**Paris in the Age of Absolutism** Orest Ranum,1968      *Paris* Frances Chambers,1998 A comprehensive bibliography of the French capital Includes sections on geography guidebooks history economy literature and intellectual life politics the arts architecture and urban planning and mass media The history arts and literature sections take up the bulk of the text Most cited works were published after 1970 Annotation copyrighted by Book News Inc Portland OR      **The French Book** Henri-Jean Martin,1996-07-26 The book as the subject of a distinct historical discipline dates from the landmark publication of *L Apparition du livre* by Lucien Febvre and Henri Jean Martin in 1958 In this further contribution to his pathbreaking work with Febvre eminent French historian Henri Jean Martin explores the role of the book and book industry in early modern France Martin begins with a sweeping look at the revolutionary role played by the new technology of printing in Europe of the Renaissance and Reformation Shifting the focus to France he then examines the political implications of publishing in the reign of Francis I including such topics as the founding of royal and university libraries the role of church state relations Richelieu s cultural program and censorship In revealing case studies of Rouen and Grenoble Martin pinpoints precisely which books were sold and to which social groups and explains why the initially successful printers of Rouen were eventually forced out of business by the Parisian courts Martin also casts a discerning eye on early graphic design from the first illustrated coffee table books purchased by the newly rich to the invention of the paragraph to facilitate reading And he shows how attempts by the French government to suppress and control publication were eventually thwarted by free market forces from Amsterdam and Neufchatel This is a book that will be of interest to those who study the history of the book intellectual history of early modern Europe and the relation between politics and ideas      [A/AS Level History for AQA Russia in the Age of Absolutism and Enlightenment, 1682-1796 Student Book](#) John Oliphant,2016-04-14 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book provides full coverage of the Russia in the Age of Absolutism and Enlightenment 1682 1796 Breadth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes      [France in the Age of Louis XIII and Richelieu](#) Victor Lucien Tapié,1975 When Cardinal Richelieu became Louise XIII s chief minister in 1624 France was in danger of becoming a vassal state By strengthening the power of the state and pressing the whole nation into its service Louis and Richelieu helped to liberate France from its medieval shackles and opened wider horizons for every Frenchman Richelieu is generally regarded as the architect of French unity who perceived better than any of his contemporaries the historical trend toward the modern nation state In this book Victor L Tapie refutes those who have attempted to detach Richelieu from the age in which he lived

Richelieu from the age in which he lived Richelieu's greatness he argues resided precisely in his being a man of his time who in all his work never lost sight of realities but sought to merge them with France's needs and aspirations Yet however responsible Richelieu was for the achievements of his era it would be unjust to discount the contribution of Louis XIII Inspired by a sense of his mission as ruler the King was capable of speaking and acting in ways that compelled obedience and lent authority to the cardinal's domestic and foreign policies The imposing administrative structure that the two men erected though incomplete and precarious provided the foundation for the glorious years of Louis XIV This important work by an eminent French historian develops these themes as it traces the reign of Louis XIII from its ominous beginning in 1610 to its profoundly moving close thirty three years later Although Louis and Richelieu are the main protagonists of his stirring account Professor Tapie never loses sight of the French people This wise and compassionate book brings to life the entire society that inspired Alexandre Dumas's classic *The Three Musketeers*

**History of the Church: The church in the age of absolutism and enlightenment** Hubert Jedin, John Patrick Dolan, 1981 *Paris in the Age of Absolutism* Orest A.
