Parliamentary Texts Of The Later Middle Ages:

Parliamentary Texts of the Later Middle Ages Nicholas Pronay, John Taylor, 2020 *Modus Tenendi Parliamentum* Nicholas Pronay, John Taylor, 1980 England in the Later Middle Ages M.H. Keen, 2004-08-02 First published to wide critical acclaim in 1973 *England in the Later Middle Ages* has become a seminal text for students studying this diverse constantly changing period The second edition of this book while maintaining the character of the **Parliament and Literature in Late Medieval England** Matthew Giancarlo, 2010-06-24 *Parliament and Literature in Late Medieval England* investigates the relationship between the development of parliament and the practice of English poetry in the later fourteenth and early fifteenth centuries During this period the bureaucratic political culture of parliamentarians clerks and scribes overlapped with the artistic practice of major poets like Chaucer Gower and Langland all of whom had strong ties to parliament Matthew Giancarlo investigates these poets together in the specific context of parliamentary events and controversies as well as in the broader environment of changing constitutional ideas Two chapters provide fresh analyses of the parliamentary ideologies that developed from the thirteenth century onward and four chapters investigate the parliamentary aspects of each poet as well as the later Lancastrian imitators of Langland This study demonstrates the importance of the changing parliamentary environs of late medieval England and their centrality to the early growth of English narrative and lyric forms Women and Parliament in Later Medieval England W. Mark Ormrod, 2020-07-15 This Palgrave Pivot provides the first ever comprehensive consideration of the part played by women in the workings and business of the English Parliament in the later Middle Ages Breaking new ground this book considers all aspects of women's access to the highest court of medieval England Women were active supplicants to the Crown in Parliament and sometimes appeared there in person to prosecute cases or make political demands It explores the positions of women of varying rank from queens to peasants vis vis this male institution where they very occasionally appeared in person but were more usually represented by written petitions A full analysis of these petitions and of the official records of parliament reveals that there were a number of issues on which women consistently pressed for changes in the law and its administration and where the Commons and the Crown either championed or refused to support reform Such is the concentration of petitions on the subjects of dower and rape that these may justifiably be termed women's issues in the medieval Parliament Parliament and Political Pamphleteering in Fourteenth-century England Clementine Oliver, 2010 Sixty years before the advent of the printing press the first political pamphlets about parliament were circulated in the city of London These handwritten pamphlets reported on victories against the crown and point to the existence of a market of readers hungry for news of parliament **Identity and Insurgency in the Late Middle Ages** Linda Clark, 2006 The most crucial issues in current research are debated in the latest volume in the series The essays collected here provide fresh insight into a range of important topics across the period They discuss religion both orthodox as revealed by the lives of anchoresses living in

Norwich and heretical as practised by lollards living in Coventry politics exploring the motivations of individuals seeking election to parliament and how the way Cade's Rebellion was recorded by contemporaries affected its subsequent perception law whether it may be deduced from manorial court rolls that lawyers were employed by peasants and an examination of the process of peace making in feuds on the Scottish border national ethnic and political identity in the British Isles social ranking and chivalry in particular knighthood in Scotland and verse a consideration of the poem Lydgate addressed to Thomas Chaucer and the occasion of its composition Contributors JACKSON W ARMSTRONG JACQUELYN FERNHOLTZ TONY GOODMAN DAVID GRUMMITT CAROLE HILL MAUREEN JURKOWSKI JENNI NUTTALL SIMON PAYLING ANDREA RUDDICK KATIE STEVENSON MATTHEW TOMPKINS Understanding Medieval Primary Sources Joel T.

Rosenthal,2014-06-03 Medieval society created many kinds of records and written material which differ considerably giving us such sources as last wills sermons manorial accounts or royal biographies Primary sources are an exciting way for students to engage with the past and draw their own ideas about life in the medieval period Understanding Medieval Primary Sources is a collection of essays that will introduce students to the key primary sources that are essential to studying medieval Europe The sources are divided into two categories the first part treats some of the many generic sources that have been preserved such as wills letters royal and secular narratives and sermons Chapter by chapter each expert author illustrates how they can be used to reveal details about medieval history The second part focuses on areas of historical research that can only be fully discovered by using a combination of primary sources covering fields such as maritime history urban history women's history and medical history Understanding Medieval Primary Sources will be an invaluable resource for any student embarking on medieval historical research **New Directions in Later Medieval Manuscript Studies**

Derek Pearsall,2000 Influential scholars from Britain and North America discuss future directions in rapidly expanding field of manuscript study The study of manuscripts is one of the most active areas of current research in medieval studies manuscripts are the basic primary material evidence for literary scholars historians and art historians alike and there has been an explosion of interest over the past twenty years Manuscript study has developed enormously codices are no longer treated as inert witnesses to a culture whose character has already been determined by the modern scholar but are active participants in a process of exploration and discovery The articles collected here discuss the future of this process and vital questions about manuscript study for tomorrow's explorers They deal with codicology and book production with textual criticism with the material structure of the medieval book with the relation of manuscripts to literary culture to social history and to the medieval theatre and with the importance to manuscript study of the emerging technology of computerised digitisation and hypertext display The essays provide an end of millennium perspective on the most vigorous developments in a rapidly expanding field of study Contributors A I Doyle C David Benson Martha W Driver J P Gumbert Kathryn Kerby Fulton Linne R Mooney Eckehard Simon Alison Stones John Thompson DEREK PEARSALL is former Professor and Co Director of the

Centre for Medieval Studies York and Professor of English at Harvard University Historical Dictionary of Late Medieval England, 1272-1485 Ronald H. Fritze, William B. Robison, 2002-03-30 Providing the chronological setting for many of Shakespeare's plays various swashbuckling novels from Sir Walter Scott's to Robert Louis Stevenson's and such Hollywood films as *Braveheart* late Medieval England is superficially well known Yet its true complexity remains elusive locked in the covers of specialized monographs and journal articles In over 300 entries written by 80 scholars this book makes the factual information and historical interpretations of the era readily available Covering political military religious and constitutional subjects as well as social and economic topics the volume is easy to use comprehensive and authoritative It provides a useful resource for undergraduate and graduate students scholars and educated laymen Rightly characterized as an age of crisis the 14th century saw the Hundred Years War the Black Death the Peasants Revolt of 1381 the Avignon Papacy and the Great Schism of the Western Church All placed great stresses on English society aggravating old problems and creating new ones In the late Middle Ages parliament became an important element in English government Cambridge and Oxford universities attained European wide reputations and general literacy increased The Church remained a paramount religious political and social institution but its independence and intellectual monopoly slipped The entries in this book synthesize recent scholarship on these and other historical events While emphasizing political religious constitutional and military topics the book also provides brief introductions to social economic cultural and intellectual topics It is a valuable guide for those wishing to understand this complex tumultuous and until recently poorly understood era **Handbook of Parliamentary Studies** Cyril Benoît, Olivier Rozenberg, 2020-11-27 This comprehensive Handbook takes a multidisciplinary approach to the study of parliaments offering novel insights into the key aspects of legislatures legislative institutions and legislative politics Connecting rich and diverse fields of inquiry it illuminates how the study of parliaments has shaped a wider understanding surrounding politics and society over the past decades *Ireland and the English World in the Late Middle Ages* B. Smith, 2009-04-14 This volume extends the British Isles approach pioneered by Robin Frame and Rees Davies to the later middle ages Through examination of issues such as frontier formation colonial identities and connections with the wider world it explores whether this period saw the bonds between the British Isles weaken strengthen or simply alter

Political Representation Mario Damen, Jelle Haemers, Alastair J. Mann, 2018 Political Representation Communities Ideas and Institutions in Europe c 1200 c 1690 offers a wide consideration of the nature of representation in the political assemblies of pre modern European evaluating their creation evolution membership and ideological context *Early Tudor Government, 1485-1558* Steven Gunn, 1995-05-10 This marvellous new book sets the developments in the government of England under the early Tudors in the context of recent work on the fifteenth century and on continental Europe *Rulers and Ruled in Late Medieval England* G. L. Harriss, Rowena E. Archer, Simon Walker, 1995-01-01 How power was distributed and exercised is a key issue in understanding attitudes and assumptions in late medieval England The essays in this volume

all deal with those who had the power to make political decisions whether kings nobles or gentry courtiers or clergy While ultimately power rested on force it was enshrined in the law and more usually exercised by influence and by the dangling of reward Most disputes were settled without violence if often with recourse to prolonged struggles in the courts but those who offended against established interests could be punished severely as the cases of Sir John Mortimer and of Bishop Reginald Pecock show These essays presented to Gerald Harriss who has done so much to illuminate the history of the period show not only how power was exercised but also how men of the time thought about it Contributors Rowena E Archer Christine Carpenter Jeremy Catto Rosemary Horrox R W Hoyle Maurice Keen Dominic Luckett Philippa Maddern S J Payling Edward Powell Anthony Smith Simon Walker Christopher Woolgar Edmund Wright *Power and Identity in the Middle Ages* Huw Pryce, John Watts, 2007-07-12 An engaging collection of thought provoking essays examining power struggles and political identities in medieval Britain featuring work from leading historians in the field Celebrating the work of the late Rees Davies a towering figure in the historiography of this period the book focuses on his interests opening up new perspectives on the political social and cultural history of the middle ages **The Origins of the English Parliament, 924-1327** J. R. Maddicott, 2010-05-27 A magisterial study of the evolution of the English parliament from its earliest origins in the late Anglo Saxon period through to the fully fledged parliament of lords and commons which sanctioned the deposition of Edward II in 1327 **The Cambridge History of Ireland: Volume 1, 600-1550** Brendan Smith, Thomas Bartlett, 2018-04-26 The thousand years explored in this book witnessed developments in the history of Ireland that resonate to this day Interspersing narrative with detailed analysis of key themes the first volume in the Cambridge History of Ireland presents the latest thinking on key aspects of the medieval Irish experience The contributors are leading experts in their fields and present their original interpretations in a fresh and accessible manner New perspectives are offered on the politics artistic culture religious beliefs and practices social organisation and economic activity that prevailed on the island in these centuries At each turn the question is asked to what extent were these developments unique to Ireland The openness of Ireland to outside influences and its capacity to influence the world beyond its shores are recurring themes Underpinning the book is a comparative outward looking approach that sees Ireland as an integral but exceptional component of medieval Christian Europe *English Political Culture in the Fifteenth Century* Michael Hicks, 2003-09-02 English Political Culture in the Fifteenth Century is a new and original study of how politics worked in late medieval England throwing new light on a much discussed period in English history Michael Hicks explores the standards values and principles that motivated contemporary politicians and the aspirations and interests of both dukes and peasants alike Hicks argues that the Wars of the Roses did not result from fundamental weaknesses in the political system but from the collision of exceptional circumstances that quickly passed away Overall he shows that the era was one of stability and harmony and that there were effective mechanisms for keeping the peace Structure and continuities Hicks argues were more prominent than change *Keeping Record* Abigail S.

Armstrong, Matthias J. Kuhn, Jörg Peltzer, Chun Fung Tong, 2024-06-04 The production and retention of written records was a common and important facet of pre modern rulership and administration Much of our understanding of governmental practices and expressions of authority come from the contents of such documents which have been well studied Less studied however are the records themselves as artefacts This volume is an attempt to redress this balance by taking a more holistic material approach to a range of written records Through a series of case studies this volume explores questions regarding the material characteristics of various records and their use It demonstrates that the material features of the records including the size and shape the hands that wrote them and the material substrate can shed new light on the functioning of government and the declarations of power these records asserted The ten contributions of this volume focus on records from a variety of rulers political systems and administrations With four case studies from early China and six from medieval Europe this volume offers transcultural perspectives to demonstrate how different cultures expressed rulership and administration materially through the use of text bearing artefacts

Thank you very much for downloading **Parliamentary Texts Of The Later Middle Ages**. Maybe you have knowledge that, people have look numerous time for their favorite books taking into account this Parliamentary Texts Of The Later Middle Ages, but stop occurring in harmful downloads.

Rather than enjoying a fine PDF considering a mug of coffee in the afternoon, on the other hand they juggled behind some harmful virus inside their computer. **Parliamentary Texts Of The Later Middle Ages** is approachable in our digital library an online right of entry to it is set as public as a result you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency time to download any of our books gone this one. Merely said, the Parliamentary Texts Of The Later Middle Ages is universally compatible in imitation of any devices to read.

Parliamentary Texts Of The Later Middle Ages Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Parliamentary Texts Of The Later Middle Ages PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Parliamentary Texts Of The Later Middle Ages PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Parliamentary Texts Of The Later Middle Ages free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
