## **Parliaments In The Czech And Slovak Republics Party Competition And Parliamentary Institutionalization:**

Parliaments in the Czech and Slovak Republics Petr Kopecký, 2017-11-22 This title was first published in 2001 Based on a unique set of structured interviews with parliamentarians and additional interviews with party leaders and activists this significant volume provides an illuminating account of the formation of the new democracies in Czechoslovakia and later the Czech Republic and Slovakia Examining efforts to construct stable democratic parliamentary regimes in the wake of communist breakdown it provides a rigorous analysis of parliaments relations with the electorate and the executive as well as their internal working Richly detailed and clearly written this original study is an invaluable addition to the collection of anyone interested in post communist Europe or parliamentary studies **The Handbook of Electoral System Choice** J.

Colomer, 2016-01-05 The topic of electoral reform is an extremely timely one The accelerated expansion of the number of new democracies in the world generates increasing demand for advice on the choice of electoral rules at the same time a new reformism in well established democracies seeks new formulae favouring both more representative institutions and more accountable rulers The Handbook of Electoral System Choice addresses the theoretical and comparative issues of electoral reform in relation to democratization political strategies in established democracies and the relative performance of different electoral systems Case studies on virtually every major democracy or democratizing country in the world are included

*Parliamentary Opposition in Old and New Democracies* Ludger Helms, 2013-10-18 Previously published as a special issue of the Journal of Legislative Studies this volume offers a broad comparative assessment of the many faces of parliamentary opposition in different political legal and cultural settings Issues of political opposition and of parliamentary opposition in particular are at the very heart of the study of democratic processes in different parts of the world Written by leading scholars in the field this book looks both at the core features of the parliamentary opposition itself and its role in the legislative and wider political process This includes an inquiry into the manifold challenges that the parliamentary opposition in many countries has come to face in the more recent past in particular the rise of different non parliamentary opposition actors The countries covered in this volume include the old democracies of the Anglo Saxon world continental Europe and Japan and the new democracies and democratizing regimes in Central and Eastern Europe Latin America and South Africa Another chapter looks at the manifestations of parliamentary opposition within the multi level system of the European Union

**Post-Communist EU Member States** Susanne Jungerstam-Mulders, 2017-03-02 Providing comprehensive insights into the parties and party systems of post communist EU member states within the framework of each country s specific conditions and developments this volume examines in particular the cases of Estonia Lithuania Latvia Poland Czech Republic Slovakia Hungary and Slovenia The book concentrates on three main themes ideological cleavages between parties party system competition and party organization Analytically competent and highly informative it is suitable for courses on party systems and EU politics **Developments in Central and East European Politics** 5 Stephen White, Judy Batt, 2013-08-30

The new edition of this market leading text brings together specially commissioned chapters by a team of top international scholars on the changing politics of this diverse region negotiating the competing pulls of the European Union and post communist Russia

Regional Economic Voting Joshua A. Tucker, 2006-01-09 This study demonstrates that in a time of massive change characterized by the emergence of entirely new political systems and a fundamental reorganization of economic life systematic patterns of economic conditions affecting election results at the aggregate level can in fact be identified during the first decade of post communist elections in five post communist countries Russia Poland Hungary Slovakia and the Czech Republic A variety of theoretical arguments concerning the conditions in which these effects are more or less likely to be present are also proposed and tested Analysis is conducted using an original data set of regional level economic demographic and electoral indicators and features both broadly based comparative assessments of the findings across all twenty elections as well as more focused case study analyses of pairs of individual elections

Historical Dictionary of the Czech State Rick Fawn, Jiří Hochman, 2010 Czechoslovakia has been at the center of some of the most difficult and tragic episodes of modern European history its sacrifice to Nazi Germany at Munich the Communist Coup of 1948 and the military crushing of the Prague Spring It has also enacted momentous change almost magically as in the peaceful overthrow of communism in 1989 and then the negotiated end to the country in 1992 Czechoslovak history has consequently produced enduring political metaphors for our times such as the Velvet Revolution and Velvet Divorce The second edition of the Historical Dictionary of the Czech State has been thoroughly updated and greatly expanded Featuring a chronology introductory essay appendix bibliography and hundreds of cross referenced dictionary entries this detailed authoritative reference provides understandings of the Czechs as a people the territory they inhabit their social cultural political and economic developments throughout history and interactions with their neighbors and the wider world

**Governing New European Democracies** J. Blondel, F. Müller-Rommel, D. Malová, 2006-12-13 Governing New European Democracies is a fully comparative study of decision making processes in the cabinets of ten post communist countries of East Central and South Eastern Europe It is based on interviews collected from over 300 ministers This book provides the first comprehensive panorama of life in cabinet governments

Post-Communist Parliaments David M. Olson, Gabriella Ilonszki, 2013-10-18 At the end of the founding or initial decade the new parliaments of post Communist Europe had developed two distinct types democratic and presidentially dominated Whilst in the early years they had been characterised as parliaments in adolescence they have through the second decade continued to improvise but also elaborate their working relationships with both their chief executives and electorates This book examines these adaptations in seven parliaments comparing both among them and with parliaments of west Europe Their changes are traced through four distinct sets in context members internal structure and working relationship with the executive This research develops a common perspective for our understanding of both new and developed legislatures by tracing the steps through which new

parliaments begin adapt and become established This book was published as a special issue of Journal of Legislative Studies

**Party Organization and Electoral Volatility in Central and Eastern Europe** Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics

**Bibliographie Internationale de Science Politique**, 2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

*Post-Communist and Post-Soviet Parliaments* Philip Norton, David M. Olson, 2013-09-13 The sudden collapse of communism stimulated both the rapid emergence of fledgling democracies and scholarly attention to the post communist transition These newly democratized parliaments have been described as parliaments in adolescence This book identifies six parliaments which exemplify the wide range of developments in the new post communist political systems from the stable consolidated democracies to the less stable and more authoritarian states within which their respective parliaments function Finally the post communist parliaments are compared with the presumptively more established west European parliaments This book bridges the usual gap in research between the post communist parliaments and more normal democratic parliaments to develop a common legislative research perspective on both new and established parliaments This book was previously published as a special issue of the Journal of Legislative Studies

*Developments in Central and East European Politics 4* Stephen White, Judy Batt, Paul G. Lewis, 2007 The face of Central and Eastern Europe has been dramatically transformed since the collapse of communism The region faces new challenges including the needs to find a balance between effective leadership and accountability and to reverse the economic decline of the late communist years Addressing these concerns and others *Developments in Central and East European Politics 4* brings together specially commissioned chapters by leading scholars from both sides of the Atlantic The chapters all of which are new to this edition focus on key features of the political systems that have emerged following the transition to postcommunist rule and the enlargement of the European Union through 2006 Full attention is given to the pattern of events in individual nations but the main emphasis is on the framework of politics across the region constitutions leadership parliaments parties and electoral systems and the process of

politics as it is revealed in political participation civil society economic change and the quality of democratic government within and beyond the region Clearly written and well supported with references and suggestions for further reading Developments in Central and East European Politics 4 is the ideal guide to the process of change in a group of states that were formerly modeled on the Soviet Union but are now a distinctive and varied presence within a continent that has been redefining its boundaries its values its economic systems and its international allegiances Contributors Judy Batt Dirk Berg Schlosser Sarah Birch Heather Grabbe Tim Haughton Krzysztof Jasiewicz Petr Kopeck Paul G Lewis Frances Millard Cas Mudde D Mario Nuti Mark Pittaway Ray Taras Stephen White Andrew Wilson Kataryna Wolczuk **Populist Parties and**

**Democratic Resilience** Ben Crum, Alvaro Oleart, 2023-02-02 Populist Parties and Democratic Resilience focuses on populist parties as the main agents of populism and examines when these parties turn anti democratic and when they remain loyal to the democratic system Following the Brexit referendum the election of Donald Trump and the rise of populist parties around the globe many observers suggested that democracy was in serious trouble Nevertheless while some democratic systems have been seized by populists most of them have proven resilient In this volume the authors identify the conditions under which populist parties become inimical to political and societal pluralism They offer in depth analyses of the trajectory of populist parties in eleven European Union countries Austria Belgium Czech Republic France Germany Hungary Italy The Netherlands Poland Romania and Spain The book shows that reflecting the diversity of national contexts there are multiple pathways whereby populist parties power can remain contained and subject to democratic checks and balances Moreover populist parties can at times voluntarily at other times by force of external conditions come to adhere to the democratic rules of the game On this basis the volume outlines different ways in which European democracies can successfully accommodate populist parties through strategies that carefully navigate between the extremes of uncritical acceptance and outright ostracization Drawing on the literature on democratic theory and comparative politics this book directly contributes to the public debate on the state of democracy in Europe It will be of interest to researchers of comparative politics European politics party politics democracy and populism *Party Members and Their Importance in Non-EU Countries* Sergiu Gherghina, Alexandra Iancu, Sorina Soare, 2018-05-23 Although party membership has been extensively analysed in the EU Members States from Western and Eastern Europe there is a gap in systematic data collection and analyses for the other countries in the Balkans and post Soviet region This book provides new and innovative insights in the area of party membership research to analyse the evolution of membership organizations in political parties from under investigated countries Specifically it seeks to understand the way in which political parties and the national legislation conceptualize the notion of membership within and across countries It provides original data and affords a first comprehensive comparative study of party members in the EU neighbouring countries which resonate particular interest because some of them occupy the precarious middle ground between a full fledge democracy and outright dictatorship In light of these relevant

observations this systematic analysis of membership evolutions in democratizing countries brings valuable insights for the study of party politics in general This text will be of key interest to scholars and students of political parties and party systems party organisation and elections post Soviet and East European politics and more broadly to democratization studies and comparative politics

**Political Parties in New Democracies** Ingrid van Biezen,2003-07-01 Ingrid van Biezen provides a comprehensive comparative analysis of party formation and organizational development in recently established democracies She focuses on four democracies in Southern and East Central Europe and addresses political parties from a cross regional perspective Featuring a wealth of new information on party organization this book provides a valuable theoretical and empirical contribution to our understanding of political parties in both old and new democracies

**Developments in Central and East European Politics 3** Stephen White,Judy Batt,Paul G. Lewis,2003

**Pan-European Perspectives on Party Politics** Paul Lewis,Paul Webb,2021-10-01 In this book an international team of specialists reflects more than a dozen years after the fall of the Berlin Wall on the implications of that momentous conjuncture for the study of party politics in Europe In particular the authors and editors seek to address two inter connected questions To what extent is there evidence of convergence in patterns of party politics across Eastern and Western Europe And how far has the theory of parties and party systems coped with the emergence of democratic politics in Eastern Europe In a wideranging and stimulating set of essays these issues are confronted in respect of themes such as the impact of institutional contexts like electoral systems and presidentialism the evolving nature of cleavage structures party organizational developments and intra party factionalism This book will make a significant addition to any course reading list on comparative and party politics

**Volume 1: Institutional Engineering** Jan Zielonka,2001-06-14 This is the first volume in a series of books on democratic consolidation in Eastern Europe The series focuses on three major aspects of democratic consolidation in Eastern Europe institutional engineering transnational pressures and civil society This first volume analyses constraints on and opportunities of institutional engineering in Eastern Europe to what extent and how elites in Eastern Europe have been able to shape if not manipulate the politics of democratic consolidation through institutional means The aim is to contrast a set of democracy theories with empirical evidence accumulated in Eastern Europe over the last ten years The volume tries to avoid complex debates about definitions methods and the uses and misuses of comparative research Instead it tries to establish what has really happened in the region and which of the existing theories have proved helpful in explaining these developments The volume starts with a presentation of conceptual and comparative frameworks followed by in depth empirical analyses of the thirteen individual countries undergoing democratic consolidation The first conceptual and comparative part contains three chapters The first chapter explains what institutional engineering is about and describes our experiences with institutional engineering in former transitions to democracy It also focuses on the import and export of institutional designs The second chapter analyses the utility of constitutions in the process of democratic consolidation The

third chapter compares constitutional designs and problems of implementation in Southern and Eastern Europe The empirical case studies deal with the following countries Estonia Latvia Lithuania Bulgaria Romania Ukraine Russia Belarus the Czech Republic Slovakia Slovenia Hungary and Poland And the conclusions evaluate the enormous impact of institutions on politics in Eastern Europe and show how central constitutional designs are to the institutional engineering in the societies undergoing transitions to democracy      **Embodying Democracy** S. Birch,F. Millard,M. Popescu,K. Williams,2002-10-04  
Embodying Democracy analyzes the politics of electoral reform in eight post communist states including Poland Hungary the Czech Republic Slovakia Romania Bulgaria Russia and Ukraine By exploring the multiple factors that shaped the design of electoral institutions during the first ten years of post communist transition it accounts for an important element of the post communist reform process and illuminates general features of institutional design in post transition states
