an understanding of Newman's theological development as well as the dynamic changes that occurred within the Catholic Church in the 19th century. A diverse collection Newman writes on Religious Faith Rational The Christian Mysteries Religious Emotion as well as much more. These sermons were all preached on Sundays by Newman at his Anglican parish Saint Mary the Virgin Oxford. Essential to any student of theology, these sermons mark a great change in the Anglican and Catholic traditions. *Realizations* John Henry Newman, 2009. What is the secret of John Henry Newman's enduring appeal? It perhaps lies in the freshness, persuasiveness, and brilliance of his descriptions of Christianity. Newman, who is to be beatified by Pope Benedict XVI later this year, often uses the word realization rather than faith or belief to describe the process of becoming a Christian. To him, a realization is a moment when one opens one's heart to a truth. He continues to enthrall us because through him we come to recognize Christianity not as a languid assent to a series of propositions but as a vivid encounter with concrete realities. This collection of his sermons, the ones Newman himself felt were his best, is the ideal introduction to one of the greatest writers in the Christian tradition. If there is one comprehensive thing that can be said about Newman's writings, it is that he has a voice; it is his own, and no one else's. To me, at least, it is a voice that never fails to start up radioactive from the page, however musty the physical book. From the foreword by Muriel Spark. Vincent Ferrer Blehl, SJ, 1921-2001. Was the Postulator of the cause of Newman's canonization and the author of several books and articles about Newman's life and work. The novelist Muriel Spark, 1918-2006, said that it was by way of Newman that I turned Roman Catholic. She later remarked that it wasn't until I became a Roman Catholic that I was able to see human existence as a whole, as a novelist needs to do. Parochial and Plain Sermons: Holiness necessary for future blessedness John Henry Newman, 1920. Selected Sermons John Henry Newman, 1994. John Henry Newman, the most seminal of modern Catholic theologians, is often called the Father of the Second Vatican Council, the teachings of which he anticipated in so many ways, especially in his ecclesiology with its emphasis on the role of the laity but also in his theory of the development of doctrine, his ecumenism, and his concern for the renewal of Catholicism in the modern world. *Newman at St. Mary's* John Henry Newman, 1962. *Parochial and Plain Sermons* John Henry Newman, 2017-09-27.
