Committee on Un-American Activities**

Parliamentary Communism:

Anti-Parliamentary Communism Mark Shipway, 2016-07-27 The book explores the ideas and activities of the anti parliamentarians in Britain between 1917 and 1945 from the ex suffragettes based around Sylvia Pankhurst's Workers Dreadnought newspaper to the Clydeside based Anti Parliamentary Communist Federation and its offshoots The Criminalisation of Communism in the European Political Space after the Cold War Laure Neumayer, 2018-07-06 Memory has taken centre stage in European level policies after the Cold War as the Western historical narrative based on the uniqueness of the Holocaust was being challenged by calls for an equal condemnation of Communism and Nazism This book retraces the anti communist mobilisations carried out by Central European representatives in the Parliamentary Assembly of the Council of Europe and in the European Parliament since the early 1990s Based on archive consultation interviews and ethnographic observation it analyses the memory entrepreneurs requests for collective remembrance and legal accountability of Communist crimes in European institutions Pan European political parties and transnational advocacy networks The book argues that these newcomers managed to strengthen their positions and impose a totalitarian interpretation of Communism in the European assemblies which directly shaped the EU's remembrance policy However the rules of the European political game and recurring ideological conflicts with left wing opponents reduced the legal and judicial implications of this anti communist grammar at the European level This text will be of key interest to scholars and graduate students in memory studies post Communist politics and European studies and more broadly in history political science and sociology

Organized Communism in the United States United States. Congress. House. Committee on Un-American Activities, 1958

Parliamentary Debates New Zealand. Parliament, 1951 The Black Book of Communism Stéphane Courtois, 1999 This international bestseller plumbs recently opened archives in the former Soviet bloc to reveal the accomplishments of communism around the world The book is the first attempt to catalogue and analyse the crimes of communism over 70 years

National Communism Peter Zwick, 2019-03-04 According to the generally accepted view that nationalism is alien to communism and that internationalism disallows divisions based on nations the existence of national communism is often interpreted as a sign of the breakup of the world communist movement This book reexamines the evidence on the role of nations and national variations beginning with Marx and moving through Leninism and Stalinism to Titoism Maoism Castroism and current national liberation movements e.g. in Nicaragua Professor Zwick concludes that nationalism has always been an inherent element of communism He demonstrates with numerous concrete cases that rather than signaling the decline of communism national adaptation is the source of its strength The limits of national variation as defined by the Brezhnev Doctrine are precisely defined and examined in the cases of Hungary Czechoslovakia and Poland The book bridges the gap between Marxist theory and communist practice with respect to the central role that nationalism will continue to play in the contemporary world No other study presents this material in a cross national comparative perspective

Parliamentary Debates Western Australia. Parliament,1925 *The Communist Conspiracy: Communism outside the United States. section A. Marxist classics. section B. The U.S.S.R. section C. The world congresses of the Communist International. section D. Communist activities around the world. section E. The Comintern and the CPUSA* United States. Congress. House. Committee on Un-American Activities,1956 **The Communist** Guido Morselli,2017-09-19 A unique political coming of age story now in English for the first time An NYRB Classics Original Walter Ferranini has been born and bred a man of the left His father was a worker and an anarchist Walter himself is a Communist In the 1930s he left Mussolini s Italy to fight Franco in Spain After Franco s victory he left Spain for exile in the United States With the end of the war he returned to Italy to work as a labor organizer and to build a new revolutionary order Now in the late 1950s Walter is a deputy in the Italian parliament He is not happy about it Parliamentary proceedings are too boring for words the Communist Party seems to be filling up with ward heelers timeservers and profiteers For Walter the political has always taken precedence over the personal but now there seems to be no refuge for him anywhere The puritanical party disapproves of his relationship with Nuccia a tender quizzical deeply intelligent editor who is separated but not divorced while Walter is worried about his health haunted by his past and increasingly troubled by knotty questions of both theory and practice Walter is always has been and always will be a Communist he has no doubt about that and yet something has changed Communism no longer explains the life he is living the future he hoped for or perhaps most troubling of all the life he has led **The Strategy and Tactics of World Communism** United States. Congress. House. Committee on Foreign Affairs,1948 **Parliamentary Elites in Central and Eastern Europe** Elena Semanova,Michael Edinger,Heinrich Best,2013-12-13 Legislators are entrusted with key parliamentary functions and are important figures in the decision making process Their behaviour as political elites is as much responsible for the failures and successes of the new democracies as their institutional designs and constitutional reforms This book provides a comparative examination of representative elites and their role in democratic development in post communist Central and Eastern Europe CEE It argues that as the drivers of the transformation process in CEE individual and collective parliamentary actors matter The authors provide an in depth analysis of representatives from eleven national parliaments and explore country specific features of recruitment and representation They draw on an integrated dataset of parliamentary elites for individual party family and parliamentary variables over the 20 years following the collapse of Communism and develop a common framework for the analysis of variations in democratisation and political professionalisation between parliaments and political parties party families across CEE This unique volume will be of interest to students and scholars of comparative politics elite research post communist politics democratisation legislative studies and parliamentary representation **Communism And Political Systems In Western Europe** David Albright,2019-08-16 Developments of the 1970s suggest the need for a new approach to the analysis of communism in Western Europe During the early years after World War II Western observers tended to look upon the West European Communist parties as

fundamentally an extension of communism in the USSR as national only in the narrow formal sense With the growing signs

Communism in India Bidyut Chakrabarty, 2014-09-23 In *Communism in India* Bidyut Chakrabarty an expert on contemporary Indian political economy and social movements presents a sweeping analysis of the changing nature of communist ideology over the past century in India The history and development of India's left movements are unique in that the country is home to two coexisting strands of modern communism The first of these is the parliamentary Communist Party of India which constituted the first democratically elected Marxist government in the country The parliamentary left subscribes to a social democratic philosophy turning to the traditional democratic institutions of governance in their quest to fulfill the Marxist Leninist goal of establishing a classless society The second oppositional strand is the revolutionary Maoist movement This branch rejects parliamentary democracy as a means to altering class relations as they see the government as an elite organization dedicated to the status quo and age old system of class exploitation Drawing on ethnographic field work conducted in Orissa Chhattisgarh and West Bengal Chakrabarty provides a contextual account of the rise consolidation and decline of these two types of left radicalism He looks at how it is that left ideology has coexisted with free market oriented economic policies as well as the contexts in which more militant strands have taken root particularly among the young in poorer districts

Communism, Subaltern Studies and Postcolonial Theory Nissim Mannathukkaren, 2021-08-05 This book is a thematic history of the communist movement in Kerala the first major region in terms of population in the world to democratically elect a communist government It analyzes the nature of the transformation brought about by the communist movement in Kerala and what its implications could be for other postcolonial societies The volume engages with the key theoretical concepts in postcolonial theory and Subaltern Studies and contributes to the debate between Marxism and postcolonial theory especially its recent articulations The volume presents a fresh empirical engagement with theoretical critiques of Subaltern Studies and postcolonial theory in the context of their decades long scholarship in India It discusses important thematic moments in Kerala's communist history which include the processes by which it established its hegemony its cultural interventions the institution of land reforms and workers rights and the democratic decentralization project and ultimately communism's incomplete national popular and its massive failures with regard to the caste question A significant contribution to scholarship on democracy and modernity in the Global South this volume will be of great interest to scholars and researchers of politics specifically political theory democracy and political participation political sociology development studies postcolonial theory Subaltern Studies Global South Studies and South Asia Studies

Redeeming the Communist Past Anna M. Grzymala-Busse, 2002-02-18 This major study examines the regeneration of the former communist parties in East Central Europe after 1989

Parliamentary Debates Australia. Parliament, 1928

Publications Relating to Various Aspects of Communism, 1946

The Politics and Culture of Globalisation Hans Löfgren, Prakash Sarangi, 2017-08-18

We experience the culture of globalisation every time we visit a Tandoori restaurant in Chicago or a Pizza Hut in Hyderabad

or as we watch Bollywood films in Australia Globalisation is a label used for a wide range of political social and cultural phenomena many of which are explored in this volume The Politics and Culture of Globalisation India and Australia brings together Indian and Australian experts in the fields of political science international relations philosophy cultural theory and political economy Its timeliness and unifying theme derive from comparisons between Indian and Australian perspectives and analyses by Australian writers on developments in India Indian Australian relations are explored in several chapters The neo liberal form of globalisation is a key focus of critique in this volume Several chapters examine the search for alternative forms of governance as the nation state undergoes profound change due to global interconnectedness

French Communism, 1920-1972 Ronald Tiersky, 1974-08-22 The French Communist Party **The British Communist Party and Moscow, 1920-43** Andrew Thorpe, 2000 The relationship between the British Communist Party and Soviet Communism is one of perennial fascination In this text Thorpe makes extensive use of available sources to offer a new view of this most controversial of topics
