Paris I Love:

Paris: A Love Story Kati Marton, 2013-03-12 Marton first spent time in Paris during college in 1968 when France was in revolt as a young student she was inspired by researching the history of her survivalist family who had escaped from communist Hungary to France Ten years later Paris was the setting for her big career break as ABC bureau chief as well as where she found passionate love with Peter Jennings the man to whom she was married for 15 years and had two children It was again in Paris years later where she found enduring love with her husband Ambassador Richard Holbrooke And it was to Paris where Kati returned in order to rebuild her spirit in the wake of Richard's death Kati Marton's newest memoir is a candid exploration of many kinds of love as well as a love letter to the city of Paris itself Paris, I Love You but You're **Bringing Me Down** Rosecrans Baldwin, 2012-04-24 A fresh exhilarating take on one of the world's most popular topics Paris the City of Light by an acclaimed novelist Rosecrans Baldwin A self described Francophile since the age of nine Rosecrans Baldwin had always dreamed of living in France So when an offer presented itself to work at a Parisian ad agency he couldn t turn it down even though he had no experience in advertising and even though he hardly spoke French But the Paris that Rosecrans and his wife Rachel arrived in wasn t the romantic city he remembered and over the next eighteen months his dogged American optimism was put to the test at work where he wrote booklets on breastfeeding at home in the hub of a massive construction project and at every confusing dinner party in between A hilarious and refreshingly honest look at one of our most beloved cities Paris I Love Youbut You re Bringing Me Down is the story of a young man whose preconceptions are usurped by the oddities of a vigorous nervy metropolis which is just what he needs to fall in love with Paris a second time
