Parish As Learning Community:

Parish as Learning Community Tom Downs, 1979 *The Church As Learning Community* Norma Cook Everist, 2010-10-01 Norma Cook Everist contends that it is meaningful to say that in ministries of administration outreach and pastoral care the church is functioning as a learning community Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry there Christian education is taking place Christian education is the name we give to that process of formation Building on this central insight Everist has written a major new introduction to the tasks and practices of Christian education Part 1 of the book focuses broadly on what it means to be the church in the world Part 2 shows how being a learning community requires ongoing growth in faith throughout the span of life Part 3 shifts focus to the church as it moves into the community and world *The New Parish* Dwight J. Friesen, Paul Sparks, Tim Soerens, 2014-04-04 Headlines rage with big stories about big churches But tucked away in neighborhoods throughout North America there is a profound work of hope quietly unfolding Paul Sparks Tim Soerens and Dwight J Friesen have seen in cities suburbs and small towns all over North America how powerful the gospel can be when it takes root in the context of a place The future of the church is local contextual the seeds of that future are shared and spread here Horizons & Hopes Thomas H. Groome, Harold Daly Horell, 2003 Essays exploring the latest ideas on where religious education is headed with an emphasis on adult and young adult faith formation in the context of total catechesis **Toward an Adult Church** Jane E. Regan, 2002 Penance Confirmation Eucharist Children participate in these sacraments and many other Catholic rites thanks to America's long standing model of parish catechesis Once children become adults however what becomes of their faith formation In *Toward an Adult Church A Vision of Faith Formation* Jane Regan explores the current structure of parish catechesis Basing her ideas on contemporary theory and traditional practice Regan sets forth an intriguing argument the vitality of the Church depends on establishing a new education paradigm one that is focused on adults How can parishes design a framework for adult catechesis Will such programs be accepted by local church communities Where does children's faith formation fit into the new structure Regan answers these questions and offers ideas for developing a balanced approach to religious education one that addresses the ongoing faith life of adults Receptive Ecumenism Vicky Balabanski, Geraldine Hawkes, 2018-11-01 This book is a response to the growing recognition of Receptive Ecumenism as a concept and process that has the potential to bring about the greater flourishing of the Church both within denominations and across the Church universal The Living Church, 1977-07 *Parish Ministry for Maturing Adults* Richard P. Johnson, 2007 The current crisis in parish ministry for maturing adults is the reason Richard Johnson wrote this book It is his clear intention that parishes become more active more assertive and more focused on the fundamentals of ministering to those in their maturing years As he looks into the future the author sees this ministry growing steadily and surely taking its rightful place among other parish ministries He calls for a new vision for parish ministry with maturing adults that moves beyond social activities to a new model of spiritual

growth and personal development **Generations of Faith Resource Manual** John Roberto, Mariette Martineau, 2005-07 This invaluable resource offers planning processes and practical tools for fashioning and implementing a lifelong curriculum Includes a CD ROM with PowerPoint presentations for each chapter as well as worksheets and handouts **Congregation** James F.
