A Map of the World Jane Hamilton, 1999-12-03 NATIONAL BESTSELLER From the author of the widely acclaimed *The Book of Ruth* comes a harrowing heartbreaking drama about a rural American family and a disastrous event that forever changes their lives It takes a writer of rare power and discipline to carry off an achievement like *A Map of the World* Hamilton proves here that she is one of the best Newsweek The Goodwins Howard Alice and their little girls Emma and Claire live on a dairy farm in Wisconsin Although suspiciously regarded by their neighbors as that hippie couple because of their well educated urban background Howard and Alice believe they have found a source of emotional strength in the farm he tending the barn while Alice works as a nurse in the local elementary school But their peaceful life is shattered one day when a neighbor's two year old daughter drowns in the Goodwins pond while under Alice's care Tormented by the accident Alice descends even further into darkness when she is accused of sexually abusing a student at the elementary school Soon Alice is arrested incarcerated and as good as convicted in the eyes of a suspicious community As a child Alice designed her own map of the world to find her bearings Now as an adult she must find her way again through a maze of lies doubt and ill will A vivid human drama of guilt and betrayal *A Map of the World* chronicles the intricate geographies of the human heart and all its mysterious uncharted terrain The result is a piercing drama about family bonds and a disappearing rural American life
