Parish Life Coordinator An Institute For Pastoral Life Study:

The Parish Life Coordinator Gary P. Burkart, 1992 The Parish Life Coordinator presents the results of an attitudinal study of 116 parish life coordinators 870 parishioners and 86 diocesan staffs Surveys of these groups provide insight and the basis for future pastoral planning

Staffing Tomorrow's Parishes Maurice Monette, 1990-07 Staffing Tomorrow's Parishes presents the results of the October 1989 IPL symposium Parish Leadership in the Light of the Diminishing Number of Priests

Renewal Anne Hendershott, Christopher White, 2013-12-03 Discusses how younger people are being attracted to the timelessness of the Catholic Church's teachings in contradiction to the aging generation who wanted progressive changes made involving reproductive rights and same sex marriage

The Future Church John L. Allen, Jr., 2012-01-24 One of the world's foremost religion journalists offers an unexpected and provocative look at where the Catholic Church is headed and what the changes will mean for all of us What will the Catholic Church be like in 100 years Will there be a woman pope Will dioceses throughout the United States and the rest of the world go bankrupt from years of scandal In THE FUTURE CHURCH John L Allen puts forth the ten trends he believes will transform the Church into the twenty second century From the influence of Catholics in Africa Asia and Latin America on doctrine and practices to the impact of multinational organizations on local and ethical standards Allen delves into the impact of globalization on the Roman Catholic Church and argues that it must rethink fundamental issues policies and ways of doing business Allen shows that over the next century the Church will have to respond to changes within the institution itself and in the world as a whole whether it is contending with biotechnical advances including cloning and genetic enhancement the aging Catholic population or expanding the roles of the laity Like Thomas Friedman's The World Is Flat THE FUTURE CHURCH establishes a new framework for meeting the challenges of a changing world

Catholic Parishes of the 21st Century Charles E. Zech, Mary L. Gautier, Mark M. Gray, Jonathon L. Wiggins, Thomas P. Gaunt, 2017-01-02 A seminal moment in the study of U S Catholic parish life came in the 1980s with the publication of a series of reports from the ground breaking Notre Dame Study of Catholic Parish Life These reports are now badly outdated as Catholic dioceses grapple with new challenges that didn't exist in the 80s Topics that were not considered then like greater Catholic mobility increased cultural diversity and structural re organization as well as the rise of lay leadership have attained new significance This timely book based on more than a decade of research provides an in depth portrait and analysis of the current state of parish life and leadership Unique in the scope of the research and the timeliness of its findings the book critically examines the current state of parish life The authors draw on data from national polls of Catholics national surveys of parishes and thousands of in pew surveys which explore parishioners needs experiences and satisfaction with parish life in the twenty first century The book provides a unique 360 degree view of parish life from the perspective of
