Armstrong, 1978-06-01 Warrior in Two Camps is the biography of Ely S Parker the first native American to serve as commissioner of Indian Affairs The name Ely Samuel Parker is seldom found among famous Indian chiefs Indeed the name seems somehow out of place in the company of men called Black Hawk or Crazy Horse or Geronimo But the prosaic name is part of the story of an American Indian who chose to live his life in the white man s world It is a story in which a frock coat replaces the traditional deerskin and a surveyor s level and a soldier s orderly book take the place of the wampum belt and the war club Skunny Wundy Arthur C. Parker, 1995-01-01 Collected here are the timeless Native American fables and legends handed down by noted Seneca anthropologist Arthur C Parker Growing up on the Cattaraugus Indian reservation in

western New York Parker knew the importance of the storyteller in Iroquois lives The Seneca stories of animals whose weaknesses and strengths are suspiciously like those of human beings held a special place for Parker who is considered by many as one of the greatest orators in any language Oral traditions whether myths legends or folktales are more than just stories They are the way by which a society communicates to its members the order and meaning to be found in the world around them Young adults and children especially will be captivated by these Seneca tales **Parker on the Iroquois To Be Indian** Joy Porter, 2023-08-04 Born on the Seneca Indian Reservation in New York Arthur Caswell Parker, 1981 State Arthur Caswell Parker 1881 1955 was a prominent intellectual leader both within and outside tribal circles Of mixed Iroquois Seneca and Anglican descent Parker was also a controversial figure recognized as an advocate for Native Americans but criticized for his assimilationist stance In this exhaustively researched biography the first book length examination of Parker's life and career Joy Porter explores complex issues of Indian identity that are as relevant today as in Parker's time From childhood on Parker learned from his well connected family how to straddle both Indian and white worlds His great uncle Ely S Parker was Commissioner of Indian Affairs under Ulysses S Grant the first Native American to hold the position Influenced by family role models and a strong formal education Parker who became director of the Rochester Museum was best known for his work as a museologist a word he coined Porter shows that although Parker achieved success within the dominant Euro American culture he was never entirely at ease with his role as assimilated Indian and voiced frustration at having to play Indian to be Indian In expressing this frustration Parker articulated a challenging predicament for twentieth century Indians the need to negotiate imposed stereotypes to find ways to transcend those stereotypes and to assert an identity rooted in the present rather than in the past Red Jacket, Seneca Chief Arthur Caswell Parker, 1998-01-01 This is the story of controversial Seneca chief and orator Red Jacket ca 1750 1830 whose passionate articulate defense of the old ways won the admiration of many but also earned enmity from other tribal leaders Red Jacket received a medal from George Washington as a token of friendship This biography follows Red Jacket from boyhood through the Revolutionary War The **Code of Handsome Lake, the Seneca Prophet** Handsome Lake, Arthur Caswell Parker, 1913 **Seneca Myths and Folk Tales** Arthur Caswell Parker, 1989-01-01 On the Cattaraugus reservation it was part of a child s initial training to learn why the bear lost its tail why the chipmunk has a striped back and why meteors flash in the sky writes Arthur C Parker at the beginning of Seneca Myths and Folk Tales His blood ties to the Senecas and early familiarity with their culture led to a distinguished career as an archaeologist and to the publication in 1923 of this pioneeering work Parker recreates the milieu in which the Seneca legends and folktales were told and discusses their basic themes and components before going on to relate more than seventy of them that he heard as a boy Here is the magical Senecan world populated by unseen good and evil spirits ghosts and beings capable of transformation Included are creation myths folktales involving contests between mortal youths and assorted powers tales of love and marriage and stories about cannibals talking animals pygmies giants
