Parliaments Of The World:

A World Parliament Andreas Bummel, Jo Leinen, 2024-08 This book explores the history current relevance and future implementation of the monumental idea of an elected global parliament The second edition brings the book up to date and incorporates extensive revisions and additions Parliament, 2016 Parliament is the space where politics literally takes shape Here collective decisions take form in a specific setting where relationships between political actors are organized through architecture The architecture of spaces of political congregation is not only an expression of a political culture it also shapes this culture 0Since 2010 architecture office XML has researched the architecture of spaces of political congregation The book Parliament explores the double sided relationship between space and politics by documenting and comparing the plenary halls of the parliaments of all 193 United Nations member states Almost like a manual archive the book documents the rooms in the same style and scale and also provides key data and the assembly hall s location within the larger parliament building Organized as a lexicon the book allows comparison of all 193 national parliaments in the world Cover

Global Governance and the Emergence of Global Institutions for the 21st Century Augusto Lopez-Claros, Arthur L. Dahl, Maja Groff, 2020-01-23 Identifies the major weaknesses in the current United Nations system and proposes fundamental reforms to address each This title is also available as Open Access **Parliaments in the Modern World** Gary W.

Copeland, Samuel C. Patterson, 1994 A cross national survey of how parliaments adapt to change **World Encyclopedia of Parliaments and Legislatures** Lawrence D. Longley, Thomas O. Melia, International Political Science Association. Research Committee of Legislative Specialists, Commonwealth Parliamentary Association, 1998 A collection of over 200 articles describing legislative bodies around the world For each country the legislative body is discussed in terms of constitutional approach as well as practice Key characteristics such as historical background elections lawmaking and budgetary control are covered **Parliament and Democracy in the Twenty-first Century** David Beetham, 2006 **The World's**

Parliament of Religions John Henry Barrows, 1893 **When Parliaments Ruled the Middle East** Matthieu Rey, 2022-02-02 An essential study of parliamentary politics in postwar Iraq and Syria before the consolidation of authoritarian rule under the Ba th Party *When Parliaments Ruled the Middle East* explores three main interrelated issues to clarify what happened between 1946 and 1963 in Iraq and Syria how and why a parliamentary system prevailed in both countries in the aftermath of the Second World War what social effects this system triggered and in turn how these changes affected the system and finally why the elites in both countries were unable to overcome the unrest that brought an end to both a liberal era and to a certain kind of political game Drawing on a vast array of sources and rich archival research in French English and Arabic Matthieu Rey highlights the processes of the parliamentary system in the modern era which are very common to post independence countries and to any representative regime He tackles the intersection of multifaceted political phenomena that were present in that moment in Iraq and Syria including regular elections the implementation of

emergency law the freedom of the press the open expression of opinions the formation of new political parties frequent military coups and the joint exercise of power by members of the old classes and reformist newcomers Treating this period as neither an epilogue of the liberal order nor a prelude to authoritarianism and stressing the contingent improvisatory aspects of political history Rey fundamentally questions the transitional nature of the period and in doing so proposes new ways and tools of examining it

The Anthropology of Parliaments Emma Crewe, 2021-05-13 The Anthropology of Parliaments offers a fresh comparative approach to analysing parliaments and democratic politics drawing together rare ethnographic work by anthropologists and politics scholars from around the world Crewe's insights deepen our understanding of the complexity of political institutions She reveals how elected politicians navigate relationships by forging alliances and thwarting opponents how parliamentary buildings are constructed as sites of work debate and the nation in miniature and how politicians and officials engage with hierarchies continuity and change This book also proposes how to study parliaments through an anthropological lens while in conversation with other disciplines The dive into ethnographies from across Africa the Americas Asia Europe the Middle East and the Pacific Region demolishes hackneyed geo political categories and culminates in a new comparative theory about the contradictions in everyday political work This important book will be of interest to anyone studying parliaments but especially those in the disciplines of anthropology and sociology politics legal and development studies and international relations

Parliaments as Peacebuilders in Conflict-affected Countries Mitchell O'Brien, Rick Stapenhurst, Niall Johnston, 2008-01-01 The changing nature of conflict and the increase in intrastate conflict during the 1990s followed by its slow decline since the turn of the century have led to changing priorities in the field of conflict resolution No longer is the international community solely concerned with resolving existing conflicts it also is managing emerging conflicts to ensure that they do not flare into violent conflict This book outlines some of the strategies parliaments and parliamentarians can adopt to reduce the incidence of conflict and effectively manage conflict when it does emerge It is hoped that by
