[The New Coach's Guide to Coaching Youth Soccer](#) Robert L. Koger, 2015-08-04 Expert advice to make youth soccer more fun for players, parents and coaches. Robert Koger coached youth soccer for over twenty five years. For the thousands of new coaches taking over teams every year, the advice he offers will make their lives easier and their teams better. Koger covers everything a new coach needs to know: the rules of the game, the layout of the field, the logistics of finding playing space, setting up practices, and even handling pesky problem parents. If you want to understand the offsides rule, clarify what goalkeepers can and can't do inside the penalty box, need advice on conditioning and training players, you'll find it here. Designed specifically to help coaches work with young players ages four through eight, Koger's goal is to make the game fun for kids, parents and coaches. With fourteen million American children playing in organized leagues and more new coaches needed every year, this book is essential and helpful reading for anyone who chooses to take up the whistle and manage a team. someday and the answer for them and most of their parents will be a resounding Yes Among the most successful international teams in any sport in the past three decades the USNWT has emerged as a collective cultural icon with its individual members redrafting the very definition of female across the globe With the lines blurring between male and female behavior girls are competing ferociously and celebrating wildly without apology Women are demanding gender and racial equity while dressing and speaking authentically and loving however and whomever they choose The reality is that making the National Team is about as likely as winning the lottery Of the tens of millions of soccer players since the team was formed in 1985 fewer than 250 women have ever made it to the highest level as of 2020 In *Raising Tomorrow's Champions* one of those players 16 year professional Joanna Lohman joins current soccer dad and 40 year journalist Paul Tukey to share the team members stories from the early pioneers like Michelle Akers Brandi Chastain and Mia Hamm who are now parents themselves to modern day household names like Abby Wambach Alex Morgan and Megan Rapinoe For a true picture of what makes these women champions Joanna and Paul also talked to their parents coaches and teammates The result of this unprecedented access to the National Team is an intimately revealing portrait of what it takes to make it to the top not just in soccer but in life Not every child will make the most elite team but the choices they and their families make in the face of challenge and adversity may define their childhood their high school experiences their college options and their path forward in life Not every child will necessarily even play soccer but the lessons shared within *Raising Tomorrow's Champions* can help him or her become accomplished authentic and satisfied adults no matter what path they choose
