can accomplish the same thing through you You don t have to be perfect to do God s work Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament Join bestselling author John MacArthur in Twelve Ordinary Men as he draws principles from Christ s careful hands on training of the original disciples for today s modern disciple you Jesus chose ordinary men fishermen tax collectors political zealots and turned their weakness into strength producing greatness from people who were otherwise unremarkable The twelve disciples weren t the stained glass saints we imagine On the contrary they were truly human all too prone to mistakes misstatements wrong attitudes lapses of faith and bitter failure Simply put they were flawed people just like us But under Jesus teaching and touch they became a force that

forever changed the world MacArthur takes you into the inner circle of the disciples their selection their training their personalities and their incredible impact As MacArthur took a closer look at the lives of the twelve disciples he found himself asking difficult questions along the way including Why did Jesus pick each of the twelve disciples How did Jesus teach them everything he could in just eighteen short months Can the lessons that Jesus taught the disciples can still influence our faith today In Twelve Ordinary Men you ll learn that disciples are living proof that God s strength is made perfect in weakness As you get to know the men who walked with Jesus you ll see that if he can accomplish his purposes through them he can do the same through you
