

PARENTS MATTER

*Parents' Relationships
with Lesbian Daughters
and Gay Sons*

By ANN MULLER

Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons

Barbara F. Okun

Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons:

Parents Matter Ann Muller, 1987 Most of the existing literature on homosexuality describes gay males with lesbian experience sometimes added on like the tail of a kite This book is different It draws evenly from the stories of lesbian daughters and gay sons It was planned that way This book is different in another way that was not planned not anticipated It shows ever so consistently that lesbian daughters have more difficulty with their parents than do gay sons Why did all these gay children tell their parents What were the circumstances that led them to this decision How did they tell them what words did they use And how did those parents react immediately and months later This book gives the fascinating answers to all those questions and many more Publisher's description **Fortunate Families** Mary Ellen Lopata, 2003 **Fortunate Families** addresses the experience of Catholic parents who love their gay sons and lesbian daughters The book had its genesis in a descriptive survey of over 200 such parents It integrates results from the survey church documents and stories so readers can access what they need most Some readers will search for accurate information about Catholic teaching others may connect with the lived experience of other Catholic parents Still others will find examples of ministerial advocacy and support within the Catholic Church **Fortunate Families** has all this and more Conventional wisdom emphasizes the stories of parents who react to the news that their child is gay in verbally or physically abusive ways These stories are told so often they take on an aura of normalcy But there are other stories of parents who struggle against the pressures of society and church to find and believe in the goodness of their gay child It is critically important for parents to hear the stories of others who walked the same road before them who have come through the experience closer to their gay or lesbian child and who are willing to work to make the church more welcoming Equally important is the opportunity for pastoral ministers to hear the voices of these parents and understand the need for outreach and pastoral care for gay and lesbian Catholics and their families **Fortunate Families** will help prepare pastoral ministers help families come out of their isolation work through their confusion and pain and celebrate how fortunate they actually are **What Does a Princess Really Look Like?** Mark Loewen, 2018-07-01 Inside of our head is where our smarts are she said to herself And this princess is very smart Chloe dreams of being a ballerina princess But today she is not practicing her twirls or leaping from room to room She digs deep in her art drawer to find what she needs to craft her very own princess ballerina The project quickly turns into more than a simple princess drawing Chloe realizes that princesses are not just about beautiful hair and sparkly dresses As her work of art comes to life she discovers the qualities of character that make up her princess When she feels insecure about an imperfection in her art her dad's point out that the personal quirks make her princess unique And Chloe realizes that she is not too different from the princess she so admires When you know what you want not much can stop you Princesses can look all kinds of ways What kind of princess are you Filled with the fuel young girls need to believe in themselves this book carries the right message at the right time for the next generation of brave young women It's a must read Katherine Wintch

Founder and CEO of The Mom Complex a breath of fresh air for children of different ages providing the very essence that children can have dreams and be very creative with those dreams Erika Tranfield Director and Co founder of Pride Angel

Psychological Perspectives on Lesbian, Gay, and Bisexual Experiences Linda Garnets,2003 This book provides an overview of current thought about the psychological issues affecting lesbians bisexuals and gay men **Coming Out as**

Parents David K. Switzer,1996-01-01 David Switzer helps parents understand their reaction to and feelings about discovering that their child is gay or lesbian He explores recent research on homosexuality emphasizes the need for reconciliation and deals with common parental responses to the child s disclosure **Same Sex Intimacies** Catherine Donovan,Brian Heaphy,Jeffrey Weeks,2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies **An Introduction to GLBT Family Studies J**

Jerry Bigner,2013-05-13 Gain a better understanding of the special therapeutic issues and needs of GLBT families In terms of research GLBT families constitute a neglected segment of society Gender and sexual orientation can make the issues in family studies even more difficult to work through An Introduction to GLBT Family Studies tackles a challenging research topic by presenting noted experts examining the latest information on the newest type of family studies GLBT families This groundbreaking text explores a wide range of unique problems faced by nontraditional families as well as issues common to traditional families that need to be approached with a GLBT perspective Though homophobia and heterosexism constantly influence GLBT families these factors do not necessarily overwhelm the dynamic of their basic family unit Issues present in many traditional families are found when researching GLBT families An Introduction to GLBT Family Studies spotlights the issues research and future trends that provide a foundation for the study of GLBT families This breakthrough volume focuses not only on the obvious unique factors within GLBT families but also on the elements encountered within families that are present regardless of sexual orientation and gender such as physical and emotional abuse Expert contributors present research findings on family pattern issues relating to parent child relationships child development sibling relationships family structure intimate relationships stepfamilies alternative family structures and extended family relationships Each chapter is extensively referenced and offers possibilities for further research An Introduction to GLBT Family Studies discusses family

studies topics such as the impact of the family of origin life course perspective transgender identity issues and the family when a spouse comes out as gay lesbian or bisexual a study of lesbian couples adapting genogram techniques in therapy research comparing siblings of different sexual orientations studies of patterns of responses to parental reactions to learning their offspring are gay lesbian or bisexual the polyamory structure to some gay men s familial relationships same sex marriages and legalized relationships gay male couples roles in today s society the impact of heterosexism on working with same sex relationships research on long term lesbian couples An Introduction to GLBT Family Studies is a valuable reference for academic researchers in family studies marriage and family therapy social work and counseling educators upper division undergraduate and graduate students and anyone interested in better understanding GLBT family studies **The Family of Woman** Maureen Sullivan,2004-09-06 Drawing upon interviews with gay families Sullivan contends that gay families have more equitable social relations and move forward in equalizing gender roles **Lesbian Couples** D.Merilee Clunis,G. Dorsey Green,2004-12-21 Written by two experienced lesbian therapists Lesbian Couples covers a range of topics from marriage to money to conflict resolution and presents a variety of helpful examples and problem solving techniques drawing from research done on lesbian couples over the past decade *How Homophobia Hurts Children* Jean M Baker,2013-12-16 Homophobia hurts kids Explore ways to minimize that trauma This book illustrates the ways that children growing up to be gay are harmed by homophobia before anyone including themselves even knows they are gay This compelling and sympathetic volume describes many simple ways that these children can be helped to understand that they can grow up to lead normal lives with hopes and dreams for their futures How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community brings home the voices of these children They describe their experiences to show how they came to the frightening recognition that they are part of a group held in disregard by the rest of society even sometimes by their own families Dr Jean M Baker the author of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community is a clinical psychologist and the mother of two gay sons In this book she shares her experience as both psychologist and mother to show how the myths and fallacies about homosexuality have influenced parents schools churches and lawmakers to send children the cruel message that if they are gay they are not normal and will not be able to lead normal lives In this unique volume you ll find a chapter on identity development following the Eriksonian model interviews with high school students who are self identified as gay firsthand descriptions of the harassment and victimization of those perceived as gay in schools research on how victimization at school affects gay youths a discussion of the relatively new phenomenon of gay straight alliances gay support groups or clubs a chapter on transgender identity with interviews with four transsexual persons who describe their personal childhood experiences and their transition process The focus of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community centering on the social and familial experiences of children who will grow up to be gay but have not yet come to that realization is unique But beyond

that this book also explains how homophobia affects the attitudes of non gay children by leading them to believe that it is acceptable to mistreat homosexuals Finally specific suggestions are made for changes in parenting and changes in school classroom practices that could help prevent the harm that is inflicted upon so many of our gay children Everyone who comes in contact with children on their way to becoming gay lesbian bisexual transgender adults needs to read this book

Straight Jobs Gay Lives Sharon Silverstein,Annette Friskopp,2010-05-11 The workplace has become the next frontier for gay rights stated a Fortune magazine cover story and this book based on a series of groundbreaking interviews with more than 100 gay and lesbian alumni of the Harvard Business School is the most complete and most in depth study ever made of gay and lesbian managers executives and employees in this country *Straight Jobs Gay Lives* frankly examines issues such as coming out versus being closeted in the workplace harassment discrimination health and insurance benefits resources and support groups and the differences between the experiences of gay men and lesbians With hundreds of personal stories from men and women of all ages and races *Straight Jobs Gay Lives* provides readers with the encouragement information and support that they need to navigate today s fast changing business world **Families Like Mine** Abigail Garner,2004-03-30 What is it really like to grow up with gay parents Abigail Garner was five years old when her mother and father divorced and her dad came out as gay Growing up immersed in gay culture she now calls herself a culturally queer heterosexual woman As a child she often found herself in the middle of the political and moral debates surrounding lesbian gay bisexual and transgender LGBT parenting At the age of twenty two she began to speak publicly about her family and has since become a nationally recognized advocate for the estimated 10 million children growing up with LGBT parents The creator of FamiliesLikeMine com Garner has written a deeply personal and much needed book about gay parenting from the seldom heard perspective of grown children raised in these families Based on eight years of activism combined with interviews with more than fifty sons and daughters *Families Like Mine* debunks the anti gay myth that these children grow up damaged and confused At the same time Garner s book refutes the popular pro gay sentiment that these children turn out just like everyone else In addition to the typical stresses of growing up the unique pressures these children face are not due to their parents sexuality but rather to homophobia and prejudice Using a rich blend of journalism and memoir Garner offers empathetic yet unapologetic opinions about the gifts and challenges of being raised in families that are often labeled controversial As more LGBT people are pursuing parenthood and as the visibility of gay parenting is rapidly increasing many of the questions about these families focus on the best interests of their children Eloquent and sophisticated *Families Like Mine* addresses these questions providing an invaluable insider s perspective for LGBT parents their families and their allies Handbook of Affirmative Psychotherapy with Lesbians and Gay Men Kathleen Ritter,Anthony I.

Terndrup,2002-01-16 Grounded in current research this comprehensive volume lays the foundations for effective affirmative therapeutic practice with lesbian gay and bisexual clients Addressed are family of origin issues couple problems including sex

therapy with same sex partners vocational and workplace issues and more The extensive appendix lists a broad array of publications advocacy groups and Web based resources for both professionals and consumers 12 01 **Modern**

Homosexualities Ken Plummer, 2002-09-11 Sets the political agenda for gay and lesbian studies in the 1990s Ken Plummer is one of the leading authors in the field see previous publications Deals with practical matters families International flavour of contributors *Married Women Who Love Women* Carren Strock, 2009-04-15 This book is about women in heterosexual marriages who discover or come to terms with their lesbianism or bisexuality It answers questions such as how women make this discovery what they do once they realize their same gender sexuality how family and friends deal with the situation and what happens to marriages and families This second edition contains a new introduction three new chapters a glossary of gay related terms and a new list of additional reading **Mothers Surviving Child Sexual Abuse** Carol-Ann

Hooper, 2013-01-11 Despite increased recognition of the high incidence of child sexual abuse little attention has so far been paid to the women on whom children primarily depend for care and protection their mothers Informed by theory and research on other situations involving loss secrecy and moral dilemmas as well as the rapidly accumulating knowledge of child sexual abuse *Mothers Surviving Child Sexual Abuse* offers a new analysis of mother's reactions and responses presenting a fresh perspective on a shocking problem for practitioners and policy makers involved in child protection as well as students and lecturers of social work and social studies and women's studies **How it Feels to Have a Gay Or Lesbian Parent**

Judith E. Snow, 2004 In their own words children of different ages talk about how and when they learned of their gay or lesbian parent's sexual orientation and the effect it has had on them *Something to Tell You* Gilbert H. Herdt, Bruce Koff, 2000 An internationally known anthropologist and an eminent social worker psychotherapist show how families can thrive and actually grow through the creation of more honest relationships when a son or daughter comes out

Understanding Diverse Families Barbara F. Okun, 1998-07-17 Today's mental health practitioners face a rapidly changing clientele Divorce remarriage multiracial marriages different types of adoption openly gay and lesbian relationships all have significantly altered the nature and composition of families An indispensable classroom text and an important resource for clinicians working in private practice managed care and other settings this book insightfully examines a range of healthy families with creative family structures

Same Sex Marriages B. Heaphy, C. Smart, A. Einarsdottir, 2013-03-05 Based on extensive couple and individual interviews with young same sex couples who have legally formalized their relationships this book argues that same sex marriages as they are lived need to be understood in terms of interlinked developments in lesbian and gay life heterosexual relationships and in personal life

Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons Books

What is a Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free

tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Parents Matter Parents Relationships With Lesbian Daughters And Gay Sons PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
