Parents Magazine Mothers Encyclopedia:

Parents Magazine's Mother's Encyclopedia and Everyday Guide to Family Health Suzanne Loeb, 1981 **The Mother's Encyclopedia ... Compiled and Edited by the Editors of "The Parents Magazine."** ,1933 Parents' Magazine & Better Homemaking ,1929 America's 1 family magazine **Mother's Encyclopedia** Parents, Magazine, 1951 **Mother's Encyclopedia** ,1942 **The Modernization of Fatherhood** Ralph LaRossa, 1997 The period between World War I and World War II was an important time in the history of gender relations and of American fatherhood. Revealing the surprising extent to which some of yesterday's fathers were involved with their children, *The Modernization of Fatherhood* recounts how fatherhood was reshaped during the Machine Age into the configuration we know today. LaRossa explains that during the interwar period the image of the father as economic provider, pal and male role model all in one became institutionalized. Using personal letters and popular magazine and newspaper sources, he explores how the social and economic conditions of the Roaring Twenties and the Great Depression, a period of technical innovation as well as economic hardship, fused these expectations into a cultural ideal. With chapters on the U.S. Children's Bureau, the fathercraft movement, the magazine industry and the development of *Parents' Magazine* and the creation of Father's Day, this book is a major addition to the growing literature on masculinity and fatherhood. **Mother's Encyclopedia** Parents, Magazine, 1951 **Mother's Encyclopedia** Parents, Magazine, 1951 *Mother's Encyclopedia and Everyday Guide to Family Health* ,1978 **Mother's Encyclopedia** Parents, Magazine, 1951 *Mother's Encyclopedia* Parents, Magazine, 1951 *Mother's Encyclopedia* Parents, Magazine, 1951 **Review of Reviews** Albert Shaw, 1936 Raising Consumers Lisa Jacobson, 2004-11-17 In the present electronic torrent of MTV and teen flicks, Nintendo and Air Jordan advertisements, consumer culture is an unmistakably important and controversial dimension of modern childhood. Historians and social commentators have typically assumed that the child consumer became significant during the postwar television age. But the child consumer was already an important phenomenon in the early twentieth century. The family, traditionally the primary institution of child socialization, began to face an array of new competitors who sought to put their own imprint on children's acculturation to consumer capitalism. Advertisers, children's magazine publishers, public schools, child experts and children's peer groups alternately collaborated with and competed against the family in their quest to define children's identities. At stake in these conflicts and collaborations was no less than the direction of American consumer society: would children's consumer training rein in hedonistic excesses or contribute to the spread of hollow commercial values? Not simply a new player in the economy, the child consumer became a lightning rod for broader concerns about the sanctity of the family and the authority of the market in modern capitalist culture. Lisa Jacobson reveals how changing conceptions of masculinity and femininity shaped the ways Americans understood the virtues and vices of boy and girl consumers and why boys, in particular, emerged as the heroes of the new consumer age. She also analyzes how children's own behavior, peer culture and emotional investment in goods

influenced the dynamics of the new consumer culture *Raising Consumers* is a provocative examination of the social economic and cultural forces that produced and ultimately legitimized a distinctive children s consumer culture in the early twentieth century Recreation ,1934 *W.P.A.
