Catholics on the Road to Sainthood is essential reading for all Catholics particularly at this time in our country's history. There is a common thread in the stories of these six holy men and women: a strong faith, love for others, and personal sacrifice. I appreciate OSV raising awareness of the lives of these candidates for sainthood. It is my hope that reading about their lives and struggles will inspire not just devotion but others to follow in their footsteps. The world desperately needs models of holiness and virtue like the ones contained in this short volume. May their testimony of faith help us bring healing and reconciliation to a divided world and inspire us to respond to our own call to holiness.

Archbishop of Philadelphia, chairman USCCB Committee on Cultural Diversity in the Church
