

PARKS, POLITICS, and the PEOPLE

By Conrad L. Wirth

With a Foreword by MELVILLE BELL GROSVENOR

Parks Politics And The People

Jane Carruthers

Parks Politics And The People:

Parks, Politics, and the People Conrad Louis Wirth, 1980-01-01 **Parks in Peril** Katrina Brandon, Kent H. Redford, Steven Sanderson, 1998-07 Using the experience of the Parks in Peril program a wide ranging project instituted by The Nature Conservancy and its partner organizations in Latin America and the Caribbean to foster better park management this book presents a broad analysis of current trends in park management and the implications for biodiversity conservation It examines the context of current park management and challenges many commonly held views from social political and ecological perspectives The book argues that biodiversity conservation is inherently political sustainable use has limitations as a primary tool for biodiversity conservation effective park protection requires understanding the social context at varying scales of analysis actions to protect parks need a level of conceptual rigor that has been absent from recent programs built around slogans and stereotypes Nine case studies highlight the interaction of ecosystems local peoples and policy in park management and describe the context of field based conservation from the perspective of those actually implementing the programs Parks in Peril builds from the case studies and specific park level concerns to a synthesis of findings from the sites The editors draw on the case studies to challenge popular conceptions about parks and describe future directions that can ensure long term biodiversity conservation Throughout contributors argue that protected areas are extremely important for the protection of biodiversity yet such areas cannot be expected to serve as the sole means of biodiversity conservation Requiring them to carry the entire burden of conservation is a recipe for ecological and social disaster *The Park and the People* Roy Rosenzweig, Elizabeth Blackmar, 1992 Delineate the politicians business people artists immigrant laborers and city dwellers who are the key players in the tale In tracing the park s history the writers also give us the history of New York They explain how squabbles over politics taxes and real estate development shaped the park and describe the acrimonious debates over what a public park should look like what facilities it should offer and how it should accommodate the often incompatible **Revolutionary Parks** Emily Wakild, 2011 Winner of the Alfred B Thomas Award and sponsored by the Southeastern Council of Latin American Studies Revolutionary Parks tells the surprising story of how forty national parks were created in Mexico during the latter stages of the first social revolution of the twentieth century By 1940 Mexico had more national parks than any other country Together they protected more than two million acres of land in fourteen states Even more remarkable L zaro C rdenas president of Mexico in the 1930s began to promote concepts akin to sustainable development and ecotourism Conventional wisdom indicates that tropical and post colonial countries especially in the early twentieth century have seldom had the ability or the ambition to protect nature on a national scale It is also unusual for any country to make conservation a political priority in the middle of major reforms after a revolution What emerges in Emily Wakild s deft inquiry is the story of a nature protection program that takes into account the history society and culture of the times Wakild employs case studies of four parks to show how the revolutionary momentum coalesced to create early

environmentalism in Mexico According to Wakild Mexico s national parks were the outgrowth of revolutionary affinities for both rational science and social justice Yet rather than reserves set aside solely for ecology or politics rural people continued to inhabit these landscapes and use them for a range of activities from growing crops to producing charcoal Sympathy for rural people tempered the radicalism of scientific conservationists This fine balance between recognizing the morally valuable if not always economically profitable work of rural people and designing a revolutionary state that respected ecological limits proved to be a radical episode of government foresight *National Parks Forever* Jonathan B. Jarvis,T. Destry Jarvis,2022-06-03 Two leaders of the National Park Service provide a front row seat to the disastrous impact of partisan politics over the past fifty years and offer a bold vision for the parks future The US National Parks what environmentalist and historian Wallace Stegner called America s best idea are under siege Since 1972 partisan political appointees in the Department of the Interior have offered two conflicting views of the National Park Service NPS one vision emphasizes preservation and science based decision making and another prioritizes economic benefits and privatization These politically driven shifts represent a pernicious existential threat to the very future of our parks For the past fifty years brothers Jonathan B and T Destry Jarvis have worked both within and outside NPS as leaders and advocates National Parks Forever interweaves their two voices to show how our parks must be protected from those who would open them to economic exploitation while still allowing generations to explore and learn in them Their history also details how Congress and administration appointees have used budget and staffing cuts to sabotage NPS s ability to manage the parks and even threatened their existence Drawing on their experience Jarvis and Jarvis make a bold and compelling proposal that it is time for NPS to be removed from the Department of the Interior and made an independent agency similar to the Smithsonian Institution giving NPS leaders the ability to manage park resources and plan our parks protection priorities and future

Eleanor & Park Rainbow Rowell,2013-02-26 A stunning debut young adult novel about two misfits falling in love for the first time **The Rebellious Life of Mrs. Rosa Parks** Jeanne Theoharis,2021-02-02 Jeanne s book not only inspired the documentary but has been a catalyst in changing our national understanding of Rosa Parks Highly recommend Soledad O Brien executive producer of the Peabody Award winning documentary *The Rebellious Life of Mrs Rosa Parks* A must read for young people Bryan Stevenson author of *Just Mercy* Now adapted for readers ages 12 and up the award winning biography that examines Rosa Parks s life and 60 years of radical activism and brings the civil rights movement in the North and South to life The basis for the documentary of the same name executive produced by award winning journalist Soledad O Brien now streaming on Peacock The documentary is the recipient of the 2022 Television Academy Honors Award A Chicago Public Library s Best of the Best Books of 2021 Selection A Kirkus Reviews Best YA Biography and Memoir of 2021 Selection Rosa Parks is one of the most well known Americans today but much of what is known and taught about her is incomplete distorted and just plain wrong Adapted for young people from the NAACP Image Award winning *The Rebellious Life of Mrs*

Rosa Parks Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek accidental tired or middle class They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after Readers will understand what it was like to be Parks from standing up to white supremacist bullies as a young person to meeting her husband Raymond who showed her the possibility of collective activism to her years of frustrated struggle before the boycott to the decade of suffering that followed for her family after her bus arrest The book follows Parks to Detroit after her family was forced to leave Montgomery Alabama where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond Because Rosa Parks was active for 60 years in the North as well as the South her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement celebrated in schools during Black History Month has warped what we know about Parks and stripped away the power and substance of the movement The Rebellious Life of Mrs Rosa Parks illustrates how the movement radically sought to expose and eradicate racism in jobs housing schools and public services as well as police brutality and the over incarceration of Black people and how Rosa Parks was a key player throughout Rosa Parks placed her greatest hope in young people in their vision resolve and boldness to take the struggle forward As a young adult she discovered Black history and it sustained her across her life The Rebellious Life of Mrs Rosa Parks will help do that for a new generation

Indigenous Peoples, National Parks, and Protected Areas Stan Stevens, 2014-09-18 This passionate well researched book makes a compelling case for a paradigm shift in conservation practice It explores new policies and practices which offer alternatives to exclusionary uninhabited national parks and wilderness areas and make possible new kinds of protected areas that recognize Indigenous peoples rights and benefit from their knowledge and conservation contributions Provided by publisher

On this Patch of Grass Daisy Couture, Matt Hern, Selena Couture, Sadie Couture, Denise Ferreira da Silva, Glen Sean Coulthard, 2018 Parks are a certain kind of property and thus creations of law and they are subject to all kinds of presumptions about what parks are for and what kinds of people should be doing what kinds of things in them Parks as they are currently constituted are colonial enterprises On This Patch of Grass is an investigation into one small urban park Vancouver's Victoria Park or Bocce Ball Park as a way to interrogate the politics of land

Who Cleans the Park? John Krinsky, Maud Simonet, 2017-03-24 America's public parks are in a golden age Hundreds of millions of dollars both public and private fund urban jewels like Manhattan's Central Park Keeping the polish on landmark parks and in neighborhood playgrounds alike means that the trash must be picked up benches painted equipment tested and leaves raked Bringing this often invisible work into view however raises profound questions for citizens of cities In Who Cleans the Park John Krinsky and Maud Simonet explain that the work of maintaining parks has intersected with broader trends in welfare reform civic engagement criminal justice and the rise of public private partnerships Welfare to work trainees volunteers unionized city

workers sometimes working outside their official job descriptions staff of nonprofit park conservancies and people sentenced to community service are just a few of the groups who routinely maintain parks With public services no longer being provided primarily by public workers Krinsky and Simonet argue the nature of public work must be reevaluated Based on four years of fieldwork in New York City *Who Cleans the Park* looks at the transformation of public parks from the ground up Beginning with studying changes in the workplace progressing through the public private partnerships that help maintain the parks and culminating in an investigation of a park's contribution to urban real estate values the book unearths a new urban order based on nonprofit partnerships and a rhetoric of responsible citizenship which at the same time promotes unpaid work reinforces workers domination at the workplace and increases the value of park side property *Who Cleans the Park* asks difficult questions about who benefits from public work ultimately forcing us to think anew about the way we govern ourselves with implications well beyond the five boroughs

This Is a Book for People Who Love the National Parks

Matt Garczynski, 2020-05-05 Smart short and irresistibly illustrated *This Is a Book for People Who Love National Parks* is a park by park celebration of the American outdoors For devoted park goers and casual campers alike this charming guide is nothing short of a celebration of America's natural wonders An introduction to the storied history of the Parks Service is paired with engaging profiles of each of the sixty one National Parks from Acadia to Zion and everything in between Quirky facts and key dates are woven throughout while refreshingly modern illustrations capture the iconic features of each majestic setting Deeply researched but not too serious *This Is a Book for People Who Love National Parks* is an essential addition to every park lover's field library

The Kruger National Park Jane Carruthers, 1995

The Hour of Land

Terry Tempest Williams, 2016-05-31 America's national parks are breathing spaces in a world in which such spaces are steadily disappearing which is why more than 300 million people visit the parks each year Now Terry Tempest Williams the author of the environmental classic *Refuge* and the beloved memoir *When Women Were Birds* returns with *The Hour of Land* a literary celebration of our national parks an exploration of what they mean to us and what we mean to them From the Grand Tetons in Wyoming to Acadia in Maine to Big Bend in Texas and more Williams creates a series of lyrical portraits that illuminate the unique grandeur of each place while delving into what it means to shape a landscape with its own evolutionary history into something of our own making Part memoir part natural history and part social critique *The Hour of Land* is a meditation and a manifesto on why wild lands matter to the soul of America

Preserving Nature in the National Parks Richard West

Sellers, 1999-01-01 This book traces the epic clash of values between traditional scenery and tourism management and emerging ecological concepts in the national parks America's most treasured landscapes It spans the period from the creation of Yellowstone National Park in 1872 to near the present analyzing the management of fires predators elk bear and other natural phenomena in parks such as Yellowstone Yosemite Grand Canyon and Great Smoky Mountains

Politics of

Control Chang-tai Hung, 2021-01-31 Using a unique interdisciplinary cultural institutional analysis *Politics of Control* is the

first comprehensive study of how in the early decades of the People's Republic of China the Chinese Communist Party reshaped people's minds using multiple methods of control. With newly available archival material, internal circulars, memoirs, interviews, and site visits, the book explores the fascinating world of mass media, book publishing, education, religion, parks, museums, and architecture during the formative years of the republic. When the Communists assumed power in 1949, they projected themselves as not only military victors but also as peace restorers and cultural protectors. Believing that they needed to manage culture in every arena, they created an interlocking system of agencies and regulations that was supervised at the center. Documents show, however, that there was internal conflict. Censors introduced early at the Beijing Daily operated under the twofold leadership of municipal level editors but with final authorization from the Communist Party Propaganda Department. Politics of Control looks behind the office doors where the ideological split between Party chairman Mao Zedong and head of state Liu Shaoqi made pragmatic editors bite their pencil erasers and hope for the best. Book publishing followed a similar multi-tier system preventing undesirable texts from getting into the hands of the public. In addition to designing a plan to nurture a new generation of Chinese revolutionaries, the party state developed community centers that served as cultural propaganda stations. New urban parks were used to stage political rallies for major campaigns and public trials where threatening sects could be attacked. A fascinating part of the story is the way in which architecture and museums were used to promote ethnic unity under the Chinese party state umbrella. Besides revealing how interlocking systems resulted in a pervasive method of control, Politics of Control also examines how this system was influenced by the Soviet Union and how nevertheless Chinese nationalism always took precedence. Chang tai Hung convincingly argues that the PRC's formative period defined the nature of the Communist regime and its future development. The methods of cultural control have changed over time but many continue to have relevance today.

Healing the Heart of Democracy Parker J. Palmer, 2014-07-31. Hope for American democracy in an era of deep divisions. In *Healing the Heart of Democracy* Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous, and practical work, intensely personal as well as political, is not about them—those people in Washington, D.C., or in our state capitals, on whom we blame our political problems. It's about us: We the People, and what we can do in everyday settings like families, neighborhoods, classrooms, congregations, and workplaces to resist divide-and-conquer politics and restore a government of the people, by the people, for the people. In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five habits of the heart that can help us restore democracy's foundations as we nurture them in ourselves and each other. An understanding that we are all in this together. An appreciation of the value of otherness. An ability to hold tension in life-giving ways. A sense of personal voice and agency. A capacity to create community. *Healing the Heart of Democracy* is an eloquent and empowering call for We the People to reclaim our democracy. The online journal *Democracy Education* called it one of the most important books of the early 21st Century. And *Publishers Weekly*, in a Starred Review, said

This beautifully written book deserves a wide audience that will benefit from discussing it **Stealing the National Parks**
Don Hummel,1987 **Nationalizing Nature** Frederico Freitas,2021-03-04 An insightful look at how Brazil and Argentina
employed national parks to develop and settle frontier areas When Rosa Parks Went Fishing Rachel Ruiz,2017-08-01 No
discussion of the Civil Rights Movement is complete without the story of Rosa Parks But what was this activist like as a child
Following young Rosa from a fishing creek to a one room schoolhouse from her wearing homemade clothes to wondering
what white water tastes like readers will be inspired by the experiences that shaped one of the most famous African
Americans in history

Parks Politics And The People Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Parks Politics And The People PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Parks Politics And The People PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Parks Politics And The People free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Parks Politics And The People Books

1. Where can I buy Parks Politics And The People books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Parks Politics And The People book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Parks Politics And The People books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Parks Politics And The People audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
