Parents, Zits and Hairy Bits Gez Walsh, 2000-07 Parents zits and hairy bits the three worst nightmares of any new teenager In this his fourth book Gez Walsh sets out to explore through the eyes of Wilf the strange landscape that confronts him at the tender age of 13 and capture those feelings in verse [Getting the Buggers to Read 2nd Edition](#) Claire Senior, 2008-08-20 This is a fully up dated guide for teachers and trainees containing a new chapter on getting boys into books plus an extended directory and plenty suggestions for further reading Although reading is essential for every subject very little attention has been paid to how it is taught especially in secondary schools This practical guide shows teachers how they can improve their students reading skills using a variety of strategies including setting up reading clubs celebrating world book day and creating a reader friendly school Brimming with top tips and innovative advice this book will prove invaluable to teachers everywhere **Trust Me, I'm a Banker** David Charters, 2012-07-17 In the tradition of American Psycho comes this hilariously cynical and often brutal novel skewering the world of investment banking set in the heart of London high finance Meet Dave Hart just your typical investment banker It s not long until Bonus Day the most important day of the year and anything less than a million pounds would be an insult After all Dave has to buy a new car a new Rolex for his wife and a second home in the country Not to mention support a few personal habits legal or otherwise that gentlemen bankers don t discuss in public Unfortunately a million really isn t what it used to be and no one else seems to value Dave as much as he knows he s worth Luckily competence and charm have never been accurate barometers for success in high finance and Dave just might be able to weasel and blunder his way to the top Extremely funny and razor sharp **Trust Me I m a Banker** is the tale of one man s quest for outrageous compensation and alpha status in a world where pitiless ambition insecurity and moral ambiguity are second nature and glitter is far more important than gold This flawless social satire is a highly enjoyable voyeuristic glimpse into our modern culture of narcissism materialism and bottomless greed
